

THE LIBERAL PARTY BELIEVES IN OUR ISLAND HERITAGE... In The Fair Play and Common Sense of Islanders!

For this reason we ask you to read on:

WE HAVE DONE THIS AND MORE!

- Hard-surfaced 350 miles of road in the past six years.
- Widened, sub-graded, gravelled or shaled 1700 miles of road in the past six years.
- Increased teachers salaries substantially and raised their sick leave benefits from a maximum of 15 days a year to 100 days a year on an accumulative basis.
- Erected 694 miles of line in the rural electrification program.
- Introduced Mothers' Allowance to give financial assistance to deserted mothers or widows with children to support.
- Established 13 Artificial Insemination Units, giving our cattle breeders access to the best sires in Canada.

WE WILL DO THIS AND MORE!

- Continue our policy of rural electrification until power is available to all homes and places of business.
- Provide pensions for widows who no longer qualify for Mothers' Allowance and also for single unemployed women over 60 years of age.
- Encourage the young farmers of our Province by raising the limit to 41 years of age for loans under the Farm Establishment Act.
- Build immediately a home for retarded children of Prince Edward Island.
- Provide further substantial equalization grants, primarily to pay teachers supplements in needy school districts and to create a more uniform level of school services.
- Establish a Department of Tourism and Information to take full advantage of increased tourist traffic.
