FOUR NEW "FACTORY FINISHED" COLORS
The new Bedford is available either in prime as standard equipment, ready to be painted locally by your dealer in the color of your choice... or factory painted at slight extra cost in four attractive new colors... Mist Grey, Cherry Red, Fiord Blue or Honey Beige.

All these new features make Bedford the obvious answer to low cost delivery. The moment you start running a Bedford Van, costs come down and efficiency goes up. Sliding doors mean the driver can get in and out from either side - make deliveries in tight spots where other vans can't go. The rear doors open flush with the sides, giving much easier access to the loading platform. The new Bedford is simple to park and terrific in traffic (it has an incredibly small 34 foot turning circle). Find out just how much you'll save in initial and operating costs. Take a look at the New Look Bedford Van at your local Bedford dealer's soon.
