DOWN THE BACK STRETCH

In the summaries of the racing at Dufferin Park in December, we notice where Daniel Hal Scott by Norman Scott 2.07, owned and driven by F. Milton, Hamburg, N. Y., won the second heat of the B. Pace, a mile and one-sixteenth, in 2.30 over a slow track. This is the pacer that our friend Herb Wisener, Pictou, N. S., bought shortly after that race. He has a record of 2.10 1/5 and is now six years old and is eligible to the 2.19 pace. He looks to be a good stablemate for May S. Grattan, also owned by Mr. Wisener, that won ten firsts last season and took a record of 2.12 1/5.

Clayton MacLeod, well known owner, trainer, driver of Westville, N. S., is offering for sale the five-year-old pacing gelding Deerfield, by King's Counsel 1.58, dam, Alta Direct 2nd 2.04, by Merry Direct 2.02. The breeding is exceptional. King's Counsel is now regarded as one of the great sires of the United States and Alta Direct is a full sister of the pacer Winnipeg, that Sep Palin marked in 1.57 and his sire was Merry Direct 2.02, one of the most outstanding pacing sires that western Canada ever had. Deerfield was the winner of four dashes last season and lowered his record to 2.13 2/5.

Owing to the death of her husband, we understand that Mrs. F. P. Mann, Lewisville, N. B., intends selling her horses. These include some work horses, a couple of stallions and the young mare Rhapsody Scott, also Sampson Royal. These were personally selected by the late Mr. Mann, who was an extremely good judge of horses and no doubt they will find ready buyers.

Ivan Taylor, Moncton, owner of Wayne S. Grattan 2.15 2/5, writes us that Moncton's old standbys in the racing game, Messrs. Wilbur, Cormier and Donovan, have acquired new horses and they all hope that there will be more opportunities to race in Moncton and vicinity. Quoting from his letter - - - "I had a pleasant time on the Island last summer. The boys at Summerside where I did most of my racing with Wayne S. Grattan, were grand and the racing was good. I did not have speed enough but the racing was clean and fair. I would like to know is it going to be possible for us fellows that have older horses to be able to race those that have reached the age limit? I know that in many cases they should be put to pasture but there are others that have good racing left in them.

Looking over Wayne S. Grattan's card we find that he won at Summerside with Mr. Taylor driving, in 2.19 2/5 July 4th, and September 12th at the same track he was 1-1 in 2.15 2/5, which equalled his record and is quite a tribute to Mr. Taylor's horsemanship. On June 24th at Moncton he had also won in 2.21. Wayne, according to the Year Book, has another year to race before the age limit catches up with him. Be 15 years old and over horses, the rules do not permit their racing except in Matinees in 1954 and after.

Through the thoughtfulness of Colonel James Calkin, Woodstock, we have the following: "Al Langille, assisted by his son Al M., has arrived at Island Park with seven head including the new fast record pacer, Sep Hanover 2.03, a seven-year-old brown stallion by Scotland 1.59 1/4, purchased at the Harrisburg sale last fall; Ableway 2.09 4/5, also a new purchase now six years old, and the well known performers Royal Jr. 2.01 1/4, now fourteen and improving every eyar, Pure Gold 2.07 3/5, Just Lucky 2.11 3/5, Princess Tina 2.14 1/5 and Top Royal 2.13 1/5.

"Bob Hamilton has loaned us a 1939 program of the Skowhegan races in which the Free-For-All is most interesting as it included three great pacers, Little Pat 1.58 3/4, who was the straight heat winner, Dusty Hanover 2.00 3/4, who stood 3-2-2 and The Widower 1.59 1/2, who was 2-3-3. The first mile was in 2.03 with the half in 58 3/4 seconds and the last quarter in 29; the second mile was in 2.02 1/2 with the last in 59; the third mile being in 2.05, last half 58 and last quarter in 28 seconds. Some time over a half-mile track. The purse was $1500. The drivers in the order of the above horses were Harry Short, Henry Clukey and Charlie Flemming." All three still going strong! !

