SPORT OF KINGS' 1957 Sports Review From Eastern Kings' County

With the year 1957 at an end, possibly it is time for a brief review of sport in Eastern Kings County. Regarding Island Championships, this could not be regarded as a successful season with only one title to boast about. Although in hockey circles we had a few teams go as far as the Island finals.

Of course, one must remember that winning is not always important. In sports, the main aim is good sportsmanship, and we at this end of the Island like to feel that our teams have been high in this regard. To start our review off, we'll turn to baseball.

BASEBALL: Eastern Kings had two teams in the King's County Baseball league. These teams were Morell and Souris. Souris finished in last place without winning a game. Morell on the other hand, finished in second place. In the playoffs, they met and defeated both Peakes and Georgetown, to take the league title. They then met and defeated Tignish to annex the Island crown. In Maritime play-downs they bowed in straight games to Amherst.

BASKETBALL: Souris is the only section in Eastern King's to indulge in this game. Last spring the Firemen won the High School League Championship for the second year in a row. In a three game series with the Woodpeckers, the High School team won two games to one. No outside teams had been brought in. In the fall of 1957, the High School played exhibition games with Prince of Wales, Queen Square and the Woodpeckers, losing all.

HOCKEY: Eastern King's did not get any Island Titles although they had several teams play in the finals. In Intermediate "B" the Souris Eastpicks led by the Big Line annexed the King's County Title and bowed to Albany St. Pat's in the finals. In Intermediate "C", Morell, the Island's defending champions also won the King's County Title, but bowed to Summerside RCAF in the finals.

In minor hockey, Souris High School won the King's County Title, but lost a sudden death encounter with Summerside High for the Island Title. The Souris Sea Cadets also bowed in a sudden death encounter with Summerside for the Island crown.

BOWLING: If the Island Tournament had been held last year, Eastern Kings would have had four entries, Morell, St. Peters, and two from Souris. Due to a shortage of teams, however, the tournament had to be cancelled. In exhibition games, Souris team met teams from Morell, St. Peters and Charlottetown.

In Morell, the Firemen were once again the big guns as they convincingly won their second championship in a row. This had been one of Morell's closest.

PLAYOFF DATES
AMHERST (CP)—Playoff arrangements for the Maritime Senior Hockey League were completed Sunday at an executive meeting aboard the Northumberland Strait Ferry Abegweit.

Second and third place teams will play a best-of-seven game series, the first place team drawing a bye.

The finals have not yet been decided but the top team will draw 10 per cent of the net gate to the semi-finals while waiting for the winner to be decided.

The league schedule ends Feb. 22.

Summerside will be allowed one extra import but he must be on the roster before Jan. 24.

President E. L. Casey presided with Charlottetown, Summerside and Amherst represented.

We May See Durelle Fight

OTTAWA (CP)—Revenue Minister Nowlan said Saturday he will ask the CBC whether it can provide the Maritimes with special live television coverage of next Friday night's fight in New York between Tony Durelle and Tony Anthony.

He was replying to Henry Murphy, Liberal MP for Westmorland, in New Brunswick, who said the boxing match is drawing wide attention in the Maritimes because Durelle is a resident of Baie Ste. Anne, N.B. The minister represents the Nova Scotia constituency of Digby-Annapolis-Kings.

Mr. Nowlan, who reports to Parliament for the publicly-owned CBC, said there may be difficulties in extending the microwave network to the Maritimes for that occasion. The network was not scheduled to be extended to the Maritimes until Feb. 2.

Big Four Ready To Move With WIFU Towards Break

By WILF GRUSON
Canadian Press Staff Writer
TORONTO (CP) — The Big Four, still firmly convinced that professional football in Canada needs to be operated under a new setup, Saturday took another step in that direction.

The East's big pro league reaffirmed it is ready to move with the Western Interprovincial Football Union towards breaking with the Canadian Rugby Union, long the ruling body of the game in this country.

The Big Four agreed formally at a special general meeting to take this action if the WIFU is still willing and will propose that Syd Halter of Winnipeg, WIFU commissioner, be appointed national commissioner and referee-in-chief with power over both leagues.

The proposal, to be presented for final decision at a meeting of the Canadian Football Council in Winnipeg Jan. 19, will also include the suggestion that an assistant commissioner under Halter's jurisdiction be named to supervise Big Four operations. The CFC, representing each of the nine pro teams in the East and West, meets after the Big Four and WIFU hold their annual meetings in Winnipeg the two previous days.

SCHEDULE IN DOUBT
The question of a partial interlocking schedule will also go into further at the CFC session. However, the introduction of this long-discussed idea appears unlikely yet.

In Souris, the Lobster Kings won the Men's League crown, while the perennial champions, the Lucky Six once again took the Women's League title. Larter's Dogerettes annexed the Mixed League championship.

Getting up to date, the College All Stars defeated an All Star team from Souris in an exhibition basketball game. James MacIntosh, now in the Navy, and a former basketball star with Souris, led the visitors' attack in the shooting, passing, and defensive play was a treat to watch. Without fear of contradiction, we can say he is the best player to appear on the Parish Hall floor this season.

Latest statistics released by the Armed Forces Hockey League, show that Stan Paquet has eight points. This is good for seventh place. It also makes Stan the top point-getter for the Black Watch team.

Lots of rumors, flying around about Souris' hockey team. None as yet have been confirmed. They include, New name, new uniforms, new sponsor, and some new players. As soon as anything definite appears, we'll pass on it.

In the statistics on Souris Bowling, recently released, the name H. Leter, should have been H. Larter, Sorry, Henry.

A Happy New Year to all.

Meeker Is On Way To Nfld.

TORONTO (CP) — Howie Meeker, former coach and general manager of Toronto Maple Leafs of the National Hockey League, left here Friday night for St. John's, Nfld., to investigate a government offer to supervise hockey development in the province.

Meeker said he hasn't accepted or rejected the offer, made last October after he was fired by Leafs.

DANGEROUS LIST
BERN, Switzerland (Reuters) — Anonymous Hungarians who testified before the United Nations committee on Hungary have appealed to Secretary-General Dag Hammarskjold to have the list of their names destroyed. They warn that publication of the list "even in the circles of the United Nations secretary-general" risks "putting some harmless persons in danger of their lives in Hungary."
