

the *Cadre*, but was discouraged to do so, as it would likely disqualify him from the race. Carlaw's advertisement would have

paid advertisement] or the editorial staff is a gross distortion of due process," he said. "It is a simple business transaction, and unless I am hate-mongering, there should not be any interference."

transaction perverts the democratic process."

The CRO did not comment on the debate.

To give every candidate equal opportunity, the *Cadre's* editorial staff decided to

g i v e candidates a 200 word space in the publication to be used to explain t h e i r platform. Still, Carlaw i s

"Do you want to make yourself the laughing stock on campus, or do you want to be serious about it?"

Presidential Candidate Tom Carlaw

still been in circulation past the period allowed for posting of campaign material.

Carlaw was extremely unimpressed.

"The Student Union having any sort of input into the process [of running a

Carlaw continued by adding that, "I have kept within the rules given to me and the ad is not in violation of those rules," he said. "To try to interpret it that way or to make it anything more than a simple business

dissatisfied.

He said it was unfair to ask candidates to explain their campaign as a condition of running it in the student newspaper. Despite this, Carlaw elected to use the space.
