ful remonstrance made to him by us, to resign those appointments, we cannot but feel that we should be wanting in our duty to you, and unworthy of the high compliment His Excellency the Lieutenant Governor has been pleased, through you, to convey to us, by stating his readiness to restore us to our former positions in the Commision of the Peace, were we to do otherwise than express our willingness to accede to your request.

We have the honor to be,
Gentlemen,
Your obedient Servants,
Thos. B. Tremain,
Samuel Nelson,
J. Hamilton Gray,
J. Lyall,
Theoph. Desbrisay,
Robert Hutchinson,
James D. Haszard,
John Morris,
John M. Holl,
Charles Haszard.

To James Peake, Esquire,
and others.

Charlottetown, 7th July, 1854.

Sir;

We have the honor to acknowledge receipt of your communication of the 6th inst. and we have now the pleasure to acquaint you, for the information of His Excellency the Lieutenant Governor, that we have this day received an assurance from the Gentlemen referred to therein, of their willingness to accede to our wishes, as expressed in our memorial to His Excellency of the 26th ultimo.

We have the honor to be, Sir,
Your obedient servants,
(Signed on behalf of the memorialists)
JAMES PEAKE.

The Honorable
Francis Longworth,
Colonial Secretary.

In the Royal Gazette of the 11th July, appeared the following announcement:—

Secretary's Office, 7th July, 1854.

His Excellency the Lieutenant Governor has been pleased to restore the names of the following Gentlemen to the Commission of the Peace:—

John M. Holl,
John H. Gray,
Donald McDonald,
James D. Haszard,
Charles Haszard,
Thomas Boggs Tremain,
Theophilus Desbrisay,
John Morris,
Robert Hutchinson,
Samuel Nelson,
John Lyall.

By Command,
FRANCIS LONGWORTH, Col. Sec'y.

The Colonial Mail arrived last night, the following are the only items of news we notice:

Fredericton has again been visited with a most disastrous fire. It broke out early yesterday morning in the work shop of Mr. Wiley, cabinet maker, and spread with frightful rapidity until the greater part of three blocks, between King Street and the River, and north of the Temperance Hall, were entirely consumed.—It is stated that there were 75 buildings destroyed, and of course much other valuable property. Very little insurance.

It is confidently stated, that Sir Edmund Head is about to be raised to the Peerage, and succeed Lord Elgin, as Governor General of British North America.

William H. Draper, Esq., one of the Puisne Judges of Canada West, Robert Balden, Esq., and Edward Campbell, Esq., of Canada, have been appointed by the Queen to be ordinary members of the Civil Division of the third class or companions of the most honourable Order of the Bath.

There is a falling off of £812,000 on the quarter's revenue, and half a million on the year. Kossuth addressed a large meeting at Glasgow on the 5th; resolution adopted to petition the Crown for re-establishment of Poland.

Letters from Italy say that alliance of Austria with France and England has greatly damped the prospects of the revolutionary party in Lombardy and the Roman States.

Ship News.

On the night of Wednesday, the 12th inst., at 11 o'clock, the Schooner "Speed," of P. E. Island, Angus McDonald, Master, while off Cape North, Cape Breton, on a voyage from Arichat to Burges Islands, Newfoundland, with a general cargo of Merchandize, was run down by a Ship unknown. The night being quite thick and foggy, and the ship having no light, she was not seen until the collision. She appears not to have seen the Schooner's light, but struck her forward, completely cutting her down, killing the Cook who was below in his birth—the Master, Crew and Supercargo,—six Souls—had barely time to escape in a small boat when the Schooner immediately went down. The Ship passed on and took no notice of the catastrophe whatever. The survivors made the Magdalen Islands, the residence of John F. Muncy, Esq., on Friday, in a destitute and starving condition. Mr. Muncy, kindly afforded them every assistance, and having procured his own Schooner conveyed them to their homes on this Island, where they arrived on Friday last. They state that had it not been for Mr. M's humane assistance they must have perished, as they had been refused assistance by others, from the scarcity of provisions, and as they had no means of getting away from the Magdalen Islands, their situation was rendered perilous. The Speed was owned by Michael Campion, Esq.

