LONDON, Dec. 17.—The Standard's Con-
stantinople correspondent says Sir Philip
Currie, British ambassador to Turkey, has
indicated France and Russia to join England
in the humanitarian campaign in the teeth
of German opposition.

CHICAGO, Dec. 15.—The unemployed
workmen in Pullman and Kensington are
circulating petitions to be presented to
Governor Altgeld, Mayor Hopkins, the
city council and general assembly asking
for work. R. W. Brown, vice-chairman of
the old Pullman strike committee, declares
there are 1,000 families in the district who
do not know which way to turn for the
winter's support. About 50 per cent. of
those suffered as a direct result of the strike
at Pullman.

ENDOWS DR. ROSE.
A Quebec Physician who corroborates Dr.
Rose's Opinion.

PORTLAND, Dec. 3.—The letter of Dr. A.
G. McCormick, of Richmond, Que., testifying
to his complete and permanent cure
from Bright's Disease by Dodd's Kidney
Pills, has been read with much interest
here, supporting as it does the recent let-
ter of Dr. E. A. Rose, of this place, who
was cured of Diabetes by the use of these
pills. Of course no further corroboration
of the curative qualities of Dodd's Kidney
Pills was required other than the testimo-
ny of Dr. Rose, but it is a satisfaction to
know that other medical men are able to
tell the Dr. in testifying to the worth of
the pills from personal trial.

McSwaters.—I hear that Skipley is going
to settle in New York.

Skipley's tailor.—I wish he had settled
here first.

No one need pity you if you die of
consumption, without having tried
Miller's Emulsion of Cod Liver Oil, "the
kind that cures" coughs, colds,
bronchitis and all pulmonary diseases.
Every bottle warrants a cure. No silly taste like
others. In big bottles, 50c. and \$1.00, at
druggists.

Patient.—Is the doctor at home?
Ma.—No, he has gone to the football
game.

Patient.—For pleasure or professionally?
I am not sure I ever told you what a
safe and excellent, as well as palatable
cure for Coughs, Colds, Consumption and
all Wasting Diseases is made in Halifax,
Nova Scotia. If not, let me now say that
there is no other Remedy quite as good
for these ailments as PETERSEN'S EXTRACTS.
I need not enlarge—a word to the wise
is sufficient—remember it is PETERSEN'S EX-
TRACTS—for sale in your town by all the
first-class Druggists, in large eight ounce
bottles for 50c.

Harry.—I understand she gave you a flat
refusal.

Jack.—Yes; nothing under a four-story
brown house would satisfy her.

**Nervous debility, general debility, then
consumption, step by step, that's the way
to go. Take a course of Hawker's nerve
and stomach tonic, the greatest nerve and
brain invigorator, blood builder, appetizer
and digestive aid ever discovered, ere you,
too, reach the final step.**

Mr. Gamble.—Would you like to take a
chance in a lottery, Miss Overage?
Miss Overage (blushing)—This is so
sudden, sir.

Neuralgia and toothache are speedily
relieved by a free application of Dr. Man-
ning's german remedy, the universal pain
cure.

"No," said Mrs. Fisher, "I don't call
myself a lady, but simply a plain woman."
"Well," said Mr. Gosler, "you're plain
enough, that's a fact."

Do not trifle with a cough, Hawker's
balsam will quickly cure it.

The old lady—Would John be a good
catch for Mary?
The old man, Splendid. He's in the
football business and his life is insured for
\$10,000.

Testing His Honesty.
Your druggist is honest if when you ask
him for a bottle of Scott's Emulsion he
gives you just what you ask for. He now
this is the best form in which to take Cod
Liver Oil.

Florence.—How did that daub of a pic-
ture Nellie received for a birthday gift im-
press you?
Artist—Very well, when I finished paint-
ing it.

How to Use a Sunlight Picture.
Send 25 "Sunlight soap wrappers (wrap-
pers bearing the words "Why does a woman
look old sooner than a man") to Lever
Bros., Ltd., 43 Scott St., Toronto, and you
will receive by post a pretty picture free
from advertising, and well worth framing.
This is an easy way to decorate your home.
The soap is the best in the market and it
will only cost 1c. postage to send in the
wrappers, if you leave the ends open. Write
your address carefully.

