

NEWS BY TELEGRAPH.

LONDON, Aug. 12. A force of 12,000 insurgents is concentrated near the difficult pass of Vranduk, to oppose the further advance of General Philipovich. Preparations for a desperate resistance to the Grand Duke of Wurtemberg is also being made at Djuljesoro.

ODESSA, Aug. 12. Sentence of death has been passed upon one Nihilist agitator, and four others have been condemned to hard labor. In the excitement which followed, the crowd fired upon the troops, wounding four. The fire was returned, and two rioters were killed.

LONDON, Aug. 12. A despatch from Nicossa, Cyprus, says that a portion of the Indian contingent is going home immediately. Their embarkation for India has already commenced. The health of Cyprus is not improved. The prevalence of typhoid fever appears more serious.

LONDON, Aug. 12. Clancy, the Fenian convicted in 1867 and sentenced to imprisonment for life, will be released on a ticket-of-leave on the 25th of September.

CONSTANTINOPLE, Aug. 11. Embarkation of 40,000 of the Imperial Guard for Russia commenced on Saturday. The withdrawal of the rest from San Stefano and neighborhood of Vallisoli will follow immediately, and the Turkish troops will occupy positions as evacuated.

ADVICES from the west coast of Africa state that a great mortality has prevailed there, particularly at Lagos, where nearly a quarter of the European population died of fever and dysentery during two months ending July 4th.

VIENNA, Aug. 12. The Politische Correspondenz announces that an uprising of Mahomedan Dan fanatics has occurred at Liono in Herzegovina. The Turkish commandant was killed. The troops made common cause with the insurgents and marched with them on Shoplie.

NICOLAEFF, Aug. 12. A Russian torpedo cutter exploded in the harbor to-day, killing thirty-four persons.

BOMBAY, Aug. 12. The Indian Government has received information confirming the report of the arrival of the Russian mission at Cabul with letters from the Czar. The mission was received with high honors. It is believed the Russians wish to establish themselves on the north-west of the Afghanistan. Their representatives at Cabul speak of their desire to open up a trade with Afghanistan. They will visit Uerat and the Western frontier.

An English mission, escorted by cavalry, will leave Peshawar for Cabul in September.

LONDON, Aug. 12. A Vienna despatch to the Times says official intelligence is received that insurgents are encountering the defile of Vranduk, where formidable resistance was expected, and are retreating to Sera jevo.

OTTAWA, Aug. 12. The Orange Young Britons' celebration here to-day caused several rows. At one time fears of a general riot existed. Ten arrests were made. The riot guards were ordered out, as it is feared that a disturbance will take place when Montreal Britons will leave for home late to-night. Twelve hundred Orangemen paraded in Toronto to-day. No disturbance reported there.

ARRESTS still continue to be made, and dense crowds occupy the streets. An immense number of men assembled at the Railway Station, presumably to prevent the Orange display and departure of the Montreal Young Britons. They did not turn up, however, but got out of town in small numbers by Beeling's bridge, where a special train took them away before the mob got wind of their change of route. The city is still very unquiet.

THERE was a large attendance at the moon-light excursion last night. The weather was splendid and those who were present passed a pleasant time.

JOHN MCKINNON, laborer was the only case before the Stipendiary Magistrate this forenoon. He was fined \$2 and costs or 8 days for being drunk and incapable.

KAY, a man sentenced to the St. John Penitentiary for life thirteen years ago, has been pardoned by the Dominion Government. He is about 60 years of age, and belongs to Westmoreland County, N. B.

THE ODD FELLOWS' festivities in Picton yesterday passed off very pleasantly. Nearly four hundred of the brethren took part in the procession. The excursionists who left this city on Monday, returned at 4 o'clock this morning.

THE rifle competition at Kensington Range was commenced to-day. There is a large attendance of competitors and spectators. The shooting is something better than heretofore, and if the weather remains fine there will be very close contests for all prizes.

THE PUMPS in the eastern section of this city, with the exception of the one at the corner of Prince and Grafton Streets, are all dry. The new pump committee should direct the immediate attention of the pump contractor to this, and if he cannot get water, let him at least, give them a good cleaning.

COUNTERFEIT \$2 notes of the Union Bank are still in circulation. Yesterday one of these notes was passed in the store of Mr. John McEachern, Merchant, Queen Street, and another in the store of Mr. S. W. McMurray. Both notes are exactly alike. They bear a very ancient appearance and have, no doubt, been in circulation for some time. The number on the face of the note is very uneven, and the word "two" on the back is almost a daub. Bank-tellers can readily detect them by their shoddy appearance and also by the quality of the paper.

WE are requested by the Clerk of the Stipendiary Magistrate's Court to correct a statement made by Councillor Hooper, at the City Council meeting, last evening. The Councillor stated—during his remarks on the reduction of the Police force—that the cases before the Magistrate's Court had decreased from twenty cases per day, at the time the increase of Policemen was made to twenty per month, at the present time. This is entirely incorrect. The Clerk informs us that he never remembers seeing 20 cases before the Court in one day; and that since October last, the average number of police cases before the Court is eighty per month, besides cases of summons on private complaint, which average about thirty per month.

ALL the great professional single scullers of America met at Barrie, Ont., on Monday last to take part in the regatta. There were ten entries for the single scull race: Hanlon, Ross, Ed. Ross, Morris, Elliot, Plaisted, Hosmer, McKee, Coulter and Luther. After the men were got into line with some trouble they were started by a gun shot, Wallace Ross, Plaisted and Elliot taking the lead, followed hard by Hanlon, Luther and Hosmer, the rest being well up for a time. Ross then won the lead all to himself, showing staying power and compelling Plaisted and Elliot to moderate their speed. He pulled 38 to the minute, Plaisted and Hosmer 36, and Hanlan (who was still behind) 36. At the half mile, Ross still led with a strong stroke, with Plaisted second and Hanlon third, while Hosmer was close to him, Luther fifth and Edward Ross about giving up. At the three quarter post Ross was one length ahead of Hanlan, who was now second, and both were pulling 32, at the mile the positions were similar. Ross steered out of his course, and in turning Hanlan overhauled him, and led from the buoy and finished six lengths ahead, Ross second and Hosmer third.

COAL! COAL!

150 TONS NUT & ROUND COAL, cheap from Shed, by W. W. CLARKE, Agent. Head Lord's Wharf, Charlottetown, June 24.

SYDNEY COAL.

REDUCTION IN PRICE!

NOTICE TO THE PUBLIC!

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been

Reduced to \$2 per ton of 2240 lbs., a price which it is hoped will place it within the reach of all consumers.

The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.

It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.

The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coal as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who only make them of the STANDARD character of SYDNEY COAL.

It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.

Every vessel loaded at THE SYDNEY MINES is furnished with a certificate of the cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.

The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
