teeth and leaped at Jerry. Jerry made no attempt to run. He drew back his own lips to bare his own cutting teeth, and the young Fox got the most unpleasant surprise of his life. He had expected Jerry to turn and try to run. Instead those big yellow teeth of Jerry's had caught him by one shoulder, and they made him yelp. Right away there was a fight in that cornfield. Jerry was very much bigger, but Jerry was older, and knew more about fighting. Over and over they rolled on the ground among the cornstalks, growling, snarling, squealing, biting, kicking, and tearing each other's coats. That fight didn't last long. It wasn't Jerry who quit. It was the young Fox who finally limped away whimpering, and stopping now and then to lick his wounds.

Poppy Campaign To Open Monday

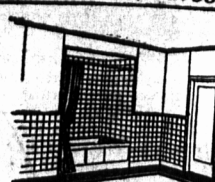

The Canadian Legion Poppy Campaign will open Monday, Oct. 19. Campaign headquarters will be at the Legion Home and the sale of wreaths by members of the Legion Auxiliary, headed by Mrs. J. T. Davies will begin that day. This year will see a window display at Rogers Hardware Ltd., showing the new designs of wreaths and sprays which will be on sale. The Legion wishes to inform the public that due to a rise in the cost of material and wages paid in the manufacture of wreaths, etc., the price this year will be slightly higher than in previous years. However, they would again stress the fact that all monies over and above the cost of the wreaths, plus a small cost of administration will go to the relief of needy veterans and their families, residing in our city. The committee in charge of the campaign are hopeful that this year will be one of the most successful to date.
