Montreal Jr. Canadiens Slated For Sports Arena

Mr. Earl Nicholson, manager of the Sports Arena, announced yesterday that he has received word that the Montreal Junior Canadiens will definitely appear her Tuesday, Nov. 22nd.

The Canadiens' opposition will be furnished by a picked team of intermediate and juniors from the Island, bolstered by four of the Canadien players, a forward line and one defenceman.

Tuesday's game will be the first of the season for Charlottetown and Island fans and the big turnout of hockey followers expected will see another of the hockey-playing Richard family in action. He is Claude Richard, 17-year-old brother of the "Rocket" and the "Pocket Rocket" who, as everyone knows, are two of the staewarts of Montreal Canadiens powerful N.H.L. machine.

Dubbed the "Vest Pocket Rocket", Claude is just beginning to find his way around the junior circuit. He shoots from the right and reports out of Montreal have it that if he continues to improve the N.H.L. will have its first triple brother act since the days of the Bentleys.

The following is a thumb-nail sketch of the Canadiens' as they will lineup here:

1—ED JOHNSON — Goaltender-Ed is in his last year of Junior hockey. He has played for Jr. Royals, Jonquiere and Trois Rivieres and he will be a big factor in the Baby Habs quest for the memorial Cup.

2—CLAUDE RUEL — 17-years-old; hails from Sherbrook, Quebec; second year with the club. Claude is small for a defenceman but is one of the steady men on the club.

3—JOHN LONGARINI — 17-year-old from Sault Ste. Marie. John is another reason why the Habs are considered a strong coentender for Memorial Cup.

4—ROD PELCHAT — In his last year of junior hockey; from Dolbeau, Quebec. Rod is one of the best defencemen in the business.

5—RALPH MCNIFF — 18-years-old; second year with club; from Montreal and has a great future on defence.

6—FORBES KENNEDY — Everybody in these parts knows Forbie.

8—WILLIAM CARTER — 17-years-old from Cornwall, Ontario Bill won the most valuable player award in the Junior "B" league in Montreal and is a very valuable player to have around.

9—CLAUDE RICHARD — 17-years-old; shoots right wing. Claude is the third man in the great Richard theme.

11—RALPH BACKSTROM — 17-years-old from Kirkland Lake, Ont. Ralph was brought up to Junior "A" in the 1953-54 season. He was pursued by every hockey scout in the country before signing with the Canadiens. One scout described him as "a super star of the future". Ralph plays his regular shift, kills penalties and is on the point in the power play.

12—DICK DOUMOUCHEL — 18-years-old. A rookie on the club, Dick plays either left wing or centre and has a big ambition to make the N.H.L. He will probably make it too because he skates and shoots well. He scores plenty of goals and will back down from no one.

14—CLAUDE LAFORGE — Has been with the club for 3 years; plays left wing and is a free-wheeling skater who gets his share of goals.

16—RAYNER LAMB — 17-years-old from Montreal, stands 6ft. 3 ins. weighs 190 lbs. Plays and looks like "Butch" Bouchard and should have a great future in hockey.

17—BOB COURCY — Last year with club born in Granby, Que., Bob is expected to score a lot of goals this year.

20—BOB BOUCHER — 17-year-old left hand shot who plays right wing. Bob bears the name of a great hockey family and is the son of Bill Boucher. In a couple of years he could bring the name of Boucher back to the N.H.L. limelight.

21—JEAN PICARD — 18-years-old, born in St. Helene, Quebec. A good defenceman with another year of Junior "A" eliginility. Likes it when the going is roughest.

25—ANDRE PRONOVOST — At Anare is the captain of the club. Scored 35 goals in his first year with the club. He played with Shawinigan in the Quebec Senior League for three games and more than held his own in the fast company.

CANADIENS' TOP SCORER

The above player needs no introduction to Island Hockey fans. He of course is Forbie Kennedy great centre star of the Montreal Junior Canadiens who will be appearing in Charlottetown Tuesday night Nov. 22. Forbie is currently the top scored on the Canadiens' squad.

Island Hockey League To Begin November 29

The Island Senior "B" Hockey League will open at the Sports Arena on Tuesday, November 29 with Saint Dunstan's University playing the Summerside Aces, it was announced following a hockey meeting last night.

