**Notice to Procrastinators!**

All Accounts furnished before and at last Xmas, and Midsummer of this year, that remain unpaid after this month, will be placed in the hands of an Attorney for collection, without distinction of persons.

MARK BUTCHER.

Oct. 31—

PERSONAL.—Lewis Carvell, Esq., is again visiting Charlottetown.

BRACKLEY POINT REFORM CLUB.—A Reform Club, was, last evening, organized at Brackley Point.

C. C. CARLTON, Esq., of Souris, is carrying beef for the London market. He sent a lot home last year.

TYPHOID FEVER still prevails at Mount Stewart. There have been about one hundred cases in the town this fall.

BARQUE Ethel Blanche arrived from London last evening, with cargo of general merchandise consigned to Peake Bro's & Co.

DIPHTHERIA continues in various parts of Nova Scotia. Seventeen deaths recently occurred at River John, Pictou County, from it.

CONDEMNED.—The barque "Agra," from Shediac for Barrow, which went ashore at Cape Traverse on Monday night last, has been condemned, and will be sold at auction on the 14th inst.—Freeman.

CABLE telegraph Communication with P. E. Island is suspended for the present, the Cable having parted several days ago. The telegraph office refuses all business offering for the Island. The break is understood to be on the New Brunswick shore, and men are engaged in grappling for the Cable.—Moncton Times.

METEOROLOGICAL.—The Inspector from the Central Meteorological Office, Toronto, is at present in this City, having visited Georgetown on his way here. Additional instruments for obtaining a continuous record of the velocity and direction of the wind will be set in operation immediately. We learn that but for the high rates of telegraphing to this Island, the daily probabilities would be furnished each day before noon.

THREE saloon keepers were brought up before the Stipendiary Magistrate yesterday morning on charge of selling liquor on Sunday. The first case—that of John Costello—was postponed until to-day, none of the witnesses summoned having appeared. In the second—that of John Bolger—there was no evidence. It stands over till Wednesday next. In the third—James Landrigan—there was no evidence and he was dismissed.

THE FISHERY COMMISSION.—The work of the Commission is drawing to its end. Mr. Dins, the counsel for the United States, closed his argument on Saturday. He contends that Canada is entitled to no compensation, what the United States give us being worth quite as much as what we give them. The counsel for the Dominion (probably Mr. Thomson) commences his argument to-day (Thursday), and he will of course contend that Canada is entitled to a large amount. It is believed that after the conclusion of his argument there will be an adjournment for a few days, and then the Commissioners will meet to deliberate, and it is to be hoped, to decide.—St. John Freeman.

THE Journal reports that on Monday evening the ladies of Summerside held a meeting in Montgomery's Hall for the purpose of organizing a Women's Temperance Union. There was a very large number of ladies in attendance. The meeting was presided over by the Hon. W. G. Strong and the Secy. of the Reform Club. The following ladies were elected to fill the offices for the ensuing half year:—

Mrs. Thos. Walsh, President; Mrs. R. T. Holman, Mrs. Angus McSween, Mrs. S. H. Hope, Mrs. T. Beattie, Mrs. David Bertram, Vice Presidents; Mrs. Stephen McNeill, Treas.; Mrs. J. D. Reid, Financial Secy.; Mrs. Robt. Muirhead, Secy.; Miss Mary O'Connor, Ass't. Secy.

At the Stipendiary Magistrate's Court, yesterday morning, Margaret Porter, Malcolm Ross, Wm. Kennedy and Samuel Mitchell, were each fined \$2 and costs or 8 days, for being drunk and incapable on the street; Daniel Callaghan, for the same offence, was fined \$3 and costs or 14 days. The cases of John Costello and John Bolger stand over—the first till to-day, and the second till next Thursday. James Landrigan, for the same offence, was dismissed. James Murphy was fined \$1.60 and costs or 30 days, for corner-loading; Wm. Corish, for the same offence, was fined 50 cents and costs or 4 days; Patrick Brogan, for the same offence, was fined \$1 and costs or 8 days.

**Local and Other Items.**

"WELL, NOT BEFORE TIME!"—The Government have commenced to lay a plankway in front of the Post Office. Norman McRae is overseer.

ICE.—Ice formed on the night of the 13th, above Macknaquak, N. B., on the St. John River. At Burgoyan's Ferry it rendered the crossing difficult.

LARGE TURNIPS.—Edwin Darby, Esq., of Egmont Bay, presented us with four turnips the other day, that weighed 70 lbs. or a little over 17 lbs. each.—S. J.

THE steamer Vanguard arrived from North Sydney in ballast, yesterday morning. She sailed for Pictou in the evening. The Carroll also sailed for Boston yesterday evening, with a cargo of produce.

LEVEL WITH THE GROUND.—The new batten fence along the line of Railway—on which so much public money has been spent—is even now in many places level with the ground.

"BIG DONALD" is undergoing a surgical operation under the superintendence of Mr. James Butcher. A hole of about an inch and a half has been punched directly over the part affected during the late fire, and the crack opened about half an inch.

CREDIT.—The article which appeared yesterday morning on "Primary and Secondary Business Duties" should have been credited to the Monetary Times; the item relating to the "Quebec East Election" was clipped from the Halifax Chronicle.

**Shipping Intelligence.**

**PORT OF CHARLOTTETOWN.**

**ENTERED.**

Nov. 15.—Schr. Vanguard, Delaney, North Sydney, ballast; Martha, Goodwin, Fatmagouche, hoop poles and staves; P. L. G. Anderson, Pictou, 100 tons coal; Annie Fioarce, McDonald, Cape Bald, stone, Charles, Weston, Pictou, coal; Enterprise, Allan, Bay Verte, coal, Annie, Caise, Pictou, 15 tons hay, 100 bushels turnips; Margaret, Du Caste, Pictou, coal; Str. Carroll, Wright, Boston, sundry goods.

