TIGNISH, August 29, 1856.

AT a Meeting of the subscribers to the Protestant Place of worship, now building in Tignish, held on the 29th ult., Captain W. Hubbard in the Chair—it was moved by Mr. Fairbairn, seconded by Mr. Samuel Brown, and carried unanimously—

That Messrs. W. Hubbard, Benjamin Haywood, T. J. Caie, Robert Bellin and W. E. Hubbard, be appointed Trustees of the building.

Moved by Mr. Bellin, seconded by Mr. Caie,—That the Building be open to all Protestant denominations, excepting such few as the Trustees may decide to exclude. It was also moved by Mr. Bellin, seconded by Mr. Fairbairn, and carried *nem con*—That with the view of avoiding, as far as possible, any future litigation and ill feeling, a clause be inserted in the agreement between the Trustees to the following purport:—

Whereas, in all probability, one denomination of Protestant professing Christians will, in the course of a few years time, be able to support a Minister of its own, and desire the Building to be under its sole management, it is desirable for the sake of Christian justice and good will to protract as long as possible a division in the settlement—It is hereby agreed by the Trustees that at any time or times hereafter when one party or sect desire to hold the Church and property belonging thereto under its sole management, all sum or sums of money contributed by others of different denominations shall be returned to them, their heirs or assigns, by the said predominating party.

N. B. The clause to be binding only on those who may demand their portion.

After a vote of thanks to the Chairman the meeting dispersed. We understand that about £20 will suffice to render the Building fit for preaching in next winter, and that assistance will be thankfully received by Capt. Hubbard, Treasurer, or Mr. Bellin, the Secretary in Tignish.

MASONIC PICNIC.—A Pleasure Trip and Picnic under the auspices of the Brethren of St. John's Lodge came off on Thursday last. The day was exceedingly pleasant, and at an early hour in the morning appearances promised a "good time."—About 9 o'clock the little Steamer *Ino*, with about 100 ladies and gentlemen on board, left Bourke's Wharf; Mr. Lobban's Band was in attendance, and dispelled any disposition to *ennui*, by its lively strains. The course up the West River, to McEwen's Wharf, was highly interesting. The ever varying and picturesque scenery along the margins of the river, was much admired; and as the boat swept on held ep to view an inimitable panorama of nature's loveliest painting. Arrived at the Wharf, the company seperated into groups, each bent on a hasty preparation of the dainties contained in his picnic basket. The beautiful grove which surrounds Mr. McEwen's farm was literally alive with excitement and gaiety. The hearty laugh from one little nook would find as hearty a response from innumerable others along the whole chain of forest. Mr. Thomas Williams took with him a large marquee, which was kindly placed at the disposal of those who preferred a stroll and then a shady retreat to the hilarity of the dance. A spacious Barn was considerately thrown open to the party by Mr. McEwen, which was very soon occupied. This place was unanimously adopted for dancing. Messrs. J. Galbraith and John Murphy voluntarily resigned their own pleasure, or sought it only in contributing to that of others. Those two gentlemen—from their superb violin music—were objects of great attraction; from about half-past one to 5 p. m., music and dancing were kept up. All parties then returned to their temporary quarters in the grove, and partook of Tea, after which a general movement was made for the Boat. Coming down the River, dancing was resumed, and kept up until the *Ino* again reached Mr. Bourke's Wharf. All parties seemed highly pleased with the recreation of the day, and we doubt not it will be long remembered with pleasure by those who participated in it.—*Advertiser*.

Launched.

On the 14th August, from the shipyard of Mr. Robert Orr, New Glasgow, a superior built Schooner of 79 tons, called the SHARK.

On the 21st August, from the shipyard of Mr. Wm. Balls, at Beach Point, a superior juniper, copper-fastened Brig, 273 tons, called the SIR GOLIN CAMPBELL—for Mr. Robert Orr, New Glasgow.

At Pinette, on the 30th ultimo, from the shipyard of Mr. William M'Lean, a very fine Brig of 234 tons, called the FLORA

At Orwell, on the 2d instant, at the shipyard of Mr. Charles Macdonald, a superior Brig of 245 tons, called the RONALDES—both these Vessels were built for Mr. Charles Macdonald.

BY GEORGE TWEEDY—

1 two-year old BULL, by 'Sweet Lad,' out of Col. Gray's half-bred Durham and Ayrshire Cow.

R AYER'S Cathartic Pills,

(*SUGAR COATED,*)

ARE MADE TO

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURG, PA., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the *liver* is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness,** and **Partial Blindness,** have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

PREPARED BY DR. J. C. AYER,

Practical and Analytical Chemist, Lowell, Mass.
