# Eagles Down Hawks In Overtime Thriller

SUMMERSIDE — RCAF Eagles picked up their first victory in double round robin play for the Island Intermediate 'A' hockey crown yesterday afternoon by edging Johnny's Flying Hawks of Charlottetown 7-6 in overtime at the RCAF station rink.

Prior to yesterday's action the Eagles had absorbed three setbacks without a victory while the Hawks had racked up three wins and no defeats. Warren's Texaco Combines, the third team trying for the title, have a 2-2 won-lost record.

At the end of regulation play the score was deadlocked 6-all and at the 2.27 mark of the overtime session Steve Philips triggered the winner with assists going to Buffet and Main. This was Phillip's third marker of the afternoon.

Also scoring for the airmen were Doug Tucker, Kenny Maconald. Bob Sleigh and defenceman MacDonald.

Kenny MacDonald's goal came in the third period while Eagles were shorthanded, defenceman Bob Main serving a minor. MacDonald, playing a strong forechecking game, stole the puck from an opposing player behind the Hawk net and neatly tucked it into the twines.

After twenty minutes of regulation play the visitors were leading 2-1 and at the end of the second the score read 4-all.

Top goalgetter for the Hawks was Donnie 'Gunner' McCormack with the hat trick. Willie Dunn, Billy Sherry and Lloyd Shepherd added singletons.

Officials for the game were Art Perry and Joe Coyle of Charlottetown and Glen Matthews of the RCAF station.

A total of ten penalties were called, each team picking up five.

CHARLOTTETOWN (CP)—"It used to be," says Ernie Richardson, "that if you lost to Alberta you could pack up.

"But that ain't gonna be so in this one.

"The way I see things, any one of six rinks could take it."

Richardson delivered his prognosis with his six-foot frame sprawled across the bed at his hotel room.

"It's a good, tight field this year" he said.

But Richardson's rival skips in the Canadian Curling Championships take to the ice at the 3,000-seat Charlottetown Forum —a converted hockey rink—at 3 p.m. today with a sharply contrasting outlook.

**RICHARDSON FAVORED**

A poll by The Canadian Press showed almost with unanimity they feel the classy Richardson family rink from Saskatchewan will emerge from the shuffling ahead Friday night.

The 32-year-old Richardson is a four-time winner of the round-robin bonspiel—a 18-round event —and he won the world championship in those same years—1950, 1960, 1962 and 1963.

Only Ontario's Bob Mann, 42, dismissed Ernie as one of the pack.

"He's just one of 10 to beat," said Mann succinctly.

Northern Ontario's Jack Polyblank, 37, meanwhile figured his rink would have to beat Richardson to win but "we can do it."

Polyblank, borrowing something from an old hockey bromide, remarked:

"They (the Richardsons) only throw two rocks the same way we do."

Other skips were considerably more inhibited about their prospects.

## STAR OF BYGONE ERA

Elmer Lach (above) carries puck in the days when he was one of the great centres of the National Hockey League. Lach, who says he feels NHL managements today second-guess their coaches too freely, works now as district sales manager for a transport firm in Lasalle, Que. The Nokomis, Sask., native, who played 13 seasons with Montreal Canadiens, also says he believes the action today is less vigorous and the defencemen inferior to the days when he played.

# Wharram Fires 'Hat Trick', Hawks Topple Canadiens

CHICAGO (CP) — Kenny Wharram scored three goals in leading Chicago Black Hawks to a 4-3 National Hockey League win over Montreal Canadiens. The win moved the Hawks back into a first-place tie with Montreal in the league standings.

Each had 77 points but the Canadiens have played two fewer games than the Hawks.

Wharram's 36th goal of the year was the winner. It came on a pass out from behind the Montreal net by Ab McDonald, who had gotten the puck from centre Stan Mikita while Mikita was on his knees near the boards.

The Canadiens came from behind twice in the game. Wharram's first two goals in the first period got the Hawks off and winging but Gilles Tremblay and Henri Richard scored in the first three minutes of the second frame to pull the Canadiens even.

**PULLED EVEN**

Mikita put the Hawks out front 3-2 midway in the second period with his 34th goal of the year. But at 1:27 of the final period Montreal's Ralph Backstrom stole the puck from the Hawks' Red Hay in the Montreal end of the ice and beat goalie Glenn Hall with a 15-footer to pull the Canadiens even once again.

The Canadiens seemed to have the valuable tie well in hand when the Hawks' highest scoring line of Wharram, Mikita and McDonald took over to gain the victory.

Mikita picked up three assists in addition to his goal to pull well in front of teammate Bobby Hull in the league scoring race.

