THE TRUE Bermuda Easter Lily

(LILIUM FARRISH)

One of the grandest winter-flowering plants in cultivation.

Pure pearly white, deliciously fragrant and a remarkable profusion of bloom characterize this charming and celebrated Easter Lily. Its popularity and sales have increased wonderfully and deservedly for without exception, it is one of the most valuable bulbs for winter flowering had in a house. A profusion of bloom may be had from Christmas until spring, if a dibber be planted and "brought in" at frequent times. Bulbs after flowering can be cut and rested a couple of months in subholding water, and will then produce another crop of flowers frequently to the first. It is a magnificent variety for church decoration at Easter and tens of thousands are grown for this purpose. The flowers are pure white, 4 1/2 inches long (and frequently more) and of the most delicious fragrance.

A supply of the above just received

Miss Maloney is a most charming vocalist and her numbers will include classical and modern selections. Miss McLean's readings are always enjoyable. Professor Grant will give an excellent De Beriot number for his violin solo. The choruses are not unworthy of any programme, the soldiers' chorus from Faust being one. Next Tuesday evening.

Burke on the occasion of Bishop McDonald's visit to Sacred Heart Church, Alberton, on the 8th inst. Father Turbide made a most feeling reply.

On the trip down from Boston Mr. Cooke was presented with two addresses, one from the engineers department and the other from the officers department. A gold-headed cane accompanied the engineers address and a silk umbrella went with the officers address.

THE BIG BAZAAR.—There was a large attendance at the Cathedral Bazaar last evening, and everything passed off successfully. The decorations looked exceedingly pretty when the hall was lighted up, and all present were loud in their praise of the artistic arrangement. The different tables were well patronized. After the inspection Major Weeks entertained the Engineer corps at tea, and all had a good time. Among the articles on the variety table is a Spanish stiletto, a souvenir of the recent trouble between Spain and the United States, which was kindly presented by Mr. Louis McMurrough, formerly of Charlottetown, who assisted in raising the Maria Therese after she had been sunk by the United States warships. Mr. J. J. Gay has very kindly presented the bazaar committee with all the celery they may require. The playing of the League of the Cross Band last evening was a pleasing feature of the bazaar.