And here's a letter from our old friend James L. Read, Truro. - - - "From what racing I have seen during 1953 and reports in the papers from time to time, I think all races have been well conducted and that classification was good and all drivers very anxious to win. With our Maritime owned horses, particularly the young ones coming along and the several new horses brought in from the U. S. A. and elsewhere, we should have another year's good racing. Re the new ones, I have looked them over and it is not to be expected that those who fast speedways can better them on our raceways, good though they are. Then there is the difference in our air, which is heavier. In that respect our own bred horses may have an advantage and I notice your P. E. I. horses sold to Maine and elsewhere have in most cases, won from United States horses and reduced their marks.

I am extremely glad that the stallion Watchim 2.06 is now at George Callbeck's farm and will be available to breeders. I congratulate you on your Maritime Harness Racing Review which I have read from beginning to end and I consider it very nice indeed of the Charlottetown Driving Park, Truro Raceway, Summerside Raceway, Cape Breton Turf Club, Woodstock Raceway and many other to wish all horsemen and harness racing followers a Happy New Year." Thanks very much, Jim, for so kindly remembering us.

In Mary Louise McGregor's write-up of trainers and horses at Orlando, Florida, in the latest issue of The Horseman is the following: The Poplar Hill Farm Stable, Lexington, Ky., is at winter quarters in the centerfield of Ben White Raceway, Orlando, Florida. Al Winger is in charge of the 13 horses with Tom Scoville again serving as his assistant. There are seven aged horses headed by the speedy Poplar Dell 1.59, also Beware 2, 2.15 1/2, Poplar Veep 2, 2.07 2/5, Humming Byrd 2, 2.04 3/5, Scotch Byrd 2, 2.03 1/5, also six two-year-olds - - - We are glad to see our young Maritime trainer Tom Scoville receiving such recognition and being attached to such a very fine stable as Poplar Hill Farm.

Billy Haughton has the second largest stable at Orlando and it totals 66 including the recently purchased Abbasong 3, 2.04 1/5 Ankaway 2.01 3/5, Bertram Hanover 3, 2.05, Black Hanover 2, 2.06, Buffalo Street 2.07, Carmel Boy 2.05 2/5, David Caudle 2, 2.03 1/5, Dynamic Hal 2.05 3/5, Emerson Hanover 2.05, Tyler Hanover 2.04 4/5, Faber Hanover 3, 2.02 4/5, which was purchased for $15,000 at Harrisburg. Floreta 2.05 and others make up the 66. Reading the list and noticing that there is practically an owner for every horse listed it occurred to us that Billy Haughton must have an excellent secretarial staff to keep track of his accounts, workouts and reports to owners. This season Billy was the top reinsman of the world, winning 116 dashes and $374,527 with his stable. Prac-

Curling observers such as Hon. Thane A. Campbell, Chief Justice of the Province and J. Finlay MacLeod of Charlottetown have rated this year's Confederation Bonspiel at the Charlottetown Curling Club one of the best. On Thursday night they expressed the belief that it exceeded all other Confederation Bonspiel's the standpoint of competition and interest with the possible exception of the opener eight years ago. This covers a lot of territory and speaks put into the organization of this well for the efforts that have been year's Bonspiel.

Throughout the week there have been some very fine exhibitions of curling. There was strong competition most of the way and in a number of cases the trophy winners were decided in extra ends or in the final end. The Bonspiel is comprised of two sections with each section being a three day affair. This, we believe, creates more interest and finer competition. For those who can't afford three days away from home or business there is a one day competition.

• • •

The men held the spotlight during the first part of the week and at the end of the first section it was a Moncton rink skipped by Jim Vance which emerged as the champions of Bonspiel. Yesterday and today its mixed curling for the beautiful Bill Dunham Trophy which is up for competition this year for the first time. A word on the Bonspiel would not be complete without mention of the secretary and the games committee men who d omost of the work and little of the curling. The secretary is J Finlay MacLeod and the men who schedule the games and tabulate the results are Warren Lord and George Hawkins. They have been most helpful to us and have made coverage of the Bonspiel an easy and pleasant job.

