LOCAL AND OTHER ITEMS.

BAND at the Rink to-morrow afternoon.

THE STANLEY tried to get out of Pictou to-day, but had to put back on account of the ice.

DON'T FORGET the re-opening sermon by Rev. Mr. Weddall in the Upper Methodist Church to-morrow.

TO-MORROW.—Song service at 3.45 at the gospel meeting in Philharmonic Hall. Strangers always welcome.

A RELIGIOUS CENSUS.—The Sunday School Association of St. John N. B. are preparing to take a religious census of that city some time in February.

LOOK OUT FOR MILTON.—It is the wish of the public that the Concert be repeated on Wednesday, January 29. Doors open at 7 o'clock. Admission 15 cents. Lunch 15 cents.

ST. JAMES' HALL.—Don't forget the concert in St. James' Hall on Tuesday next. The programme will be published on Monday, and it will contain the names of some of the best talent in the city.

A LIVELY CLIP.—At St. Paul, Minn., an evening or two ago, Harley Davidson captured the two and three mile skating races, making a record of 5 min. and 54 secs. for the two miles.

W. M. S.—A public meeting under the auspices of the W. M. S. will be held in the Upper Methodist Church on Thursday evening next, at which the Rev. Mr. Sutherland will give an address.

LADIES, clean your kid gloves with Josephine Glove Cleaner. It is not a liquid, gives no color, and can be used while the glove is on the hand. For sale only at A. W. Reddin's drugstore. tf.

GOSPEL MEETING.—Remember the Gospel Meeting in Philharmonic Hall on Sunday afternoon at 4 o'clock, conducted by the railway men. Strangers always welcome. Lesson: 1 John 1-8, "Forgiveness of Sin."

THEY WILL BE THERE.—Mr. Earle's male quartette will make their debut at the concert in St. James' Hall on Tuesday evening next. The quartette is composed of J. B. Dawson, L. Cook, F. deC. Davies and Geo. A. Dixon.

TEACHERS' INSTITUTE.—The Teachers' Institute will meet this evening at 7.30. After the regular work a School of Pedagogy will be organized. Everyone interested in the formation of such a School is cordially invited to attend.

TEMPERANCE SERMONS.—At the request of the Citizens' League, sermons will be preached to-morrow evening on Temperance and Good Citizanship, in St. Peter's Church by Rev. James Simpson, and in Zion Church by the Rev. D. Sutherland.

OUR REGIMENT.—Wednesday evening, Feb. 12th, is the date of the performance of this play. Bear it well in mind, and do not make any other engagement for that evening. The rehearsals show the performers, especially the ladies, well up in their parts.

EPWORTH LEAGUE.—Rev. D. Sutherland will give a paper under the auspices of the Epworth League of the First Methodist Church on Monday evening next. Subject, "George Eliot." There will be readings and a discussion of the subject at the close of the paper.

CROP REPORTS.—It is announced from Ottawa that Hon. Mr. Montague has, after consultation with the members of parliament, decided to arrange for the collection of crop reports. It is probable that they will be collated under the direction of Statistician Johnson.

CHILD BURNED.—The your-year old daughter of Gilbert Smith, of Swan Creek, Sunbury County, N. B., met a horrible death a few days ago. While playing near an open fireplace her clothes caught fire and her screams attracted her mother to the scene, but before the flames were extinguished the child was horribly burned, resulting in her death a short time afterwards.

AN ACKNOWLEDGMENT.—The committee in charge of the Burns' anniversary entertainment, on behalf of the Caledonian Club, desire to extend their sincere thanks to all the ladies and gentlemen who kindly contributed to the success of the concert; to Rev. Mr. Fullerton for his magnificent oration; also to W. C. Harris, Esq., who so successfully managed the living pictures, and all who in any way contributed to the success of the entertainment.

MAGISTRATE'S COURT.—Before J. T. Mellish, J. P., Augustus Campbell, of Johnson's River, appeared to answer the charge of threatening George Harris, of the same place. Several witnesses were examined. Each party was adjudged to pay half the costs, and the defendant gives his personal recognizance to keep the peace. A case between parties from Riverdale also came up for hearing. The district school teacher charged that he had been assaulted at the school house by the father of some of his pupils. The parties informed the magistrate that the teacher had consented to drop further proceedings, the defendant to pay costs.