The centre now has 80 points to Hull's 74.

**SUMMARY**

**First period** — 1. Chicago, Wharram 34 (Mikita, McDonald) 14:32. 2. Chicago, Wharram 35 (Pilote, Mikita) 18:53. **Penalties**—Tremblay and Hay 0:39. Hay 2:56, Fleming 3:44, Richard 7:51, Talbot 13:26, Nesterenko 19:03.

# Louisville Lip Looks To Future

By GEORGE W. HACKETT

LOUISVILLE (AP) — Before he became heavyweight champion, Cassius Clay had 11 financial advisers. Now he's down to one.

The change was made prior to the title victory over Sonny Liston last Tuesday night. Clay incorporated himself and hired a New Yorker, Edward Jacko, to watch over his money and investments.

"Frankly, we're happy that Cassius has provided himself with legal counsel," said Gordon Davidson, lawyer for the syndicate that has guided the 22-year-old boxer to the top of his profession.

The 11 sponsors, all wealthy white businessmen, will continue to look after Clay's career but that's all.

"What Cassius does with his money is his business," Davidson explained. "He cannot, however, get out of his agreement that requires us to put aside 10 per cent of his earnings after taxes, into a trust fund for him."

It now contains about $10,000 and Clay, failing to stay ahead of fourth-place Detroit, kept cutting in on the Boston lead with goals by Red Kelly and ex-Bruins Don McKenney but couldn't quite catch up.

Boston rookies Gary Dornhoefer, Wayne Rivers and Ron Schock—the latter in his second pro game—gave Toronto's old pros a hockey lesson in the early going.

**STEADY STICK PLAY**

Rivers' stick play kept the puck in the attack zone and his subsequent pass led to Murray Oliver's first goal of the game. Rivers got a clinching score near the end of the contest.

Dornhoefer also got a goal and an assist while Schock assisted him.

Detroit's 2-2 tie with New York merely confirmed mathematically the fact the Beats have missed the playoffs for the fifth straight year.

Nevertheless, the victory was Boston's 16th of the season, the most the Bruins have mustered since the 1959-60 campaign.

Boston's Johnston was tremendous in holding off the Leafs down the stretch, making 13 of his 32 saves in the final prod.

Prentice's goal marked the fifth major league season in which Dean has collected 20 or more.

When the Leafs closed the gap later in the same period, the goals came on screened deflections. Kelly tipped in Alan Stanley's 60-foot drive and McKenney did the same for Andy Bathgate.

**SUMMARY**

**First period**—1. Boston, Oliver 20 (Bucyk, Rivers) 5:25. 2. Boston, Kennedy 7 (Kurtenbach, Gendron) 7:41. 3. Boston, Dornhoefer 10 (Prentice, Schock) 16:56. **Penalties** — Schock 0:07, Brewer 10:06, McCord 18:02.

**Second period**—4. Toronto, Pulford 17, 2:52; 5. Boston, Prentice 20 (G. Cheevers, Dornhoefer) 9:49; 6. Toronto, Kelly 9 (Bathgate, Stanley) 15:27; 7. Toronto, McKenney 17:48. **Penalties**—Mahovlich 11:19 Mohns 15:40, Green 16:18, Shack major, Green major 20:00.

# Bruins Dump Toronto 5-3

BOSTON (CP)—Boston right wing Dean Prentice, who accidentally scored on his own team, rectified that error by getting the deciding goal as the Bruins held off a Toronto comeback for a 5-3 National Hockey League victory Sunday night.

Prentice connected for his 20th goal of the season at 9:49 of the middle period, restoring the Bruins to a three-goal edge 4-1.

Boston built up a 3-0 advantage in the first period.

Prentice, trying to help goalie Ed Johnston clear the puck at the start of the second, deflected it into his own net instead.

The Maple Leafs, trying to stay ahead of fourth-place Detroit, kept cutting in on the Boston lead with goals by Red Kelly and ex-Bruins Don McKenney but couldn't quite catch up.

# Canucks Team Had Wigs On

MOOSE JAW, Sask. (CP)— Unusual headgear adorned members of Moose Jaw Canucks when they hit the ice Saturday night for a Saskatchewan Junior Hockey League game against Weyburn Red Wings.

In an attempt to jab Canucks out of a slump club manager Jim Chadwick made players and coach Harvey Stein don "Beatle" wigs.

"I thought that since they played like Beatles in their last game with the Flin Flon Bombers (Bombers won 8-2) that they should play the part all the way through," Chadwick said. "From now on they are going to wear the wigs in every game until they score the first goal."

