Build Up.

When the system is run down, a person becomes an easy prey to Consumption or Scrofula. Many valuable lives are saved by using Scott's Emulsion as soon as a decline in health is observed.

Bryon McKeown, first baseman and owner of the Washington baseball club, Interstate League, is a son of a millionaire oil man, was left an income of \$1,500 per month. McKeown two months ago declared he would run a club at Washington if he had to pay all expenses. A team seems to cost more than he expected, and the millionaire first baseman is ready to quit.

COMMENDABLE PROMPTITUDE.

A Resident of St. John, N. B., Makes a Successful Trial of Dodd's Kidney Pills.

St. John, N. B., Aug. 3.—Mr. Robert Moore, residing in Indiantown, a suburb of this city, has recently made what is allowed by all who are acquainted with the facts to be a most remarkable recovery. He has been a sufferer from a serious complaint of the kidneys for over seven years, and during that time has suffered excruciatingly. He has also suffered considerably in pocket, having paid large sums for medical advice. Quite recently he happened to read of the many cures effected by Dodd's Kidney Pills, and with a commendable promptitude made a trial of them, with the result that after taking three boxes of the remedy he was entirely restored to health.
