## HOW TO RUN UP LIBRARY FINES WITHOUT REALLY TRYING?

### IT'S EASY IF YOU NEGLECT TO:

- Check due date and time of **EACH** item borrowed!  
[Don't assume all items are due at the same time.]
- Telephone Circulation renewals before they become overdue!  
[Overdue Circulation items cannot be renewed by phone.]
- Remember that Reserve items can only be renewed in person!  
[They cannot be renewed by telephone.]
- Remember that all library materials must be returned in the Returns Slot at the Circulation Desk or Book Drop outside the Library at your own risk!  
[If you return books directly to the shelves or leave them in a study carrel, no return has been registered on the computer.]
- Protect library materials from any damage, be it caused by dampness, water, snow, fire, children, pets, etc.

## REMEMBER!

THE LIBRARY DOES NOT WANT TO COLLECT FINES FROM YOU!

THE LIBRARY ONLY WANTS TO SERVE YOU BETTER BY HAVING LIBRARY MATERIALS AVAILABLE FOR YOU!
