## ACCURACY in Small Watches

AS you reduce the size of a watch movement so you increase the care necessary in its making. Therefore, the small watch costs more to build, if it is made to keep accurate time and give dependable service.

There are many thousands of small watches made abroad, but now reposing in bureau drawers, useless to their owners because they were made at a price and not to keep time.

These are reasons why the Canadian citizen is discovering that a good watch must have the record of its maker behind it and his word to guarantee it.

The Waltham small watch is made with the utmost care and to exceedingly high standards of quality throughout. It is famous as a time-keeper and, with reasonable care, will last a lifetime.

Ask your jeweler to show you the exquisite and reliable Ladies' Wrist Watch illustrated above. He knows Waltham Watches.

GIFTS THAT LAST

Rev. D. M. McGowan, Dundas, Bridgetown came to the city yesterday accompanying his son David who has entered the P. E. I. Hospital for treatment.

Dr. Bagnall and Dr. Smallwood returned from Toronto Wednesday where they and Drs. Green and Leard were attending the largest dental convention ever held in Canada. Six hundred and sixty dentists registered.

At the graduation exercises, being held at the Royal College this week, Miss Amy Moyses, of Central Beque, takes highest standing in a graduating class of nineteen trained Dental Nurses, and is also the first P. E. Island girl to take that course.

## "CIVIL SERVICE" AT CARDIGAN

The B.I.S. Dramatic Club scored another success when they staged their play "Civil Service" to a packed house in Cardigan Wednesday evening. This play was staged in this city on March 16 and 17, and was a grand success. Last night it was equally as good, with a slight change in the cast, Miss Mae Brothers replacing Mrs. Cuddy in the role of Mrs. T. R. Jeffs, and she is to be congratulated upon the splendid showing she made. The Misses Arsenault were at their best last evening, while Miss Rose Ryan and Mr. Jos. Doyle took the house by storm in the parts of Birdie Bivins and Goldie Wex. Mr. McTague, as R.F.D. and Mr. Fred Duffy as Steve Audaine, had hard parts, and deserve credit for the splendid way in which they played their parts. Mr. Leigh Dingwell, as post office inspector, took his part nobly, while Mr. R. F. Maddigan as postmaster needs no introduction. Mr. Allan McCabe as Mr. Playv did splendid justice to his role. Mr. Courtland Hopkins, the director, who also played a part as Mr. Goldstein, a collector, is to be heartily congratulated upon the splendid success of his play, "Civil Service." Mr. Jos. Doyle, as business manager, was a wonder, leaving nothing undone to make it a success. Specialties between the acts were a solo by Mr. Fred Duffy, step-dance and song, Mr. Jos. Doyle, solo by Mr. Leigh Dingwell, all of which received hearty encores.

Miss Louise Arsenault, at the piano, assisted by Mr. John Connolly, on the violin, played between acts, and during the dramatic

scenes of the play, and are to be congratulated upon the capable manner in which they handled the music.

## Tea Shortage Higher Prices

In 1920 so much more tea was produced than required throughout the world, that the market dropped to a very low level. The situation was so serious for the growers that they agreed to reduce their production 20 per cent during 1921. Consumption, which had increased tremendously and the production of tea being curtailed, has resulted in the highest prices for tea in years. The recent reduction of your per cent per pound on tea tax in England has further stimulated consumption, which means that even higher prices may soon be expected.
