Royals And Ramblers Play Big Game Here Tonight

The Charlottetown Royals will be making their bid for league leadership when they tangle with the Amherst Ramblers tonight at the Sports Arena in a regular scheduled game of the Maritime Senior Hockey League.

The Royals moved to within one point of the high-flying Ramblers by dumping the powerful squad 9-7 at Bailey Arena on Saturday evening.

The victory for the Royals on Saturday was their first in a long time and they seem to be shaking the slump that dumped them out of first place a few weeks ago. A win tonight would give the Royals a one point lead over the Ramblers and perhaps give them more confidence in themselves for the game coming up.

The Ramblers have been having trouble with the Royals most of the season and this has changed the whole hockey picture a lot. If the Royals were as easy for the Ramblers to defeat as the Summerside Aces then the Amherst squad would have a large lead on the rest of the field.

The Aces on the other hand seem to be able to upset the Royals almost every time they meet. In the last four games the two teams have played against each other the Aces have collected seven out of a possible eight points. The Royals picked up the other point by holding the Aces to a tie at the arena last week.

In basketball, the Charlottetown Trojans seem well on their way to another basketball title. With their victory over the Y. M. C. A. on Saturday, the Trojans have opened up a four point lead over St. Dunstons University.

The Trojans have one of the best scoring clubs seen here for poor antler growth. Dr. Severinghaus said, it is known food over their range has become depleted to the point that many animals starve during the winter.

Says Deer's Skull May Hold Death Warrant For The Herd

By GERALD FREEMAN
Canadian Press Staff Writer

MONTREAL (CP)—An American conservationist told a group of hunters and fishermen at the northeast wildlife conference Sunday how a deer's skull may hold a death warrant for its herd.

C. W. (Bill) Severinghaus of the New York state conservation department, described the principles of deer herd management to an open forum sponsored by the Eastern Townships Fish and Game Clubs Association.

A deer that has fed well for the first 1½ years of its life may have six-point antlers, he explained earlier in an interview with the help of jaw-bone and skull displays in his New York state booth at the conference's wildlife exhibition.

A deer that had poor winter foraging required the food of early spring for repairing wasted organs instead of for antler-building. Hence, he said, it may have only spike horns when 4½ years old. Ages are determined by teeth, not antlers.

After All It's Only Money

VANCOUVER (CP)—Promoter Earle Kalani said Friday arrangements are nearly complete for a light-heavyweight bout here Feb. 6 between Yvon Durelle of Bala, Ont., N.B., and Eddie Cotton of Seattle.

Kalani said Cotton wants to meet Durelle, Canadian light-heavy champion and contender for Archie Moore's world crown, but that he wants a guaranteed purse, not a percentage of the gate.

"We'll get all that straightened out in a hurry," Kalani said. "After all, it's only money."

MINOR HOCKEY

Following is today's minor hockey schedule.

11:00—Skate Notre Dame Girls.
4:00—5:00—Midgets—Ramblers vs Arrows.
6:00—7:00—Midgets—Darts vs Vics.

In addition to the latter two and Turner and Martinez, the NBA named George Barnes of Australia and Virgil Akins to the six-man elimination tourney.

Taylor did not explain how he plans to circumvent Akins and Barnes and get the National Boxing Association to sanction a Logar vs. Turner-Martinez winner as a world title bout.

Mays Signs With Giants For A Record \$65,000

By JACK STEVENSON
SAN FRANCISCO (AP)—Centerfielder Willie Mays signed a 1958 contract with the San Francisco Giants Monday at an estimated \$65,000 which makes him the highest salaried player in the baseball club's history.

Owner Horace Stoneham did not reveal the exact figure but said his pay surpasses that of Alvin Dark and Rogers Hornsby who previously topped the Giant salary list when the team was in New York.

"Willie had a good year in 1957 and he received a real substantial raise," Stoneham said.

Mays, 26, joined the Giants in 1951. In 1954, he led the National League in batting and paced New York to the world series' title. Last year, he hit .333, second only to Stan Musial of the St. Louis Cardinals in the league. Willie rapped out 195 hits, including 35 home runs, 26 doubles and 20 triples.

He became the only National League player to hit 20 or more homers, triples and doubles in a single season. His 38 stolen bases were the most in either league. A Giant official said Mays has been in the \$50,000 bracket the past couple of years. At \$65,000, he would be the highest paid Negro player in baseball.

Manager Bill Rigney, who attended the press conference along with Mays, Stoneham and other

Giant officials, said: "Last year he cracked balls—doubles, triples and homers—in typical Mays fashion. We're all looking for him to have a great year out here, too. This park will help him since he won't have to pull his hits so much."

Stoneham's statement, "This was the biggest contract we've ever signed," brought a big smile from Willie. Asked if he was happy with the deal, Mays said he was "very pleased."

Mays and his wife arrived in San Francisco last Friday to make this their permanent home. He and his wife have purchased a \$37,500 house.

The house purchase at first created a furor when the owner refused to sell because of the race. Later the deal was completed.

"We expect to move in soon," Willie said.

The speedy outfielder won the 1954 batting championship with .345 average and, in the world series, made one of baseball's great catches when he ran back to nab a 450-foot fly ball off the bat of Cleveland's Vic Wertz.

MOST VALUABLE MAN
Willie that year was voted the National League's most valuable player and athlete of the year in The Associated Press poll.

The next season he led in home runs with 51. His average fell off the following campaign as he boosted it back in 1957.

Willie refused to speculate what his average might be this coming season, first for the Giants in San Francisco.

Amherst Beats S' side Aces

Amherst Ramblers boosted their Maritime Senior Hockey League to three points Monday night with a 5-1 win over Summerside Aces, in Amherst last night.

Ramblers had a one-point margin over the second place Charlottetown Royals in the league standing prior to the game.

Boss and Jim Gouchie paced the Ramblers with a brace each. Bob Furze scored the fifth marker. The lone Summerside goal was scored by Howatt unassisted.
