WHAT A FARMER WANTS.

A farmer wants a stable mind,
A purpose sure and steady,
To patient industry inclined—
For business always ready.

Good careful habits well infixed,
A judgment acting clearly,
To sift out truths with error mixed,
Though it should cost him dearly.

He wants a penetrating eye,
That he may quick discover,
If any business goes awry,
That he's presiding over.

He wants a mind that's wide awake,
A quickness of invention,
Abounding much in thoughtful care
And prudent circumspection.

He wants a neat and prudent wife,
Who, when he earns, can save it—
Who kindly soothes the cares of life,
[Best gift of Him who gave it.]

He wants a snug and tidy farm,
And health and strength together,
A house and barn to keep all warm,
And dry in rainy weather.

Heaven's blessings then must crown the whole—
Or all his hopes are blasted;
But with this resting on his soul,
The purest joys are tasted.

He then enjoys a bliss unknown,
To them the world calls greatest;
Known only to the good alone,
The earliest and the latest.

VARIETIES.

With reference to Sharp's Woodstock honey, we are informed that the produce of this gentleman's apiary this season, was over six thousand pounds of honey, which we believe will net him over £800. The flavor of this honey is really delicious, quite as agreeable as that of the celebrated Heather honey. That. was reckoned a favoured land in ancient times which flowed with milk and honey, and in these respects New-Brunswick is well fitted to be the abode of man.

A Remarkable Fact.—A Baptist clergyman and his wife, residnig in the vicinity of Boston, have the pleasure of daily gathering round their fireside, four daughters who were born in four differenr quarters of the globe, viz. one in Europe, one in Asia, one in Africa, and one in America—a fact probably unparalleled in the history of any other family in New England.

A Good Wife.—A friend of ours, who had been spending a few weeks in the country, and who has visited some of the private dwellings of the rustic inhabitants, tells of a singular old man who lives near Brookfield. He is somewhat noted for his odd expressions. He was one day visited by a small party of ladies and gentlemen who went to hear his talk. "Now young gentlemen," said he, "I will give you some directions to tell a good wife. A good wife will be like three things, and she will not be like them. She will be like the snail who stays at home, and she will not be like the snail who carries all it has on its back. She will be like the echo, that speaks when spoken to, and she will not be like the echo, always to have the last word. She will be like the town clock, that speaks at the right time, and she will not be like the town clock, heard all over town!"

A Floral Reminiscence.—Dr. Chalmers luxuriated among the plants and flowers of the season, and delighted to examine minutely the structure and the beauty of some humble production that would have escaped the notice of a less practised eye. He observed, one day, after he had been wrapt in admiration of nature and nature's God, "I love to dwell on the properties of one flower at a time: to fix my mind on it exclusively until I feel it has taken complete hold of my mind. This is a peculiarity of my constitution. I must have concentration of thought on any given thing, and not be diverted from it." My attention was arrested in the garden by a sun-flower, of large dimensions and exquisite colouring. He said, with deep emotion, "O that we could so open our hearts to the beams of the sun of righteousness!" It was in such scenes that one not only saw, but felt that the train of thought was heavenward, that his heart and his treasure were in heaven.—*Ch. Eng. Mag.*

Intoxicating Drinks' Abolition.—A great change is taking place in public opinion on this subject in America, not only in certain states of the Union, but also in our own colonies. A bill is actually before the legislature of Canada to prohibit the sale of intoxicating drinks. In the meantime we in this country (Great Britain) seem content to pocket the pence which accrue to her majesty's treasury, from the machinery employed to make men as the brutes that perish, and then pay several hundred pounds a head to have them tried, and hanged, or banished and transported, as the case may be!—*Church of England Magazine.*

We see how much a man *has*, and therefore we envy him; did we see how little he *enjoys*, we should rather pity him.

The Wonder of the World!
Devines' Compound Pitch Lozenge.

THE Great Remedy is at last discovered, and COUGHS, COLDS, ASTHMA. COSTIVENESS AND CONSUMPTION have lost their terror, and vanish as as if by magic before this Sovereign remedy. Was it ever before known that, *Hopeless cases of Consumption were crred for less than $5?*

Truly, if any individual is to be pitied, and needs sympathy, it is the consumptive,—always expecting to get well, and yet the painful evidence of decay almost "makes the inner soul shrink with the outer flesh."

"Some bloom as roses bloom,
And live as roses live,
A single morning space!"

While others, in more mature life,—by some imprudence and a slight cold neglected,—in the hectic flush, the painful cough,
"The prints of their parting steps appear."

All we ask is this one question:—If you have got mucous membranes, or any other members of the body that are "heirs to ills."—are you not interested in this *great remedy*, Devines' Compound Pitch Lozenge

WONDER OF THE WORLD.
Gravel Cured of five years standing
Messrs. Curtis & Perkins, Bangor, Me.

Gentlemen,—I have been entirely cured of the Gravel, by the us of your *Cramp and Pain Killer.* I commenced taking the Cramp and Pain Killer in the Spring of 1847. I had been a great sufferer for ten years previous; some four or five years of the time I suffered beyond all my powers to describe.

