CAUTION.

HAVING heard that parties are hawking Spectacles through the country and charging enormous prices for ordinary Glasses, we beg to say that we guarantee to sell our Spectacles at from 25 to 100 per cent. cheaper than these peddlers. We sell a better Spectacle for \$1.50 than those for which \$2.50 has been paid in the country to peddlers. Farmers and others! Don't be cheated by any false representation of sharpers, no matter what they call themselves. We buy direct from manufacturers, and take special care to give correct lenses required for each eye, so that in getting a pair of Spectacles from us you do not get a glass too strong for a good eye just because a weaker eye requires one, which you might do if you purchased in the ordinary way. Of course, there are some parties whom Spectacles will never benefit, but they are very few indeed; and we have successfully fitted many persons with the correct thing who had never been able to see properly before, and after they had tried and failed to get suited from so-called Oculist Opticians.

NOTE.—We employ no traveling agents, but our Glasses may be ordered, if preferred, through any of our resident agents in the country, who will be happy to give any information required. Pamphlets giving information sent free on application to E. W. TAYLOR, Watchmaker, Jeweler and Optician, ap17—d w Cameron Block, City.