As expected Tommy Gorman is going to take Claude Robert back to the Ottawa Senators. There have been rumors to this efect in the Ottawa newspaper for the past two weeks. Ever since the Senators started to hit the skids in the Q. H. L. The Ottawa newspapermen have been mentioning Robert's name in conection with a recall. When Ottawa won two games over the week-end the rumors were squashed for a time. but when the Senators suffered a 3-0 defeat Gorman must have made up his mind that he needed more scoring power

The Glace Bay Miners were handled by Hughie Campbell last night as coach Don Penniston remained in Glace Bay to conclude deals for two forwards. Campbell stated that the Miners were getting two good men and he thought that Penniston might have landed them last night. They will be needed to replace Kenny Watson and Tommy Fyles. Watson will be out for some time with torn ligaments in his knee while Fyles is sidelined for ten weeks with a broken arm Campbell reported that the Fyles' injury was of the freak variety. He was blocked by Andy MacCallum and broke his arm when he struck the ice.

Islanders In Third Place With Overtime Win Against Glace Bay

The Charlottetown Islanders took over sole possession of third place in the Maritime Major Hockey League last night by edging the Glace Bay Miners 6-5 on an overtime goal by Vip Palladino.

Palladino took Buck Whitlock's pass at the Glace Bay blueline and streaked into the clear to backhand a 10 foot shot through goalie Cliff Hicks' pads after two minutes and forty seconds of overtime.

The goal saved a hard fought game by the Islanders and wiped out the Miners hopes for a victory after the visitors had fought back from a two goal deficit in the third period to knot the count at 5-5.

Big Hughie Campbell, coaching in the absence of Don Penniston who stayed in Glace Bay on business, scored twice for the Miners in the third period His second goal came with only nine seconds of regulation time remaining as the Miners played with six forwards.

The Islanders were playing without defenseman Don MacLaughlin, sidelined with a head injury, and Claude Robert who has been recalled to the Ottawa Senators. The Miners played without forward Tommy Fyles.

Roy "Buck" Whitlock paced the Islanders attack with two goals and two assists. Bullet Bob Gray, playing back on defense, scored two goals on blueline drives while Guy Gignac and Palladino fired the other two goals.

The Miners marksmen were Kevin Rochford, Norman Connolly, Treen and Campbell.

The line of Whitlock, Palladino and Gignac lead the Islanders attack as they came up with another strong two way performance. Gus Gustaveson turned in a fine defensive game.

The teams went into the third period with the score tied at 3-3. The Islanders jumped into a 5-3 lead within three minutes on goals by Gignac and Gray. At the 7.47 mark Campbell broke away to draw Bessette and make the score 5-4.

From then until the end of the contest Roger Bessette turned in a brilliant game as the Miners strove to score the equalizer. Bessette handled nine shots in the last 13 minutes and many of them were from point blank range.

Tempers flared in the last session. Carver and Miller were chased with majors for a punching duel along the boards at the 13.03 mark. Whyte drew a misconduct at the same time when he picked a fan off the ice surface and lifted him head first over the boards.

One minute later Copper Letye and Palladino drew minors for a spirited high sticking duel in the south end of the rink. A couple of fans in the front row of the balcony got into this act when they held Hughie Campbell's stick.

Larry Blackburn was chased for an interference penalty at the 18.16 mark. It was a call which the Islanders protested vigorously. The play was blown down in the Islanders end and when play was resumed the Miners had drawn goalie Hicks in favor of six attackers.

The play almost backfired. Gustaveson blocked a drive by Treen and regained possession of the puck. He shot it towards the open Glace Bay net but it missed the post by about half an inch.

Hicks returned to his net when the Miners forced a face-off in their own end. About 30 seconds later Palladino had a breakaway but the puck rolled off his stick as he went to deke Hicks.

Again the Miners forced a face-off in the Islanders end with only ten seconds left. Copper Leyte got the draw and Campbell drilled a slap shot into the top left hand corner to tie the score.