Married,

At Charlottetown, on Tuesday the 18th inst., by Rev. W. Snodgrass, Mr. Malcolm McLean, to Miss Margaret McPherson, both of Murray Harbour Road.

At Searltown, P. E. I., on Monday 17th July, inst., by John Wright, Esq., J. P., Mr. Samuel Hiram Truman, second son of the late Thompson Truman, Esq., of Westmoreland County, New Brunswick, to Miss Triphena, third daughter of Joseph Black, Esq.

The body of a man unknown, very much decomposed and mutilated, was found near Point Prim, having been apparently, a length of time in the water.

An ounce of fact is worth a pound of theory: and the swarm of conclusive facts that cluster around that incomparable preparation, Hoofland's German Bitters, prepared by Dr. C. M. Jackson, Philadelphia, establishing its value as a tonic and restorative, are such as would prevent incredulity itself from questioning its efficacy. In all cases of disease of the stomach, whether acute or chronic, it may be recommended for its soothing, cordial, and renovating influence. Dyspepsia, heartburn, loss of appetite, nausea, nervous tremors, relaxation and debility, &c., are relieved by the Bitters in a very short space of time; and a perseverance in their use never fails to work a thorough cure.

ROSS' ARTIFICIAL SLATE.

Truro, Nov. 5, 1853.

To John Ross, Esquire, Patentee of Artificial & Metallic Paints.

Sir,

We the Subscribers, House Joiners and Painters, by trade, having been using your "Artificial Slate" for upwards of three years deem it a pleasing duty to express our opinion, that this composition far exceeds any other paint for covering the Roofs of Houses,—apart from its *fire proof* quality its value for protecting wood from the decaying influence of the weather is exceedingly important. We know of many buildings covered with *sawed* shingles painted with Artificial Slate, which have stood the test of summer heat and winter cold, which are now as smooth, as when first laid—the whole roof appears to be *cemented* together, impervious to moisture and consequently not subject to decay.

We regard the application of "Artificial Slate" to *sawed* shingles as a matter of great economic value, and feel desirous that it should be generally known that *sawed* shingles so covered are superior in point of finish and durabillity, to those split and shaved—We are sir, yours, &c.

CHANCE TO MAKE MONEY

The SUBSCRIBER intending in a few weeks to remove out of this Island, offers to sell at moderate rates, the following freehold property's, viz:—

A small Farm at Seven Mile Bay, Lot 27. An inclosed Farm of 50 Acres, with a House, with or without the Saw Mill, and the water privileges (formerly Maxfields Mill) Lot 25. Also 82 acres oj Land on the same Lot, near McMurdies. 300 acres on Lot No. 8, 450 acres at 15 Point, and fourteen Town Lots at Sommerside, also a 10 acre Wood Lot at same place, also the Leasehold of the Farm, House and Stores at Indian River, formerly occupied by Mr. P. Power. Should the above Properties remain unsold untill Tuesday the 25 day of this month, they will be offered at Auction at Summerside, notice of which will be given in Hand Bills.

J. WEATHERBIE.

Charlottetown, July 8th, 1854.

Valuable Property for Sale.

To BE SOLD, by Private Contract, a valuable FREEHOLD PROPERTY, on which the owner, the Rev. C. Lloyd, now resides. It is situated eight miles from Charlottetown, on the Princetown Road, at Milton; and comprises 273 acres, of which one hundred are in high cultivation, and about 50 more in new pasturage, nearly ready for the plough; the rest is in green wood. There is an excellent Residence ready for immediate occupation of a gentleman's family. It is as good as new, favorably placed as regards the Farm, with a fine prospect, and combining the usual requisites for comfort with convenience. There is a pump well of unfailing water at the back door.

The Farm Buildings are sufficient for all purposes, on a well conducted system of Agriculture, and contain an effective Threshing Machine. The Land is chiefly fenced with Posts and Rails, and is so well circumstanced with water, as to admit of it being all used in Pasture, if desired, although the most of it is high lying ground.

To a practical Agriculturist, the above Property would now furnish the means of obtaining a livelihood, as considerable sums have been expended to make it productive, while to others, should Property in the neighbourhood of Charlottetown, increase in value, it would prove a profitable investment of money. For terms or farther particulars, apply to the owner, the Rev. C. Lloyd, Milton, by Post, or on the Premises.
