IN MEMORIAM

ELLIS — In loving memory of son-in-law Reagh H. Ellis, Sourris, who departed this life on March 9th, 1963.
God knew that he was suffering
That the hills were hard to climb
So he closed his weary eye lids
And whispered peace be thine.

Away in the beautiful hills of God
By the valley of rest so fair
Sometime, someday we know not when
We will meet our loved one there.
Lovingly remembered by Mr. and Mrs. Howard Dixon and family.

GETSON — In loving memory of dad, Mr. Daniel Getson, who passed away March 9th, 1962.
We stood beside your bedside,
Our hearts were sad and sore.
We tended you with loving care
Till we could do no more.
We think of you in silence,
And often repeat your name,
But all that's left to answer
Is your picture in a frame.
Always remembered by daughter, Ruth, son-in-law, Frank, grandchildren, Gary and Cheryl.

ELLIS — In loving memory of Reagh Ellis, who passed away March 9, 1963.
In tears we saw you sinking,
We watched you fade away.
Our hearts were almost broken,
You fought so hard to stay.
But when we saw you sleeping,
So peacefully free from pain.
We could not wish you back
To suffer that again.
Always remembered by wife and son.

HERRING — In loving memory of our dear mother, Mrs. James F. Herring, Murray Harbor, who passed away March 7, 1963.
As angels keep their watch up there,
Oh! God, please let her know
That we down here do not forget
We love and miss her so.
Lovingly remembered by the family.

CARD OF THANKS

I wish to express my sincere thanks to Dr. Auld, Dr. Beer, nurses and staff of the Prince County Hospital who were so kind to me while a patient there. Thanks to Rev. Flander and all those who visited me, sent cards and treats. A special thanks to my neighbors who were so kind to help at home.
Wesley Cole, Spring Valley.

HALL MFG. CO. NEWS

Our inventory of used spreaders is smaller than it has been for a long time at this time of year, and we are interested in your used spreader. We would suggest that you come in and see our complete line of spreaders. We have a great many models to choose from. Our complete line of nine different models are all in a class by themselves. Each one carries a full year guarantee. This is your protection in buying New Idea spreaders.

We were also fortunate in procuring the Burch line of cultivators and disc harrows. This line also comes to us with the highest recommendation. We have them in both 3-pt. hitch and drawbar, in widths of from 7' to 14' wide. A carload has just been received and we are now setting them up.

We again call your attention to our service and parts departments which we believe is second to none this side of Montreal. Our inventory of parts now runs close to one hundred thousand dollars. In addition, we have a service car which is at our customers disposal at all times.

Think this over when making your purchase for equipment, we know it will pay dividends in time saved