Five teams will compete in the League with the top four entering the play-offs. The first and third place teams will play-off in one round of the semi-finals while the second and fourth will play in the other round with the winners to meet in the finals.

Games will be played at the Sports Arena on Tuesday and Thursday night until Christmas.

The League will register with the M.A.H.A. but Saint Dunstan's (at their own request) will not represent the Province in the Maritime Senior "B" playdowns in the event they should win the League title.

If the Saints win the League championship the team playing against the Saints in the finals will advance to the Maritime playdowns.

The teams in the League are Parkdale Flyers, Basilica Youth Club, Montague Primroses, Saint Dunstan's and Summerside.

Jimmy Cheverie of Souris East had a pretty good day's hunting earlier this season. Jimmy bagged three geese and two black ducks. The geese weighed 11 3-4 lbs., 10 ¼ lbs., and 8 lbs. Since this early season catch Jimmy has bagged 4 geese and it is reported that this is top for the Souris area.

Alouettes Concentrate On Pass Defence In Practices

MONTREAL (CP) — It's no secret that the secret practices of Montreal Alouettes are heavy on pass defence.

If Montreal Alouettes are to win the Big Four football playoff final here Saturday against Toronto Argos and go on to the Grey Cup classic, the Als will have to do something about Tom Dublinski and his eager receivers.

Offensively, the Alouettes figure to be right in there with a pass barrage themselves. They're counting on quarterback Sam Etcheverry not only to out-pass Dublinski but to conjure up enough confusing ground plays to throw the Argos off balance.

NOT TAKING CHANCES

Just the same, a big part of the practices under coach Douglas (Peahead) Walker has been devoted to pass defence. It has taken two forms: a hard-charging line to hurry Dublinski, and sharp-eyed downfielders to see that the ball doesn't reach the intended target.

It is known that Walker was impressed with Dublinski's long passes last Saturday when Argos defeated the favored Hamiton Tiger-Cats in the Big Four semi-final.

Coach Carl Voyles of the Tiger-Cats has been quoted as saying it was the long passing of Dublinski that beat his team.

Since then the daily secret practices of Alouettes have been geared around pass defence and geared particularly around Johnny Williams and Hal Patterson.

ACE OFFENDERS

Williams was a late-comer this season to the Montreal team. He was picked up from New York Giants of the National Football League and became one of the best pass-defenders Alouettes have. He missed the final game of the Big Four schedule because of an injury but is in top shape again. Patterson's ability both as an offensive end and a defensive half are well known. On defence he is at the right halfback position an Williams works the left side.

It will be the job of this pa to see that Dublinski's tosses ar not snared by Al Pfeifer, Buck Curtis, Dick Shatto and Cork Tharp.

On the Montreal offence, Etch everry is not without capable re ceivers himself. He has Patterson Red O'Quinn and Joey Pal.

Word from Toronto is Argo will be at full strength although general manager Harry Sonshine said Royal Copeland will sit out the game. Argos will need to drop one import but no decision as to who this will be has been announced.

"We'll be trying to rush Etcheverry, too," said Sonshine.

Hockey Practice

The Parkdale Flyers, Island Hockey League Intermediate "b" entry will hold a practice this evening at the Sports Arena at 8 p.m. Anyone interested in trying out for the team are asked to be present at that time.

Stadium Turf Covered With Straw Blanket

VANCOUVER (CP)—The Empire Stadium turf has been covered with a foot-thick blanket of straw in preparation for the Grey Cup football game Nov. 26.

Nine tons of straw and a $22,000 nylon tarpaulin were spread over the frozen turf.

"Besides protecting the field from further freezing," said stadium assistant manage Bus Evans, "it will encourage a gradual thaw and leave the turf in top shape for the game."

MASSEY RETURNS

OTTAWA (CP) — Governor-General Vincent Massey returned to Ottawa Wednesday from Toronto where he attended the Royal Agricultural Winter Fair. During his Toronto visit, Mr. Massey inspected exhibits at the fair and attended the horse show. He presented the Governor-General's Cup to Dr. J. B. Chassels of Willowdale, Ont., for his winning entry, Golden Gael.

Tickets On Sale For Saturday's Rugby Contest

Final arrangements for the big McCurdy Cup game with the Acadia Axemen will be made today. Only a couple of minor problems remain to be ironed out and in the meantime the Nomads have had tickets for the game printed which are on sale today.

