W. H. ROGERS. THE GROSS DYSPEPSIA CURE CO. AMHERST, N. S., May 27, 1893.

GENTLEMEN:—I am 71 years of age. I have been afflicted with sick headache most of my life, which developed into Dyspepsia of a mild type about twenty years ago.

During all this long period I have tried many popular medicines, as well as prescriptions from the regular medical practitioners, but without producing any improvement.

In the fall of '92 I concluded to try a bottle or two of your medicine and such were its effects that I continued it and now I can drink cold water or milk without any inconvenience.

Those dizzy pains are all gone and my mouth is as sweet as a baby's. In short, your medicine has cured me and I am sure that all Dyspepsias can be cured by its use.

W. H. ROGERS, Late Inspector of Fisheries for Nova Scotia.
