He was an electrician by trade and also accomplished in the related fields of motor mechanics and plumbing, and serviced appliances in every Georgetown home. In this field alone he will be greatly missed.

In the years following the First Great War he was regarded as one of the best hockey players in Kings County.

He leaves to mourn, his widow, the former Cecilia Doiron, formerly of Rustico; and six children, Rose Marie, Francis, Gerard, Jeanne, Melva and Penny Lee, all at home; one brother, Angus, also of Georgetown, and two sisters, Rose, and Florence, Mrs. Jack Monet, both of New York City.

NEW YORK (AP)—The stock market milled inconclusively Friday in another session of consolidation following its latest climb to new highs. Trading was active.

Selective demand for a scattered of blue chips seemed to reflect a continuation of investment buying. Meanwhile, most of the standard "glamour" issues which have run up big gains this year made minor movements, considering their high prices.

The Dow Jones industrial average edged off .13 at 740.13.

The Associated Press average of 60 stocks eased .1 to 280.5.
