We're starting something here in the Maritimes... and we're proud of it!

Every year, more and more Maritimers cross the Atlantic for holidays in Britain and Europe. This year, Air Canada is proud to offer Maritimers a DC-8 jet flight that originates in Halifax and flies weekly to Glasgow and on to London, gateway to all Europe. This means a better trans-

Atlantic service with more seats available for your convenience. You might call it the Maritimes' own jet to Britain. We'll be introducing this new flight on April 28th, with the pride that comes of knowing—"we're growing with the Atlantic Provinces".

This spring and summer, Air Canada will offer a total of 3 jet flights a week to Britain, direct from Halifax. Plan your trip with your Travel Agent.