EFFICIENCY COMPETITION.—Later returns concerning the Garrison Artillery Efficiency competition confirms the report previously published. No. 1 Company (Captain Davison) takes first place and the Governor General's cup, also first prize of $20 for answers to officers and non-commissioned officers questions, and a prize for gun drill. No. 3 Company, Georgetown, tied for first place with No. 1 Company in gun drill, and shared the prize. No. 2 Company (Captain Moore) stands third for general efficiency, and takes a prize of $20. This company also wins a prize of $5 for manual and firing exercises. Good for our Island Artillery.

THE BURNS ENTERTAINMENT.

Again, last evening, we had reason to feel proud of the native talent of our young Islanders, Several of those who took part in the Burns anniversary entertainment exhibited more than a "spark o' nature's fire" which touches the heart. The living pictures by Mr. W. C. Harris, jr., were highly artistic and Scottish, and therefore highly pleasing to the audience. Burns, himself, was portrayed at the end of a plough, just as he might have been when he startled the field-mouse when

"Crash the cruel coulter passed
Out through thy cell."

Or when he addressed the "wee, modest, crimson-tipped flower" in lines which will ever be admired; or when composing in his mind

"The rank is but the guineas stamp"
"The man's the gowd for a'that."

The two pictures illustrating "John Anderson my jo John," were capitally conceived, and the personel exceedingly well selected. Miss Minnie Moore's interpretation of the "auld song" was true and sympathetic—one of the many gems of the evening. A scene from Tam O'Shanter was perhaps the most popular of all,—it is only necessary to hint that "Tam was glorious." But a serious turn was, at the close, given to the thought of the audience by the truly life-like scenes from "Cotter's Saturday Night."

"From scenes like those Old Scotia's grandeur springs,
That makes her loved at home revered abroad,
Princes and lords are both the breath of kings,
An honest man's the noblest work of God."

The songs and recitations, the cornet and violin solos were all good. We cannot now go over them in detail, though we cannot refrain from mentioning particularly the singing of Mr. Lamont, which literally brought down the house. By his perfect dancing of the Ghillie Callum and Lord Macdonald's reel, Master Macdonald, at the age of six, has fairly earned the title of "wonderful boy." We have reserved for the last a word respecting the Rev. Mr. Fullerton's oration on Burns. We have not heard or read in so short a space a better analysis of the life and character and poetic genius of Scotland's greatest bard. It was particularly pleasing to hear Mr. Fullerton pay emphatic testimony to the religious principles and feelings of the poet. Certainly he could not be an irreligious man who was capable of writing,—

"O, Thou Great Governor of all below,
If I may dare a lifted eye to Thee,
Thy nod can make the tempest cease to blow,
Or still the tumult of the raging sea;
With that controlling power assist e'en me
Those headlong furious passions to control
For all unfit I feel my powers to be
To rule their torrent in th' allowed line;
Oh, aid me with Thy help, Omnipotence Divine!"

HOCKEY MATCH.—The hockey match to be played at the rink on Tuesday will, no doubt, be hotly contested. The members of the different teams have been in active training for some time past, and are in the pink of condition. The teams will be made up as follows:

Have you been disappointed In using Fibre Chamois?

Always Cut Across the Goods

For the Following Reasons:

In a skirt, for instance, the fine creases or wrinkles that run lengthwise of the goods should always run around, never up or down.

They will thus act as so many little wires, giving splendid support and stiffness. The drag and strain will also be across the grain, which is much tougher that way.

No. 10, THE LIGHT WEIGHT, used in this way will be found ample support for all skirts and sleeves, and the weight will not be felt. A few inches of the No. 30 around the hem may be necessary in a street skirt.

No. 20, THE MEDIUM, is best for giving body and warmth in coats, capes, etc.

No. 50, THE HEAVY, should only be used either single or double, in collars, belts, lapels, etc.

To Keep all in place and bring the strain equally on lining and interlining

Tack Securely to the Lining.

The name and number is on every card to protect you.

Now read again carefully and remember it or cut it out.

Used as above, satisfaction is positively certain. Redfern approves, so do Lillian Russell, Mrs. Jenness Miller, Mrs. Frank Leslie and thousands of others.

Then you have not cut it Properly, Have used the wrong weight

or have been induced to try the "just as good" imitations.

and he is fit to be there, too, beyond a doubt. Whatever the place or occasion, a man should be suitably dressed for it. No attire, however costly, suits either the wearer or the occasion even half tolerably unless it is perfect in fit. Want of fit violates all the ten commandments of dress. Nothing can atone for such offense. The nearest approach a readymade clothier can make a fit is to miss it.
