St. Dunstan's University showing strong ground and air attacks overpowered their more experienced opponents from the mainland and defeated the Xaverians 70 yesterday after noon in a football game played at the St. Dunstan's field.

Jackie Kane, the brilliant defensive back played brilliant for the red and white team and scored the game's only touch down early in the second half when he took the pass-off from quarterback Gil Collins to Du-
Dunstan's squad who finished the season without being scored on by any of their opponents.
Coach A. J. MacAdam deserves much of the credit for the fine showing his team did against the more experienced teams from the mainland.

Is Patterson Lucking Machen?

SAN FRANCISCO (AP)—Eddie Machen's manager charging Monday heavyweight boxing champion Floyd Patterson with "trying in every way in his power to subvert a title fight and probably will keep it."
St. Francis said he doubted that even a convincing victory by Machen over Tom my (Harris) Jackson in their televised 12-round bout here Wednesday night would change the situation.
Machen, the undefeated 29-year-old from Redding, Calif., has won 23 fights, 15 by knockout. He's ranked as the No. 1 contender by both the National Boxing Association and Ring Magazine.
Jackson hasn't entered the ring since last July 29 when Patterson handed him a brutal beating and stopped him in the 10th round. The New York boxer currently is ranked No. 6 by the NBA and fifth by Ring.

Asks Waivers On Sid Smith

TORONTO (CP)—Toronto Maple Leafs of the National Hockey League were requested Monday to have waivers for winger on Sid Smith, veteran left winger.
Smith was reported to have picked up that unless his contract is approved by another NHL team he will quit hockey.
The Toronto-born Smith broke into professional hockey in the 1946-47 season with Pittsburgh of the American Hockey League. He has played for the Leafs since the 1948-49 season.
Last season he registered 17 goals and 34 assists.
Putting a player on waivers gives any other club in the league an opportunity to pick him up for the waiver price. If no club does so, the player may be sent down to one of the minor league teams.

Eight hours representing the countries battled it out on a beautiful sunny but cool afternoon before a jam packed house crowd of 30,000.
The best the invaders could do this time was a third place by Stephens from Ireland and the horse who g l i d d e d e d many hearts here and abroad last month when he won the Cambridgebridge at Newmarket, England and made a lot of Irish hospital Sweepstakes tickets wait.
Sammy Boulmetis was astride Mahan, who who the Laurel turf cup 10 days ago and qualified for an invitation after Ralph Jones Gallant Man withdrew. This horse, owned by C. T. Cheney of Dowell, Va., also was a substitute American choice, filling a place for the Kerr Stable's round table.
He grabbed a trailing rope and was dragged along half submerged for about 10 minutes but, by whooping lengths.
The ship eventually turned around and found him nine hours later.

Indians To Hire Today

CLEVELAND (AP)—The Cleveland Indians are expected to hire a general manager today to replace Hank Greenberg but the Tribe's front office brass won't say in advance who are under consideration.
William R. Daley, board chairman of the American League baseball club and largest stock man of the American League holder, said the board would meet and 11 of the 13 directors, including Greenberg, probably will be present.
Bill Veck, former owner of the Indians, visited Daley's office Monday to give Daley his ideas in preparing a bid to buy the baseball property. But afterward Daley, who holds 80 per cent of the stock, said:
"My stock is not for sale. I thanked Bill for coming to it was nice of him so that Daley would bear of the purchase plan direct from Veck instead of in a round-about way. Veck bought the Indians in 1946 and sold them in 1949 for \$2,000,000.
Greenberg, second largest stock holder with about 20 per cent, and some other holders may be interested in Veck's proposition, even although Daley is not, and Veck may settle for a part interest, the Cleveland News said.
The newspaper said Veck was believed ready to offer about \$4,000,000 for all stock.

Brown Rests For Fight

HOUSTON, Tex. (AP)—Light-weight champion Joe Brown rested Monday while his opponent, Kid Centella, worked out lightly in preparation for tonight's 10-round non-title fight.
But while Brown was resting, his manager, Lou Viscusi, was arranging a charge by Sen. Peter R. Micheli that the International Boxing Club had discriminated against the lightweight Kenny Lane of Muskegon, Mich.
Potter said in Washington that "failure of the IBC to recognize Lane as a leading contender for the championship and to allow him a championship match constitute a fraud against the public interest."
