

Admitted To Bar Of P.E.I. Today

This morning at the Law Courts Building, D. Frank Sigsworth, a native of Charlottetown, will be admitted to the Prince Edward Island Bar, on transfer from the Bar of Nova Scotia, by Mr. Justice Tweedy of the Supreme Court of Prince Edward Island. His introduction will be made, and his petition for admission presented, by A. S. Haslam, Q.C. vice-president of the Law Society of Prince Edward Island.

MR. SIGSWORTH

Mr. Sigsworth received his early education at Queen's Square School and Prince of Wales College. He received his Bachelor's degrees in both Science and Arts from St. Dunstan's University, and entered the University of Montreal as a post-graduate student in the Faculty of Letters. He was awarded the Alphonse Literary Award for his work in literary criticism there, and received the degree Master of Arts magna cum laude, in Literature. While a student at the University of Montreal he was a member of the Faculty of Letters, Mathematics and Physics. He served a tour of duty as an Infantry officer in the Canadian Army, and accepted his release in the rank of Captain to begin the study of law.

Mr. Sigsworth studied law at Dalhousie University, where he held a Law School entrance scholarship, and, overseas, at the University of London, where he studied as an IODE post-graduate overseas scholar at the London School of Economics and Political Science. As a student at London University he was named an honorary fellow of the Royal Commonwealth Society in recognition of his academic achievements. While he was an IODE scholar he travelled extensively throughout continental Europe and North Africa. As a law student at Dalhousie, he was a member of the faculty of St. Mary's University, Halifax, where he lectured in English Literature. He was also lecturer in international affairs and world politics for the Bureau of Cur-

District Reaches United Fund Goal

A report from Robert Jardine, chairman of the Athena Region of the United Fund Campaign, has put this area over the top of its objective of \$2,600.00. The total reported to date by Mr. Jardine is \$2,779.75 an increase of \$790.00 over the amount collected in the same area last year. Two elementary school districts in this area are still to be heard from and they will undoubtedly put the Athena district up to an all-time high for support of voluntary health and welfare agencies. Mr. Jardine has been assisted in the organization of this area by two vice-chairmen Ennis Small of Miscouche and Leslie Waugh of Charlottetown. The public relations program was handled by Harold Leard of Central Bedouque. A host of captains and collectors

handled the house to house calls in the 21 elementary school districts that makeup the Athena Region. George Chandler, in making the announcement of Athena's success yesterday, said "Mr. Jardine had a difficult time getting going at the beginning of the campaign because of other matters demanding his attention, however, in spite of his late start, he has proved once again that this region can carry its fair share of the support of these worthwhile organizations." On behalf of the agencies he extended sincere thanks to all concerned.

The provincial total now stands at \$218,581.56 or 78 per cent of the objective of \$281,876 required for 1966.
