A Minister once said, "The light is bad, my eyes are dim, and I cannot see to read this hymn." If he had purchased a pair of "Lazarus, Morris & Co's" celebrated Perfect Spectacles, he would have been able to see double. These splendid glasses are advertised in another column of our paper, and we would advise all those who wish to get a good article, and a pair of spectacles that will be a great assistance to their sight, to call at the Agent's store—R. T. Holman—and purchase a pair.

We learn that the amount realized at the Malpeque Bazaar and Tea was £190. This is good, and will enable the folks to finish their new church at once. We understand that Mr. T. Beattie, carpenter, and T. Brehaut, Plasterer, have already commenced to work in it. Both these gentlemen have earned the reputation of being first class mechanics, and therefore the Malpeque Church will no doubt be a good job when done.

We have received Livingstone's Hand Book and Visitor's Guide to St. John, with an account of Fredericton and the St. John River. It is published by Gordon Livingstone, and contains a vast amount of useful and general information, and to a stranger going to St. John, will be, as a guide, invaluable.

We forgot to acknowledge last week the "Mirror of Typography" received by us. It is published by L. H. Senior & Co., and is especially valuable to printers. The June No. contains a beautiful fruit-piece plate, executed in colors. It is really the most beautiful piece of engraving and press work we have ever seen. The book contains some excellent specimens of typography and interesting matter. The art of printing is certainly brought to perfection in the "Mirror of Typography."

We have received an interesting account of the Militia Drill at Port Hill, this week. It will appear next week.

A Pic Nic party was given on Friday last, by the friends of the Rev. Mr. Weddall, previous to his departure from the Bedeque Circuit. The notice of it sent us is crowded out this week. We are always glad to hear of our friends enjoying themselves at Tea Parties and Pic Nics, but we cannot promise to publish lengthy notices of such until we enlarge our paper—something we hope to do before very long.

The Hon. L. S. TULLEY, from the New Dominion, arrived here yesterday. He leaves again this morning for Charlottetown, by the over-land route. During his short stay, several gentlemen called on him. Some folks imagine his visit to the Island is to make an offer to us to go into Confederation. We shall see.

The Island Steamers have altered their route to this port. See advertisement.

A Live Moose is now on exhibition in this Town.

The writ for an election in the Fourth District of Queen's County has been issued Nominating day on the 27th July, and election day on the 3rd of August.

The laying of the Foundation Stone of the new Catholic Church, in this Town, took place yesterday—their lordships Bishops Rogers and McIntyre, officiating. In the afternoon the examination of the Convent pupils was held, and in the evening a Concert given. An immense crowd of people were assembled, and everything passed off well. We will next week give a full report of the proceedings.

The Summerside Progress and Journal are at liberty to abuse us with impunity. They are small potatoes, and are not worth wasting powder upon.

The above paragraph we clip from the last Herald. The astute politician, profound philosopher, accomplished orator, and polished writer who fills the editorial chair of that hated and moral sheet, is mighty in the matter of comparison. Will he be kind enough, while taking breath amid the whirl of his multitudinous cares, to inform his readers of the connection between potatoes and powder?

In the appointments of the P. E. Island Presbytery, published in Saturday's issue, Rev. J. Allen, should have been substituted for Rev. I. Murray, on the 1st Sabbath of August in Casumpeque.—Pat.

We learn that there were about five hundred persons in attendance at the Camp Meeting Services at Pownal on Saturday last. The interest in the movement is said to be increasing. Mr. and Mrs. Palmer are present, and zealously labouring in the cause which they have so much at heart.—Pat.

The examination of the pupils of the Congregation de Notre Dame, Tignish, will take place on Saturday, the 17th inst.—Pro.
