CURRENCIES

MONTREAL (CP) — The United States dollar in terms of Canadian funds was unchanged at $1.07 27-32. Pound sterling was unchanged at $3.01¾.

NEW YORK

NEW YORK (AP) — Studebaker dominated trading Monday in a stock market which continued an irregular decline in moderate trading.

News that Studebaker would end its unprofitable car manufacturing in the United States and is moving its auto operations to Canada brought a flood of buyers to the stock. It was up a point at its best but ended the day with a rise of ⅞ at 7⅞ on turnover of 296,000 shares, making it by far the most active issue.

Second in the list of volume leaders was Holiday Inn, unchanged at 17¼ on 59,900 shares and third with 44,400 shares came Sperry Rand, up a single block.

The news background was fairly good but the market, in the opinion of analysts, had "gone further 'consolidating' to do after last week's rise to historic new highs.

Steel production was higher for the seventh straight week and the Prudential Insurance Co. predicted a rise in gross national product next year to $617,000,000,000 from the estimated $583,000,000,000 this year. On the other hand, a rise in unemployment in mid-November was not so encouraging.

DOW AVERAGE DOWN

The Dow Jones industrial average was down 1.17 at 759.08.

Volume was 4,440,000 shares compared with 4,830,000 Friday.

The Associated Press average of 60 stocks lost a minimal .1 at 283.2.

Studebaker's decision was said to have helped most of the other major auto stocks, apparently because of the notion that competition might be somewhat less. Chrysler was up a full point while General Motors and American Motors rose fractionally. Ford lost ⅝.

El Paso natural gas was third most active, up ½ at 19¼ on 53,400 shares, followed by Pan American World Airways, off ½ at 50¾.

BLUE CHIP LOSSES

The list was dampened by late losses of blue chips. Du Pont fell 1¾, Eastman Kodak 1⅜ and Woolworth 1¼.

Among Canadian issues traded, Aluminium Ltd., Hudson Bay, International Nickel and Walker Goederham gained ⅛. Dome Mines ⅛ and McIntyre Porcupine ¾. Canadian Pacific and Distillers Seagrams fell c.

Prices on the American exchange were irregularly lower. Canadian Javelin fell ¼ and Preston and Fargo Oil ⅛. Molybdenite gained 1-16.
