

BUSY 'SWEEPERS

Constantly "on the go" these days are units of the Pacific Command's Second Canadian Minesweeping Squadron, operating out of Esquimalt, B.C. Three of the minesweepers are seen here during recent exercises on the east coast of Vancouver Island.

In the background is HMCS James Bay; following are HMC Ships Miramichi and Cowichan. Units of the Squadron have taken an active part in British Columbia's centennial celebrations—in combination goodwill and training cruises to various B.C. ports.

Dairy Larder Bulging But No Concern Over Butter

By HARC D MORRISON
Canadian Press Staff Writer
OTTAWA (CP) — The federal dairy larder is showing indications of bulging at the seams. Large federal stocks are reported being held, not only of creamery butter but also of cheddar cheese and skim milk powder, accumulated through an expanded government price-support program.

Figures have not been made public but it appears warehouses contain about 65,000,000 pounds of butter, at least 6,000,000 pounds of cheese and perhaps between 30,000,000 and 40,000,000 pounds of milk powder.

The experts feel they will get rid of the butter eventually if the economy holds up next winter and Canadian earnings remain high. There is some concern over the cheese surplus and a lot more concern over the milk powder.

Earlier this year the Conservative administration increased the support price on butter to 64 cents a pound, from 58, whole sale, and for the first time in some years established a complete federal floor of 34 cents a pound under cheddar.

Behind that concern is the rise in Canadian milk production, which for the year may reach a record 18,000,000,000 pounds, shattering the previous peak of 17,300,000,000 last year. A lot more of this milk has been directed into processing plants.

Just how the central administration will get rid of the cheddar is not clear for it is understood that the Ontario cheese producers also hold a surplus of about 10,000,000 pounds of last year's production. Undoubtedly the Ontario producers will want to get rid of their holdings first before the federal government can make any move.

Kennel Costs Put Soviet Bureaucrats In Doghouse

By VINCENT BUIST
MOSCOW (Reuters)—Some Soviet bureaucrats were in the doghouse Wednesday for — among other things—building a \$140,000 dog kennel at state expense.

Pravda said officials in Kazakhstan, in bleak central Asia, had diverted funds earmarked for heavy industrial development to use for building the big kennel.

The Communist party newspaper said the group had made a circus of state planning by spending millions of rubles on theatres and swimming pools—as well as a circus.

The party condemned the officials for misappropriating the money to build a luxurious council mansion costing 25,000,000 rubles or more than \$6,000,000 at the official rate of exchange.

KENSINGTON

Her many friends regret the illness of Mrs. Edward C. Casey at her home in Summerside, and wish her a rapid recovery.

Pravda said officials in Kazakhstan, in bleak central Asia, had diverted funds earmarked for heavy industrial development to use for building the big kennel.

Master Dean MacEwen returned on Thursday to his home in New London, after spending a holiday with his grandparents, Mr. and Mrs. B. M. MacEwen, Charlottetown.

Pravda and Izvestia referred to similar misappropriations in Gorky, Kuzbass, Lipetsk, Dnepropetrovsk, Orenburg, Krasnoyarsk, Ryazan and Altai.

Mr. Phillip Hunter, left recently for his home in Montreal, after visiting his grandmother, Mrs. Atwood Blakeney, Kensington, and relatives and friends in Sea View, Baltic and other points.

They said if these violations of state discipline were not stopped "serious detriment to the national economy" could result.

Mrs. John Wigmore and family, Moncton, are spending their holidays at Sea View.

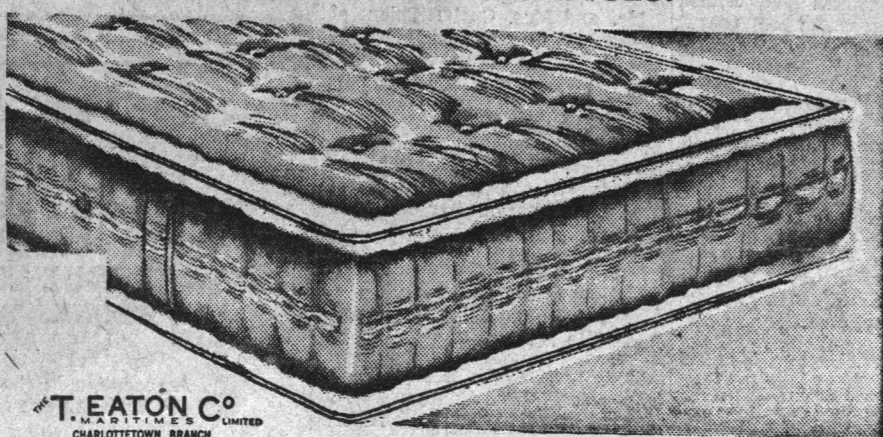

Mrs. Calais Gallant and daughter, Betty, Summerside are spending a few days at Sea View.

