Why wait for spring?

The wise ones take advantage of winter. Skilled men are more readily available in the wintertime - ready to do your repairs and renovations when you want them. Materials are in generous supply too, and your renovation budget will often go further in winter, thanks to off-season discounts and extended payment plans.

You can borrow up to \$4,000 with up to ten years to repay, at low interest rates, with a government-sponsored FHA Home Improvement Loan from your bank. If you're the owner of a small business, then you may take advantage of special Small Business loans available at your bank.

bank, and farmers can qualify for up to \$15,000 with ten years to repay with a Farm Improvement Loan. So you see, there are a whole lot of very good reasons why you should have that work done around your home or place of business during the winter. Do it now!
