Halifax Juniors Crush Abbies 11-1

Halifax Vaughan Friarries crushed Charlottetown Abbies 11-1 in the first game of the Nova Scotia - Prince Edward Island junior baseball playoffs at Memorial Field yesterday afternoon.

Second and third games in the best-of-three series are scheduled for Halifax this coming weekend.

The Friarries had far too much class for the homeboys yesterday. They hit the ball with real authority and fielded in extremely classy fashion.

Abbies, on the other hand, made their own mistakes. In an air fielding reached the home plate before the catcher could get down. They bobbled the ball on nine different occasions and made the game that much tougher for their little leaguer, George 'Lefty' Dunn.

Lefty went the distance to get the loss. He was touched for eleven hits by the powerful Nova Scotians. Dunn fanned seven and issued three bases on balls.

His opponent and the victor was John Dean. The Friarries' righthander held the Abbies to eight base knocks. Only two of the losers were strikeout victims and just one local made it to first by the free pass method.

The visitors garnered two hits in the first but couldn't score as Dunn worked his way out of a jam. The next inning, however, they score a pair without the benefit of a hit as the Abbies started bopping the ball around.

They added a singleton in the third, a pair in the fourth, two in the sixth and ninth and a lone marker in the seventh.