**CLEARED.**

Nov. 15.—S. r. Carroll, Wright, Boston, produce; barque George Peake, McDonald, Queenstown for orders, produce; Jimmy Lund, Rodd, Halifax, 600 bushels potatoes, 90 turnips; S. S. Vanguard, Delaney, Pictou, ballast; Madaine, Allan, Crapaud, ballast; Alexander McKinnon, Doune, Halifax, 1,700 bushels potatoes, 200 do oats, 150 do turnips.

Brigantine Willie sailed from the port of Alberton, Oct. 19th, loaded with 20,000 bushels of oats, and arrived at Mumbles, Nov. 9th, making the passage in 21 days.

Brigantine Feodore cleared on the 7th, and sailed on the 10th of November from Summerside, loaded with 11,000 bushels oats. Also the clipper Barque Katie Stewart, sailed on the evening of the same day, laden with 30,000 bushels oats, both to Mumbles for orders.

By cablegram, barque Josephine arrived at Queenstown, wheat laden from Baltimore, making the passage in 22 days; also barque Annie Maud, arrived at Dublin from Baltimore, wheat laden, making the passage in 21 days.

The above vessels are owned by the Hon. John LeFurgey.—S. J.

At present there are ten vessels loading here, notable among which are the brigantines Wakeford and Shamrock. The Wakeford is owned by John LeBrocq, Esq., Georgetown, and chartered by A. C. McDonald & Bros., to load with oats for the Home Market. She will carry about twenty thousand bushels. Owen Connolly, Esq., owns the Shamrock, and is loading her with oats and potatoes for England. She will require about 8,000 bushels of the former and 4,000 of the latter. The Wakeford lies by the bridge, a circumstance which causes considerable inconvenience to the public as well as to the shippers, and shows clearly that the shipping accommodations are not adequate to the requirements of the place.—Montague Cor to Patriot.

**REPORTS.**

Capt. Downey, of schooner "Alexander McKenzie", reports that on the night of Friday last, the mooring post by which he was fastened to Mount Stewart Bridge gave way, and she swung round. Her stern grounded, and he was obliged to cut away the bowsprit, jibboom and her forward gear, in order to save the bridge. He complains that Jas. McWade, Esq., Wharfinger, compelled him to pay \$15 for damage done to the bridge, although he believes the damage did not amount to \$3. The whole affair cost him upward of \$50—all because the bridge was not sufficiently strong to hold the vessel. The Commissioner of Public Works should, he thinks, have a reasonable man in charge of the Bridge, should see that the Bridge is put in order, and refund him the money he has been obliged to pay out in the matter.

**Passengers.**

Per Steamer Carroll from Boston.—Mrs. Benj. Rogers, Mrs. Wm. Kennedy, Mrs. Smith, Messrs. John Fraser, P. McCormack, A. Clarke, Power.

Per Steamer Carroll to Boston.—Miss McKinnon, Miss McPhee, Mary B. McKay, Mr. A. Dooling, C. H. Harris.

We do not hold ourselves responsible for the opinions or statements of Correspondents.

To the Editor of the Daily Examiner:

SIR—I would wish to know, if possible, through your paper, whether the gymnasium in connection with the Young Men's Christian Association in this City has been closed for the winter. If so, what is the cause? If it is because one or two boys make rather much noise while practising, I don't think that on that account others, who have paid their fee and know how to conduct themselves properly, should be debarred from its privileges. If any person in connection with that Institution would answer the above he would very much oblige

AN ENQUIRER.

**A CARD TO THE PUBLIC**

WHILE taking this opportunity of thanking our numerous customers for the liberal manner in which they have patronized

**OUR NEW STUDIO,**

we would inform them that we have now increased facilities for the production of first-class work, and are prepared to make PHOTOGRAPHS of a Style and Quality that has never been before attempted in this City. We have on exhibition, at our Rooms, a large number of Photographs of every variety, including the

**BEAUTIFUL PHOTO-ENAMEL**

the most beautiful style of Photograph known, possessing a softness and delicacy of coloring that has never been equalled. This elegant picture has become deservedly popular elsewhere, and cannot fail to become so here.

Though the finish of our Photographs cannot be excelled, we would direct attention to the beautiful

**Glace Pictures**

which we make. They possess a highly enamelled surface, and are practically indestructible, and will retain their freshness and beauty for any length of time. If they become soiled they can easily be cleaned, as they will not lose any of their beauty by being wet. This valuable quality, combined with their remarkable elegance, make them very suitable for presents; while the difficulty of their production will prevent them ever becoming so common as to lessen their value. Our patrons can have one or all of their Photos finished in this style—an advantage which cannot be obtained elsewhere.

We give special attention to making Groups of Families, Societies, Schools, &c.

Our pictures of children are sufficient evidence of our success in this difficult branch of our art.

Our ENLARGEMENTS, finished in India Ink, Pastel, Crayon, Oil and Water Colors, have made a favorable reputation for themselves throughout the Lower Provinces.

Parties intending to have Photographs made will find it to their advantage to sit early, as the number of our customers makes some delay in the delivery of the Photos unavoidable. We prefer to have our sitters come by appointment.

Photographs can be obtained for less money elsewhere; but in this case we ask that quality be given the preference; assuring the public that they will find our charges very moderate.
