## Volleyball Tourney

**SUMMERIDE '62** is sponsoring a provincial volleyball tournament at Civic Auditorium on Wednesday night, May 16. Competition is open to any organized team on Prince Edward Island and only residents of this province are the members of the teams. An entry fee of one dollar per registered player is required from each club entering. This money is payable before the start of the competition and will be used to purchase individual awards for the members of the winning team.

Charles Ballam, the chief organizer of the tournament, has procured the services of F.L. Gordon Mustard, RCMP Station, Summerside as referee-in-chief. United States Volleyball Association will govern play.

Entries must be submitted to Mr. Ballam, Box 137, Summerside, not later than Monday, May 14. Officials advise that the schedule will appear in the press on the morning of May 16.

The place of action again is Civic Auditorium and starting time has been fixed for 5:30 advanced summer hours. Should more than six teams enter the one-night competition, it is expected that elimination play will commence at RCMP gymnasium.

## Once Very Popular

It is hoped that this tournament will be a big success. Volleyball has gained a real foothold on this island.

Some of the younger folk probably have the idea that it never was an extremely popular game. That's the farthest thing from the truth as the game has a great following here during the thirties. We recall something of a six-team league in operation in connection with Holy Redeemer Tennis Courts at Upper Queen St. Lights were installed as the boys played there until midnight throughout the summer. Indeed at Spring Park field Nels Whitlock and his associates had a volleyball championship out and teams from Holy Redeemer would often visit the Whitlock management crew.

Leagues prospered also at the local 'Y' and Holy Name gymnasium.

It's a great game this volleyball and it deserves a comeback. We hope Charlie Ballam and his co-workers have success galore with this coming tourney.

## Prospects Look Good

**ANNOUNCEMENT** has come that the City Baseball League will begin its 1962 operations on Tuesday June 12 at Memorial Field.

Word is that a four-team league will be the attraction. This will mean an increase of one club over last season when Stars, Dodgers and Flyers were the participants. Promoters feel that there are plenty of young players anxious for the opportunity to participate in the top and second leagues.

Undoubtedly a four-team league is much better from every angle than is a three-team one. This means that there is something more than the quantity of players available for duty. We hope the quality of ball will be maintained by the new league. Officials in charge feel there's little danger of this and they are looking forward to greater things in 1962 than they had in 1961.

AND City League affairs ran rather smoothly last season. Stars, Dodgers and Flyers and Stars provided folks with some of the best baseball entertainment seen in quite a while. Stars were a little short on their pitching depth but waged some great battles before being ousted. Dodgers managed to lose league champions but only after a terrific series with the Flyers and some superb hitting by George.

Now the boys know that a City Baseball League can be successful. It was proved beyond all doubt last season and there's no reason why greater things cannot be achieved in this summer of 1962. Officials will try their damndest to promote this league to the fullest. Players will be encouraged to give their fullest support to the project. Things like early arrival at games, plenty of pep coming and going off the diamond, loads of cheering will be expected.

If the league presents a good product, the public will accept it. A real start was made in 1961 and better things are planned for 1962.

Let everybody concerned endeavour to make the show a howling success.

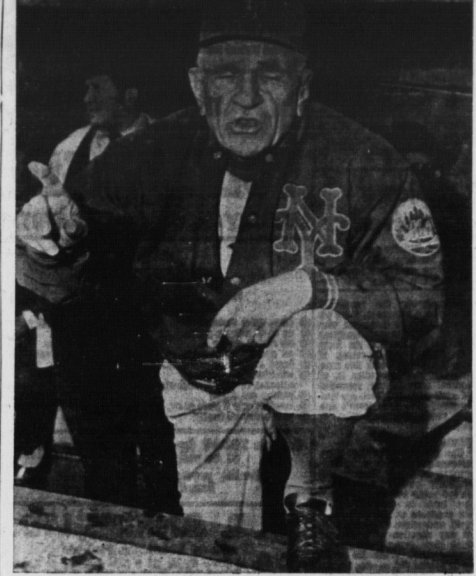

## HUNTERS' CORNER

### Cold Weather Has Slowed Down Catches By Anglers

Breath taking catches of trout have been credited since the start of the season but such catches have not been general. Unseasonably cold weather has slowed down the catches. The angler happens to be at the right spot at the right time and the trout is just what he needs. The "Jack Pot" on some real tackle boats. Take the top tackle boat Johnnie White and the Cardigan Causeway for instance. He had fished half an hour with many fish but when he was about to give up, he appeared as if by the bottom of the boat a trout was seen and he was offering. After he had his quota two other fishermen moved in over the same spot and cast themselves dizzy for hours without a strike.

