FLOUR MARKET.

Split in the Catholic League

Laflamme to be Unseated

The President of the Council.

Bank Failure.

CAUCHON GOING N. W.

(Special to the Daily Examiner.)

MONTREAL, June 11th.

Flour continues dull. Prices in the buyers favor:—

Superior Extra,	$8 45 to $8 60
Extra Superfine,	8 10 to 8 20
Fancy,	7 75 to 7 80
Spring Extra,	7 10 to 7 12
Superfine,	7 80 to 7 90
Strong Bakers',	7 70 to 7 55
Fine,	6 45 to 6 56
Middlings,	6 25 to 6 30
Pollards,	5 80 to 5 90
U. C. Bags per 100 lbs.,	0 00 to 0 00
City Bags do do	3 85 to 3 95

Provisions are declining. Freights firmer; there is not much offering.

There was a split in the Catholic league. The majority are in favor of supporting the Conservatives under the leadership of an Irish Canadian.

The new League is in favor of Government to be formed.

LaFlamme is certain to be unseated, and cannot remain Minister of Justice.

Ill health is the ostensible reason of Blake's taking the Presidency of the Council, but the real reason is: that he may practice his profession.

Cauchon forced the Government to give him the Inland Revenue Department, that he might control patronage.

McGregor Bros., Bankers, of Windsor, Ontario, failed. Liabilities $15,000. Molsons bank is interested.

It is probable that Cauchon will go to to the North West.

St. Ann was declared patron Saint of this Province by the Pope.

LONDON, June 9.—Details of the advance of the Russians upon Erzeroum state that three columns are now marching direct for that city and its capture is certain. The right wing sent forward a strong column from Olti. The army of investment at Kars which numbers about 200,000 men, have thrown a column forward down the valley of Arras, which menaces Erzeroum in front and severs all communication between the two cities. The extreme left forced the mountain passes at Toprak Kaleh, and is now about to form junction with the centre. Investment of Erzeroum will begin at once, if the place cannot be taken by storm; this can be determined only after the character of the defences have been investigated.

Alexandropole despatch says—All communication betweeu Kars and Erzeroum has been severed for some days.

Russians captured at Olten immense stores of corn and cartridges, and 4000 Turks fell back to Erzeroum without any serious fighting. Loss of provisions is grievous to Turkish soldiers in Asia.

Russians intend not only to occupy Bulgaria but have made arrangements for remaining, at the least, three years in the village of Adrinople.

Russian merchants in Baltic ports reported clearing wharves and warehouses by exporting all goods as fast as possible under apprehension of general prohibition of exportation.

It is reported that Mukhtar Pasha is cut off from Erzeroum and Kars. The latter place is on half rations.

LONDON, June 9.

The "Times" correspondent, who draws his information from official Montenegrin sources, telegraphs the following account of the recent operations, under date of Friday:—The Turks move in two columns, one going to the relief of Goransko, and the main force, under Suleman Pasha, to Kristag. The latter column attacked the entrenchments of Gen. Vukovics with great gallantry, but were repulsed, being driven back on the reserves. The third attack was also repulsed, the Turks taking up a position opposite Kristag, where they still remained when the last courier left. In spite of this alleged third repulse of the Turks, Gen. Vukovics fell back on his second line of Duga at three o'clock next morning, where he has not been molested. It appears that the Turkish loss in dead in this engagement is about 3,000. Six hundred were counted in the front entrenchments of one of the Montenegrin battalions. The other Turkish column going to Goransko was attacked by Gen. Socica, and was driven back to Muratovitza, where it was encampted at the latest information. As the defeat of this column would leave the rear of Suleiman Pasha exposed, it is probable that he will attack Gen. Socica before morning, or Gen. Vukovics again. Prince Nikita has sent reinforcements to the Montenegrins defeated at Kristag, and they have taken up a position at Prencisco, towards the end of the Duga Pass, in the direction of Nicsic, where probably another attempt will be made to stop Suleiman on his way to provision that place.
