187 Canadian Women Win Prizes In Robin Hood Contest

MRS. R. R. STIRRETT, SWIFT CURRENT, SASK. TAKES FIRST PRIZE OF $200.00 AND A SILVER CUP

Here is the list of winners as selected by the judges in our Royal Menu Contest. My heartiest congratulations on the splendid menus—many of which I had the privilege of reading before they went to the judges.

May I also convey my personal thanks and the thanks of the judges to all the thousands of Canadian women who entered. My only wish is that there were a thousand more prizes to give.

Your many letters in praise of Robin Hood Flour are treasured. It is this loyal support from countless Canadian women which has made Robin Hood Canada's Fastest Selling Flour.

Will Be Guests Of Kinsmen Today

100 underprivileged children will be the guests of the local Kinsmen's Club at Stanhope this afternoon, it was announced following the July meeting of the Club which was held Monday evening in the Charlottetown Club. The children's picnic is a part of the Kinsmen's service work and is held annually. This year the guests will be girls from 8 to 12 years of age inclusive. The boys were the guests of the Club at the picnic in 1938. A program of sports has been lined up with prizes donated for the various events, and refreshments will follow the sports program.

Transportation will be provided by the Club and all cars will leave the Market Square at 2 o'clock. Kinsmenettes will be on hand to keep a watchful eye on the youngsters.

The guest speaker at Monday night's meeting was "Banty" Bantick, secretary of the Association of Kinsmen's Clubs in Canada, who presented a very interesting word picture of the progress of Kinsmen across Canada during the last two years. It was Banty who organized the Kinsmen's Club in this City some two years ago.

It was decided to run a booth at the Provincial Exhibition in order to raise further funds to assist the Dental Clinic, and the public are urgently requested to lend their support to this worthy effort and help in this way to make it a big success.

Stewart Ives, George Ayers, Walt Gaudet, Gordon Rice and Neil Higgins were named as official delegates to the National Convention which will be held in St. John, August 12-14. Some ten members of the local Club also plan to attend.

Stewart Ives, president of the Charlottetown Club, presided at the meeting which was one of the best held here in some time.

Latest Notes Of The Big Fair August 14 To 18

The selection of Judges who will place the ribbons on the winners at our Exhibition involves quite a bit of thought. Secretary J. W. Boulter in consultation with live stock committees, puts the names of outstanding men in the Dominion before them and usually there is agreement on a particular individual. It has been the policy of the Provincial Exhibition for a number of years to get the best talent available regardless of expense. A glance at the list below will show that this year's selections are quite in line with past high ideals. Among the list of names are men who are Dominion wide known as leaders in their line, in fact their reputation has gone much further and their names are equally familiar in many towns and cities in the United States and even in Great Britain. Here are the arbiters for 1939.

Judges For Horses:—
Heavy—Donald E. Black, M.P. Aubrey, Que.
Light and Show Horse Classes—Lt.-Col. R. S. Timmis, Hillcrest Farm, King, Ontario.

Judges for Cattle:—
Ayrshires—Peter McArthur, Howick, Que.
Beef and Dual Purpose Shorthorns—Thomas Amos, Moffatt, Ont.
Holsteins—John McCarthy, Sussex, N.B. Mr. McCarthy is a son of the noted Holstein breeder, J.L. McCarthy, Sussex, N.B.
Guernseys and Jerseys—William Johnston, Oakfield Place, Bridgewater, N.S.

Judge of Sheep:—
James Telfer, Federal Live Stock Branch, Ottawa.

Judge of Swine:—
J. W. Graham, Federal Live Stock Branch, Moncton, N.B.

Judge of Poultry:—
C. L. Wright, Sherbrooke, Que.

Yesterday there was another heavy entry list in all classes of registered horses, cattle, etc., and now the clerical force are hard at work compiling these for Ottawa, where they are carefully scrutinized and sent back if breeding found O.K. The other day we stated that Mr. Raoul Reymond had made 23 entries in the horse classes. We should have said that Mr. Reymond had entered 23 horses. Some of these take part in several competitions so that his entry list is considerably more than 23. His exhibits will occupy an entire barn.

J. Walter Jones, M.L.A., who also possesses the title of Master Breeder—one that few hold—is back again this year with a tremendous exhibit, so there will be something doing in the Holsteins when Walter Jones, Colby Lewis, R. A. Profitt and others who have been occupying the Hall of Fame compete against each other. It will be the same story with Guernseys, Jerseys and the Beef Breeds, the liveliest kind of competition with every one good-naturedly seeking to win and doing their utmost, but quick to recognize justice of the awards even when they are not favorable to themselves.

Fireworks. Nothing very much has been said about fireworks in connection with the Provincial Exhibition, but at the conclusion of each evening's performance a brilliant and sparkling assortment of fireworks will be set off. Rapidity of action will be the watchword, because everybody in the big audiences are preparing their getaway, so each night you will see the heavens literally blazing with rockets, bombs, star shells, chrysanthemums, silver shells and dozens of other varieties, while the large Big Berthas will explode again and again with terrific force. Then there will be the setpieces, larger and better than previous years, so don't miss the fireworks each night at the conclusion of the show.

Yesterday we referred to Roselean Dawn, prima donna and sweet singer of favorite songs. Today we feel we should mention Pat MacIntosh—50-50 Scotch and Irish with the characteristics of both races. Pat made a name for himself in the music halls of Glasgow and Edinburgh before coming to this country. His ready wit, his humorous dialect and inimitable singing made him a favorite everywhere. In Canada and the United Sttaes he has been heard over radio and through other engagements by large audiences. Pat will act as Master of Ceremonies for the Revue and Vaudeville program. His duty will be to see that there are no waits, no dullness and to keep the whole show moving smoothly making the audience feel the time has been only too short. You will like Pat.