The first Moose Jaw goal came at 14:33 of the first period but Weyburn won 5-4.

The Beatles are a popular English rock - and - roll trio probably better known for their bushy hairdos than for musical talent.

# UNB Team Wins Ch'ship

WOLFVILLE, N.S. (CP) — The University of New Brunswick Red Devils have won the Maritime Intercollegiate Hockey League Championship, an executive meeting of the Maritime Intercollegiate Athletic Association decided here Sunday.

UNB and St. Dunstan's University Saints ended the regular schedule tied for first place. Charlottetown sources were reported to be pressing for a final showdown between the two teams, but the association said there will be no playoff.

The meeting was called because St. Dunstan's and UNB were deadlocked after victories in their final games of the Intercollegiate schedule Saturday. The Red Devils blanked Mount Allison 6-0 and St. Dunstan's clipped St. Thomas University of Chatham, N.B., 8-2.

The executive of the Intercollegiate Hockey Association said the title had been awarded to UNB on the basis of two wins over the Saints during the regular schedule. UNB earlier had claimed the championship on this basis.

The University of New Brunswick now will advance to the Canadian Intercollegiate Hockey Championships at Kingston, Ont., later this month.

# Rangers, Wings Battle To Draw

NEW YORK (AP) — Detroit Red Wings virtually ended the slim hopes of New York Rangers for fourth place and a National Hockey League playoff berth when Parker MacDonald's late goal salvaged a 2-2 tie for the Wings Sunday night.

The tie kept the Red Wings 10 points ahead of the fifth-place Rangers, each with nine games to play.

MacDonald's goal, his 15th, wiped out a 2-1 Ranger lead built on goals by Dick Duff. Recently obtained from Toronto in a seven-player trade, Duff had put the Rangers ahead with less than 10 minutes to play.

Duff's opening goal his first as a Ranger and eighth of the season, came late in the first period. Doug Barkley's angled 40-footer made it 1-1 shortly before Duff's second goal midway in the third period.

Red Wing goalie Terry Sawchuk needed 27 saves while Jacques Plante had 32 in the Ranger net.

**SUMMARY**

**First period**—1. New York, Duff 8 (Ratelle, Nevin) 16:59. **Penalties** — Provonost 4:42, Howell 4:20, Langlois 8:30, Martin 11:17, Howe, Major, 13:53.

Stratton added his second goal in the middle period and Ted Hampson completed the scoring in the third.

# Belvedere Club Wins Montague Curling Tyro

A team skipped by Stan Bryanton of the Belvedere Club won the Central Creameries Ltd. curling tyro on Saturday at Montague, having come through the two day spiel with one loss in the five games played. Their loss was to a Montague skipped team, skipped by Ken MacDonald who was the runner-up for top place.

The final game between Bryanton and MacDonald was an exciting match with first one taking the lead and then the other, however in the eighth end the Belvedere mate, Roger Perry came through with a triple take-out that made the difference. MacDonald had built a good tee and things looked pretty rosy for the Montague team, then Bryanton asked his lead for a take-out rut was not expecting the three Montague stones to leave the tee. MacDonald was able to take the end but this left Bryanton with best situation and he was able to hold the lead.

Following the game E. F. MacDonald, president of the Montague club made the presentations on behalf of Central Creameries Ltd. and extended congratulations on behalf of the Montague club. He said the spiel was conducted in a true sportsman fashion and was enjoyed by all who were able to see the game.

Saturday games were won as follows: Summerside 6, Montague 10; Belvedere 7, Montague 8; Summerside 6, Belvedere 13; and Belvedere 8, Montague 5. A team from Alberton unfortunately was not qualified on the first day as they were unable to ice the necessary starters, but they played in the first two rounds and won both their games.

Personnel of the winning rink were: Stan Bryanton, skip; Roger Perry, mate; Bill Jardine, second stone; Reg Mahar, lead. For Montague: Ken MacDonald, skip; Jim Clarkson, mate; John Murphy, second stone; and Doug Sorrie as lead.

"Chartered coaches are the trend in group travel" claims Mr. Trayne. "They allow my colleagues to spare much of the business agenda en route. Saves time and money", he said. "For example, a group of 60 people, travelling in their 'own' coach, can save as much as 33%. You can't beat this bargain!" For longer trips, Mr. Trayne states a sleeper and also saves money. "When our group splits into smaller committees of between 10 and 22 men, we make sure they travel on CN Red 'Bargain' or White 'Economy' Days. Even then, we can take advantage of CN's Party Fares — and save 10% to 20% more. I recommend you call your CN Passenger Sales Office for full information about group travel arrangements!"
