A Sprained Ankle. A false step, a fall or a sudden wrench is very often the cause of that painful straining of the fibrous tissue commonly known as sprain. The ankle is, as a rule, the victimized member, and many are the tedious hours for which the careless dispenser of orange peel can be held accountable.

The Exception. "Durn you and your old grocery!" shouted a man who backed up against the fresh paint. "Didn't you see that sign, 'Fresh Paint'?" asked the grocer. "Of course I did, but I've seen so many signs hung out here announcing something fresh that wasn't that I didn't believe it."—Indianapolis Journal.

Ourselves and Others. "It's remarkable," said Senator Sorghum, "how differently people are affected by the same thing."

Too Much For the Barrister. Counsel for the defense had pleaded with such earnest and pathetic eloquence on behalf of his client, who stood charged with pocket picking, that the audience was moved to tears, and the prisoner himself was rubbing his eyes with a silk handkerchief.

A Queer Old Geography. Among the interesting old books and papers belonging to the late Edward W. Wells of this city was a geography that lets in some light on the state of general information in the world a century and a half ago.

It is interesting to note that this work that is more than a century and a half old should advocate quite vigorously the construction of canals across the Panama and Suez isthmuses.—Hartford Courant.

Gladstone Fooled Them. On one occasion two gentlemen, invited as guests at a table where Mr. Gladstone was expected, made a wager that they would start a conversation on a subject about which even Mr. Gladstone would know nothing.

Old Geronimo Still Lively. Old Geronimo, chief of the Apaches, is the most noted Indian of the wild tribes of North America. He is 90 years of age and as straight as an arrow.

It Depends. Dr. Johnson was once consulted by an old lady on the degree of wickedness to be attached to her son's robbing an orchard.

Persons bitten by the tiger snake of Australia die almost instantly, there being no known antidote for the bite of this reptile.

She Knew. "No," she said, "you don't really love me."

"Yes, I swear I do," he protested. "I love you with all my soul. I would ask you to be my wife tomorrow if I were properly situated."

But his plea was useless. She had studied human nature and knew that when a man is really in love he doesn't stop to consider whether he can afford to marry or not.—Cleveland Leader.

A Curious Fact

It is really remarkable the number of cheap plated watch cases that are made and sold these days—cases that will wear anywhere from six weeks to three years, and most of them containing a guarantee warranting them to wear for 20 years.

I sell gold filled cases, cases that have stood the test of years, and personally guarantee every case that I sell in addition to the manufacturer's warrant. I have some of the latest and most desirable patterns in stock, also silver. Any make of movement you want.
