

ALBERTON RINK WINS TROPHY

An Alberton rink skipped by Herb Mathews won the E. W. Turner Massey Harris trophy on the second day of the Alberton bonspiel. Members of the rink are, left to right, Herb Mat-

thews, Alice Seaman, Hubert Campbell and Jean Bryan. A photo in yesterday's paper of the runner-up rink was incorrectly captioned the Herb Mathews rink. This should have

been the Arnold McLennan rink from Summerside. Members of the runner-up team are Arnold McLennan, Wila Somers, Ralph Somers and Marion McLennan.

Air Chief visits S'side Station

SUMMERSIDE — Chief of the Air Staff, Air Marshal Hugh Campbell made a special visit to RCAF Station, Summerside Tuesday during which he carried out an inspection tour of the base as well as the Hillcrest Housing Development.

The Chief of Staff arrived at one o'clock noon and was greeted by the commanding officer of RCAF Station, Summerside, Group Captain J. E. Creeper, after which he inspected a guard of honor.

Air Marshal Campbell toured the operational training unit commanded by Wing Commander L. W. Limpert and inspected the station generally as well as the completed portion of the ex-

Curlers Are Rotary Guests At Summerside

SUMMERSIDE — The Summerside Rotary Club meeting was held on Tuesday with president John Arnold presiding. Fourteen curlers from the Charlottetown Rotary Club were introduced to the meeting. They were curling in Summerside during the afternoon, in a bonspiel won by the Summerside club. Irving Proust was guest of rotarian Earl Cannon. He was introduced to the club by Frank Arnett, chairman of the induction committee.

Two new members, Charles G. Beazley, proprietor of the Flower Cart, and Russell Stewart, Manager of F. W. Wool-

worth Ltd., were introduced. Ed Foley was in charge of the program and had as guest speaker rotarian Ken Parker of the Charlottetown club, and supervisor of Charlottetown schools. Mr. Parker's topic dealt with the fourth principal of the Rotary four-way test which is to promote international peace and goodwill through the ideal of Rotary fellowship.

The largely attended funeral took place from the Lindsay Funeral Home to the Brunswick Street United Church, Halifax, where the service was conducted by the Rev. Mr. Campbell. The hymns sung were "Rock of Ages and a Duet "In the Garden". The floral tributes were many, indicative of the high esteem in which Mr. Huestis was held.

Address Given On High School For Bloomfield

ALBERTON — An interested group of ratepayers from Bloomfield Corner school district assembled Monday evening in the school to hear the guest speaker for the evening, Earle Jelley, O'Leary, explain the advantages of a regional high school unit to serve the area.

Many questions were answered by the speaker and as a result a strong feeling existed the youth

of today require greater education to measure up to required standards.

The Air Chief told the officers at a mess dinner he was pleased with conditions at the base and also with the progress being made in the multi-million dollar expansion program.

Funeral Held At Glenwood

The funeral service for the late Amos Gorrill Glenwood was held Thursday afternoon March 12th with a short service at his late residence then to Glenwood United Church at two o'clock and was largely attended. Service at the church and grave was conducted by his pastor, Rev. D. Rector, who brought a comforting message to the bereaved. Hymns used were: "Rock of Ages," and "Abide With Me."

A duet "In That Beautiful City of Gold" was nicely rendered by Mrs. D. A. MacPherson and Mr. Edward MacDougall.
Flower bearers were Keith Gorrill, Edward Garfield, and George Garrill. Pallbearers were Robert Roy Culton, John Heighly, Cecil Wyman, and Oliver Gorrill. Interment was in Bethel United Church cemetery.

|-----------------|------------------|-----------------|
| SHREDS FINER | SPREADS WIDER | LASTS LONGER |
|-----------------|------------------|-----------------|

That's why more farmers use **NEW IDEA** spreaders

SHREDS FINER because of blade-like U-teeth, staggered to give finer shredding.
SPREADS WIDER because of replaceable paddles that slice manure, deliver wider, more uniform pattern.
LASTS LONGER because they're built to rigid standards after torture track and on-farm testing.
Look at **New Idea** before you buy!