The many friends of Mrs. James Duggan, Sea View, will be sorry to learn that she is a patient in the Prince County Hospital, and wish her an early improvement in health.

Mrs. William Sutherland's mother, Mrs. William Sutherland, left recently for her home in Watertown, Mass. after spending their vacation at Kensington, guest of Mr. Sutherland's mother, Mrs. William Sutherland.

The Kensington Branch of the Ladies Auxiliary of the Canadian Legion convened at the Legion Home for the July meeting on Tuesday evening with eight members present. With Mrs. Annie Douglas acting president, the meeting opened with the prescribed ritual which includes the Act of Remembrance and the Auxiliary Pledge. The business period followed when the members were reminded of a pantry sale to be held on the third Saturday in August. The meeting closed with the closing ceremony including the Lord's Prayer and lunch was served by the committee in charge.

Mr. and Mrs. George Sutherland left recently for their home in Watertown, Mass. after spending their vacation at Kensington, guest of Mr. Sutherland's mother, Mrs. William Sutherland.

SEMI-ANNUAL SALE PRICE, EACH

21.99

Expect Alberta Citizens To Get 21 Million In Dividends

EDMONTON (CP) — The Alberta government will have spent about \$21,000,000 on its oil and gas royalty citizens' dividend by the time it is suspended at the end of this year.

Premier E. C. Manning announced Thursday night money appropriated for the dividends—one-third of the oil and gas royalties collected by the province—will go into special capital projects for the next five years, starting next year.

The dividend payments were begun last year with eligible persons collecting \$20 in cash each. Eligible are persons at least 21, Canadian citizens or British subjects and residents of Alberta for 10 years, including the last two.

The money was paid out at banks, where persons swearing to their eligibility and signing a receipt were handed a \$20 bill.

METHOD TOO SIMPLE

This method of distribution was found too simple. The government paid out more than 500,000 dividends, many of them to persons who obtained them illegally. By August, the result of investigation brought 323 convictions for false declaration and false pretences. Prison terms of up to 30 months were given to 276 persons.

IN MEMORIAM

JEANETTE ANN PINEAU

The death took place at the Victoria General Hospital Halifax, on May 23rd, 1958, of Jeanette Ann Pineau, daughter of Mr. and Mrs. Michael Pineau of Hope River, at the age of sixteen years, after a lengthy illness.

The deceased was admitted to the Charlottetown Hospital on April 7th and after receiving treatment showed some improvement when complications set in and she was sent to Victoria General Hospital for special treatment but to no avail, and her gently spirit returned to her Maker on the above mentioned date, fortified by the last rites of the Roman Catholic Church.

Jeanette was all that any parents would desire in a child, kind, obedient, loving and considerate beyond her years. With her school mates she was a general favorite.

Though of a studious nature she was always ready to take part in all scholastic sports or other activities, but in the home her passing will leave a void which will never be filled, and that now "vacant chair" will ever be a reminder to those, to whom she was so dear, of their heavy loss.

The large number of Mass cards, spiritual offerings, enrolments, messages of sympathy and floral tributes bore mute testimony of the esteem in which she was held.

The funeral, which was very largely attended, was held at St. Ann's Church, Hope River, where Requiem High Mass was celebrated by her pastor, the Rev. Paul Dalton, who also officiated at the grave.

Interment was in the church cemetery. The pall bearers were Ivan Doiron, Lionel Doiron, Leo Pineau, Ronald Doiron, Francis Doiron and Brendon Doiron.

She leaves to mourn besides her sorrowing parents five sister and three brothers: Liz, Carol in Montreal, Roy in Toronto, Ont., Omer at home, Eunice in Moncton, N.B., Marie, Enid, Freda and Cynthia at home.

CARD OF THANKS

Mr. and Mrs. Michael Pineau and family, wish to express their sincere thanks and appreciation to Rev. Paul Dalton, P.P. for his many acts of kindness, also to Rev. R. Phelan, Rev. Denis Gallant, Rev. E. Doyle CSSR, and Rev. Francis Bolger; to Mrs. J. P. O'Hanley, Ian McMillan, W.R. Stewart, and J. McMillan; to Miss Morris, R.N. who so kindly accompanied our Jeanette to Victoria General Hospital, Halifax, to the Sisters, nurses and staff of the Charlottetown Hospital, to all those who sent Mass cards, spiritual bouquets, enrolments, flowers, letters and cards of sympathy and a special thank you to our kind neighbours and friends who helped in so many ways during her illness and death.

Friends of Mrs. Margaret McNeill of Miscouche, will be sorry to learn that she recently entered Prince County Hospital, at the result of a car accident.

Mr. and Mrs. Dave Vessey of Fredericton, New Brunswick recently visited with relatives in Miscouche.

Cedric Martin and Son of British Columbia, recently arrived in Miscouche and are spending some time visiting with his parents Mr. and Mrs. P.C. Martin.