During this time, I have had medical aid, and tried various spe- cifics, but found very little relief until I obtained your Cramp and Pain Killer. In one month after I commenced using it, I began to grow better. I continued to use it for a year, all the time improving until I was entirely cured. Miles Staples.

Doctor Toby, a regular practising Physician, of East Machias, writes us under date of March20, 1847: "Please send me half a gallon of your Cramp and Pain Killer—it is the best medicine to cure what it is represented to, that I everused."

The Doctor first made use of it in his own case, for a severe sprain in the shoulder, caused by the upsetting of a stage, and found immediate relief, and has since used it in his practice.

Read the following. It speaks for itself.

RHEUMATISM CURED.

I certify, that I was afflicted with a violent Rheumatic pain in the small of my back, which entirely disabled me, so that I could not get up without the greatest pain and effort; nor could I walk without a cane, and but very little with. I applied Doctor Johnson's Anodyne Liniment, or Liquid Opodeldoc, and several other remedies, without any relief. After suffering in this way about a week, I purchased a bottle of *Cramp and Pain Killer*, prepared by Curtis & Perkins, Bangor, and after *three applications* was entirely relieved and free from pain, and am now entirely well. I also cured a friend of mine, who had been suffering for a long time with a lame side, with the same bottle. I believe it the best medicine in the world, and am happy to add my testimony in its favor

CHERRY PECTORAL,
For the rapid Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

Among the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyment, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following:—aud refer further enquiry to my American Almanac, which the agent below named, will always be pleased to furnish free, wherein are full particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R. R., S. C., Aug. 4, 1853.

J. C. Ayer. Dear Sir,—My little son four years old has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him, pronounced him a dead child. Having used your Cherry Pectoral in California, in the winter of 1850, for a severe attack of Bronchitis, with entire succes, I was induced to try it on my little boy. I gave him a tea-spoon-ful every three hours, commencing in the morning, and by ten o'clock at night, I found a decided change for the better, and after three days use he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent.—For all affections of the Throat and Lungs, I believe it the best medicine extant. A feeling of the deepest gratitude, prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.
I am yours, with great respect,
J. D. POWELL, Supt. Trans., L. R.R.

Rock Hill, (Somerset Co.,) N. J., July 21, 1852.

Dr. J. C. Ayer,—Since your medicine has become known here, it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it, is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.m

Please send me a further supply, and believe
Yours, with respect,
JOHN C. WHITLOCK.

Almost any number of certificates can be sent you, if you wish it.

Windsor, C. W., June 26, 1852.

J. C. Ayer. Sir; This may certify that I have used your Cherry Pectoral for upwards of one year; and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.
Yours very respectfuliy,
D. A. McCULLIN, Attorney at Law.

Wilksbarre, Pa., September 28, 1850.

Dr. J. C. Ayer, My dear Sir,—Your medicine is much approved of by those who have used it here, and its composition is such as to insure and maintain its reputation. Invariably recommend it for pulmonary affections, as do many of our principal physicians.
I am your friend,

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF LOSS OF HEALTH, DISORDERED STOMACH, INDIGESTION AND DETERMINATION OF BLOOD TO THE HEAD.

Copy of a Letter from Mr. John Lloyd, of Erw wen, near Harlech, Merionethshire.

To Professor Holloway,

Sir,—I avail myself of the first opportunity of informing you, that, for a very long period, I was afflicted with a dangerous giddiness and frequent swimmings in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means had failed to give me any permanent relief, and at length it became so alarming, that I was really afraid of going about without an attendant. In this melancholy condition, I waited personally upon Mr. Hughes, Chemist, Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them without delay, and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper.
I am, Sir, your obedient Servant'

MIRACULOUS CURE OF DROPSY.

Extract of a Letter from Edward Rowley, Esq., of India Walk, Tobago, dated April 8th, 1852.

To Professor Holloway,

Dear Sir—I deem it a duty I owe to you and the public at large to inform you of a most miraculous recovery from that dreadful disease, Dropsy, and which, under God, was effected by your invaluable Pills. I was tapped five times within eight months, and skilfully treated by two medical practitioners, but could not get cured, until I had recourse to your remedy, and notwithstanding all I had undergone, this miraculous medicine cured me in the course of six weeks. (Signed) EDWARD ROWLEY.

A DANGEROUS LIVER COMPLAINT AND SPASM IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr. Bostock, Druggist, of Ashton under Lyne, dated July 31, 1852.

To Professor Holloway,

Dear Sir—I have much pleasure in handing to you a testimonial of the efficacy of your Medicines. A person in this neighbourhood, with whom I am well acquainted, was affected for a long time with violent spasmodic pains in the stomach and liver, arising from frequent colds, smells of paint, and the effects of a stooping position, which he was obliged to assume in his business. The spasms were of an alarming character, and frequently left him in a weak and debilitated condition. At length he heard of the salutary effects of your invaluable Pills, and was induced to give them a trial. The first dose gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs, that he has been restored to the enjoyment of good health.
I remain, dear Sir, yours faithfully,
(Signed) WILLIAM BOSTOCK.

Further she desires me to say, that she has witnessed their extraordinary virtues in those complaints incidental to children, particularly in cases of Measles and Scarlatina, having effected positive cures of these diseases with no other remedy.