He.—Do you think blondes have more
admirers than brunettes?
She.—I don't know. Why not ask some
of the girls who have had experience in
both capacities?
Ask your tailor to show you the cele-
brated "fink" Serge. You will know the gen-
uine by the word "fink" stamped on every
23 yards.

"Isn't it queer," said Mand, "I've never
seen my fiancée?"
"What? Never seen him?"
"I've never seen him. He's never asked
me."

"We should be thankful for small
mercies," said the boarding house mis-
tress.

boarder, as he sat at the champagne
table.

Returned bride—Nobody thought we
were a bridal couple.
Friend—No? How did you deceive
them?
Returned bride—We tried to act as
though we were.

"I hear so much about your beautiful
pictures, Mr. Callahan, do you think you
could paint my portrait?"
"I don't think so. You see I only paint
from Nature."

Belle.—I wouldn't marry a man who I
thought knew less than I did.
Blanche—Nor I; but I wouldn't
marry a man who I thought had been thought
of.

Mrs. Fogg (looking out at the window).
—There's Mr. Carr shovelling off his side-
walk.

Mr. Fogg: The deuce he is! Wonder
what office he is going to run for.

Any (indignant)—You are just
like the villain of a novel!
Jack—Well, what ought I to be like—
the hero of a novel?
Any—Oh, my! That would really be
worse.

Briggs—My doctor has ordered me to
eat as little as possible for a week.

Griggs—Is that so? Come around to my
boarding house and take Thanksgiving
dinner with me.

In the long run it is the quality of
the material that will determine the
success of a lady's costume. Every-
body who has at all studied the matter
knows this. Priestley's Black Dress
Goods are the best that the market affords. That is
needed on all hands. The Ladies of Great Britain cordially acknowledge it. The
American Ladies prefer Priestley's dress fabrics to French. Our Canadian Ladies
are now asking for them. They wear better than other goods; but their great
charm consists in a peculiar richness and softness of appearance, and a flexibility
which enables them to draw in the costume with that suggestion of flow and rhythm
which is the dream of all tasteful women to realize.

Fee that the goods you buy are stamped "every five yards

BUTTER AND EGG STORE, QUEEN STREET.

"MAKE HESS LAY."

Such is the caption of an advertisement
that appears not only in the local, but
many leading agricultural papers, and
which suggests the propriety of a few
thoughts upon the subject. It may be laid
down as a rule that most people indulge in
raising poultry not for the pleasure it
gives, but for the profit that is realized
from the same, which must come from
young chicks or eggs, and since the chicks
must come from the eggs, the real profit
will be traced to egg production, so the
advice given in these words is of vital con-
sequence to the poultry raiser. The ad-
vertisement referred to recommends
Sheridan's Condition Powder to make
hens lay, and so do we," says Mr. A.
F. Heller, poultryer of Farm-Pony.
A hen to lay profitably must be in perfect
health, must be in condition, and here is
the true theory of the value of
Sheridan's Condition Powder—it promotes
the general good health of the fowl, gently
quickening digestion, and stimulating all
the various organs of the body as well as
the ovaries, to perform their functions."
At this season of the year the use of Sheri-
dan's Condition Powder is very valuable
for laying hens and young pullets. By its
use now they will get to laying earlier when
the price for eggs is very high. I. S. John-
son & Co., Boston, Mass., the only makers
of Sheridan's Condition Powder will send for 50
cents two 25 cent packages, five packs for
\$1.00, or for \$1.20 one large two pound
can of Powder, postpaid; six cans \$5.00,
express prepaid. Sample copy of the best
poultry magazine free.

COD LIVER OIL has long been known to
the Medical Profession as perhaps the best
single remedy for CONSUMPTION and
other Wasting Diseases—But most sick or
ailing people have an unconquerable aversion
to it, in its crude state.

The Hypophosphites of Lime and Soda
are only second to Cod Liver Oil in their
curative effects in the above complaints.
In PETERSEN'S EXTRACTS the Oil, while
retaining all its medicinal virtues, is com-
pletely disguised both from eye and palate,
so as to be agreeable to the most delicate
stomach, while its curative effect is en-
hanced one hundred per cent. by its
scientific association with the salts of
Phosphorus.

For sale by all Druggists at 50 cents a
bottle.