Carver had a brilliant chance to score one minute after overtime started but Hicks blocked his shot with a sliding save. The play was forced down to the Islanders end. The Miners tried to centre the puck back to the blueline but Whitlock intercepted to break out with Palladino. There was only one Miner back. Whitlock put Palladino in the clear and Vip made no mistake as he deposited the puck in the left hand corner.

Trainor had the Islanders first good scoring chance of the game when he backhanded a pass-out from Saindon after nearly six minutes of play.

Rochford put the Miners ahead 1-0 by converting Lumley's goal mouth pass. Whitlock squared matters with a goal from 20 feet out to finish off a pretty play with Pallandino and Gignac.

Less than two minutes later Connolly broke away to draw Bessette and put the visitors ahead 2-1. The Islanders got back on evening footing again when Gray drilled home an ankle high shot from the blueline after taking passes from Carver and Trainor. The puck glanced off a Glace Bay players stick into the net.

Whitlock closed out the scoring for the period by banging in Blackburn's rebound.

In the second period Bessette came up with good stops off Brown, Needham and Campbell before Treen connected on a screened drive from the blueline at the 18 minute mark.

Gignac put the Islanders ahead 4-3 after 57 seconds of play in the third period. He took a pass from Palladino and cut across in front of the net to backhand the puck into the corner.

Bob Gray put the Islanders two goals ahead less than two minutes later when he backhanded a 50 foot shot into the twines on a play with Carver and Trainor.

The Miners lost centreman Kenny Watson in the second period when he was checked by Gustaveson. Watson suffered a twisted knee.

Robert Recalled; Don Busch To Join Islanders

Forward Claude Robert left here yesterday afternoon for Ottawa to rejoin the Senators after being recalled by Tommy Gorman. Robert is scheduled to play with the Senators tonight in Ottawa.

Robert is being recalled because of injuries on the Ottawa club. Among the players injured are Howie Riopelle, who was slated for the Islanders this week, and Al Kuntz.

In a telegram to the Islanders yesterday Gorman stated he was sending Don Busch, a defenseman from New Westminster to the Charlottetown Club. Busch has seen service as a rearguard with New Haven.

Apparently Busch is more highly rated than Bill Matthew who played with Sydney Millionaires earlier this season. Matthew started the year with New Westminster but was released shortly after the season opened. He has been called up to Hershey since then.

The Islanders will forward transportation to Busch immediately.

Minor League Hockey Games

Two Bantam League games were played at the Rotary rink yesterday. The Flyers defeated the Bruins 5-3 while the Hawks played to a 2-2 draw with the Braves.

Achie MacFadyen scored two goals for the Flyers while single goals were scored by K. Downe, G Vail and A. MacCallum. The Bruins marksmen were Bruce MacDonald and Arsenault. Billy Mulligan assisted by brother Vince scored twice for the Hawks. Flack got both goals for the Braves.

TEACHER WANTED FOR WARren Grove for balance of term, New school, electricity, oil heated. $600 yearly supplement. Ernest Ladner, North River.

The first real snowstorm of the season began on Tuesday morning and gathered momentum as the day advanced. The probs on Monday indicated 'snow flurries and colder'. I had my own idea of what the morrow would bring forth regardless of what the Weather Man predicted. Late in the afternoon I checked a beaver dam back in the middle of nowhere. I sensed a storm brewing that would be out of the ordinary.

The spruce thickets, chill and brooding beneath a leaden sky, were hushed in breathless expectancy. Not a sign of life in a world of shadows and quietude where creatures of the wild lived in abundance. The North Wind's breath carried an ominious message that tingled one's cheeks and frost crystalled pellets of snow twinkled earthward through the maze of greenery. Snow spiralled across the ice in spume like drifts and sentinel ram-pikes, mysterious and dim in the haze of approaching night, accentuated the cold and desolation of the winter scene. It did not require great imagination to picture the dead and ghostly snags brooding on the days, before the advent of the water that sapped their vitality and life, when their world was green beautiful.