The majority of anglers have to be content with a catch of trout in the half to three-quarter pound bracket. I made the point that all signs pointed to a top trout season next year and have no grounds at the moment for changing that prediction. Trout are plentiful and the move, and in good condition, but are inclined to be in the sluggish side with respect to the movement and action. June should be a month to remember. The Causeways have already produced some top heavyweights and there are plenty left. One fish looked on as a five and a half pounder in the Vernon River Causeway.

**OFF LIKE TORPEDO**  
He was using spinning tackle and the heavy weight was hooked and in the mouth. I made the point that he took off like a torpedo leapt from his chamber and went for a distance of a minute. He was a temperamental brute and took splashing spells when he would lie on the bottom and pumping of the rod had no effect. He was plainly visible in the water and he was not over six feet deep. A slight prod was all that was needed to start him on an excursion. He was close to six hours before he took the trout. It is hoped the trout had been in his physical condition the decision could have been the other way. As it was the lucky fishermen was quite content to reel in and call it a day. It had about 1 1/2 lbs. P.T. he could take any day.

## COMING OUT OF CELLAR

With the chill Chicago wind blowing about his countenance, Casey Stengel, a manager of the New York Mets, is emerging from the National League cellar for the first time by beating the Chicago Cubs, 3 to 1. It was the first time since the Mets entered competition that Casey had been able to raise them above last place in the standings. (AP Wirephoto)

## Chisox Defeat Senators; Braves Edge Pirates 4-3

**BY THE CANADIAN PRESS**  
Early Wynn lost a shutout in the ninth inning Thursday, but the Chicago White Sox veteran won the 29th game of his career by beating Washington Senators 2-1.

Wynn was shut out away from home by Dale Long and Gene Woodling in his back-to-back doubles in Senators' ninth. Wynn pitched two hit ball for six innings, then put down threats in each of the last three frames.

In one other American League day game rookie Ty Cline batted in four runs in a pair of clutch singles to pace Cleveland to a 9-4 victory over Minnesota.

In the National League, Milwaukee Braves staged a three-run upturn in the eighth inning to pull even with Pittsburgh Pirates and then took a 4-3 win on a homer by veteran Frank Bolling.

New York at Chicago was rained out.

Cline lined a two-run single to left as Cleveland overcame a 2-0 Minnesota lead with four runs in the fourth. He came through with another two-run single on a hard grounder to break first and second as Indians scored another four in the fifth to clinch it.

Jim Perry went the distance for his second victory without a defeat. Don Lee was saddled through with two runs in the AL. Kansas City was at Baltimore and Detroit at Los Angeles. In the National San Francisco was at St. Louis and Los Angeles at Houston.

## Angels Trip Bengals 6-4

**LOS ANGELES (AP)** — Al Kaline put Detroit ahead momentarily with his 10th home run but Los Angeles Angels came back behind another fine performance by relief pitcher Rymie Duren and defeated Tigers 6-4 Thursday.

A sixth inning sacrifice fly by Albe Pearson brought in Billy Conzolo with the deciding run. Duren, picking up his fourth win in five appearances, held Tigers to only one hit the last three innings. In his last 10-13 innings, Duren has allowed only three hits, has walked only three, has struck out 14 and bunt given up a run.

Angel starter Ken McElreath won a 2-0 lead in the fifth when Jake Wood slammed a 3-run homer and Kaline followed one out later with a 385-foot drive into the left field pavilion.

# 'Amato Spikes Report Fight Stated For Chicago

**CHICAGO (AP)** — Published reports that the heavyweight fight bout between champion Floyd Patterson and Sonny Liston is headed for Soldier Field Sept. 17 or 18 were spiked Thursday by Patterson's associate, Gus D'Amato.

"As of this time, Chicago is out," D'Amato said in New York after Chicago's American reported the fight definitely is set for Chicago where Patterson is based for the Rocky Marciano fight. Patterson reportedly was in the vicinity of Patterson's associate, Gus D'Amato.

"I've never heard a word out of D'Amato since he left Chicago," said D'Amato, who has managed Patterson most of his pro career.

## OWNER OF ATHLETICS SAYS

### Buying Baseball Team Is A Poor Investment

**BALTIMORE (AP)** — Charles O. Finley, the millionaire owner of Kansas City Athletics, conceded Thursday that buying a baseball team "is one of the poorest investments a guy could make."

"I took all I owned, and borrowed some more to buy 100 per cent interest in the Athletics," Finley told the Baltimore Sports Reporters Association. "If I had put that \$5 million into tax free bonds, I would be getting \$250,000 a year."

While spending 27 months in a tuberculosis sanitarium, Finley said, "I've learned that health and happiness is everything in the world—money is secondary."

"I didn't have any money at the time," he said, "but I got lucky in the insurance business."