A terrific crowd is expected to turn out for the game Saturday and it might be a good idea to get a ducat as soon as possible to insure a nice view of the important contest.

Tickets can be obtained from any official of the Nomads' club.

Figure Skating Classes Today

Mr. Walter Scantlebury will begin figure skating classes this afternoon at the Sports Arena at 5 p.m.

This will mark the fifteenth consecutive year that Mr. Scantlebury has held instruction periods in the art of figure skatin for Charlottetown's youth and as usual later on in the season a big carnival will be held.

The classes will be held all during the winter season at 5 p.m. on Thursday afternoon.

KENTVILLE, N. S. (CP)—Two Prince Edward Island defencemen, Merle Longaphie and Apps Sheppard, have been signed by coach George Warden for Kentville Wildcats in the Nova Scotia Senior Hockey League. Both played intermediate hockey last season.

Also signed is John Howatt of Sydney, who three years ago played at Bridgewater.

Nomads' Scrum Important Link In Victory March

The Charlottetown Nomads are preparing for the big game Saturday by holding evening practice sessions out at the Queen Charlotte High School Field. Their spirit is high and some of them have gone so far as to predict a victory. We queried Dr. Jelks on the matter last evening but the doctor was his usual old non-committal self. He says, "It's just another football game and the boys will play it that way."

The Nomads are in top shape and except for a broken nose injury suffered by Dick Carroll came out of last Saturday's encounter with the Hatchetmen unscathed. Even their heavy, hard-driving scrum is unhampered by injuries and this is unusual for the scrum lads have just about the toughest job on the team. When it comes to headlines the rugged gentlemen whose job it is to get that ball out to the picking quarter seldom get any headlines, even though hardly a game passes in which they don't rate plenty.

Forwards in rugby are much like the tackles and centres in Canadian football. They usually do most of the work and the quarterback and ends grab all the glory. It can probably be truthfully said that a rugby team just couldn't win without a first class scrum. If the scrum doesn't get that oval out to the half line then a run isn't made. And if the runs aren't made then the scoring of points becomes a difficult task indeed.

It takes a lot of guts to play in the scrum. Unpadded shins are frequently targets for cleats, either intentionally or unintentionally and we have seen on occasion a player actually stunned by the impact when the two forward walls collide. The Nomads scrum comprised of Charlie Ready, Claude Fields Ron MacIvor, Charlie Heusts, Acquinas Ryan and Joe Coyle, in our humble opinion, stands second to none in the Maritimes and have been the secret to the Nomads great string of victories.

Coach Jelks has nothing but praise for his team. He has said and says that they are the finest group of players that he has ever worked with. He likes their attitude and has high regard for three of his players who have seldom gotten into a game. They are usually listed on the lineup as subs, but Gerard Burge, Hisson Carr and Nells Hansen have yet to fail to turn up for a game. Their admirable attitude is that the coach knows best and that if he decides that he must go along with the lineup he considers best for the ocasion then it is alright with them.

This outlook is really commendable. No one drops cheques in the bank acount for playing. They got nothing out of it but the 'hrill of winning and the heartbreak of losing. Yet week after week they turn up for the games even when they know they will be watching. This attitude could be well copied by many participants in other sports in these parts for it has played no small part in the overall harmony that exists in the club. There is no bickering over petty problems and this has gone a long way to build up the spirit that a winner must have.

Lindsay's Goal Gives Wings Tie With Rangers

NEW YORK (CP)—Ted Lindsay's 11th goal of the year enabled Detroit Red Wings to salvage a 3-3 tie with New York Rangers Wednesday night. The National Hockey League champions have been unable to defeat the New Yorkers in four starts this season, losing two and tying the others.

Lindsay's goal with less than two minutes left broke off a personal duel of right-wingers between Detroit's Gordie Howe and New York's Wally Hergesheimer each of whom scored twice.

Howe matched Ranger rookie Guy Gendron's first-period goal in the first period but Hergesheimer put the Rangers in front with the only tally of the middle frame.

Howe scored again 40 seconds after the third period opened, only to have Hergesheimer give the Rangers the lead for the third time three minutes later on an unassisted tally.
