Radio Auction
Termed Success

SUMMERSIDE — Now that the 1966 radio auction is past history, the local Y's Men's Club returned to business matters again Thursday night at their regular weekly meeting.

The meeting was chaired by John Leuty, co-chairman was Keith Lapp and finesmaster, Carman Carle.

Guests at the meeting were Allison McIntosh of the Summerside YMCA, Jim Blair and Allan Rodd. The guests were treated to a very lively session as Bob Hogg ran an auction of the few articles left over from the radio auction.

The radio auction committee reported that this year's auction has been a success and that over \$3,000 had been added to the funds which the club uses for youth programs in the community.

A special vote of thanks was given to all citizens who supported the auction.

Members were reminded of the coming regional convention to be held in Saint John, N.B. in May. Lloyd Millar, convention chairman for this year, told all those who planned to attend the convention they would have to make their own reservations and suggested that this be done as early as possible.

It was also announced that the Y's Menettes would be hosting the Y's Men on Wednesday, March 30, 1966 at a Hawaiian night and that the annual meeting of the club would be held on March 31, 1966.
