Put Sparkle into Your Home with NEW CARPETING

Carpeting is more than a luxury . . .

- it helps create an atmosphere for restful relaxation
- it absorbs sound, thus decreasing noise in an increasingly noisy world
- it saves on fuel by maintaining a warmer floor
- it is a labour saver — thus lessening household toil
- it is invaluable as a decorating aid
- wall-to-wall installations can be included in mortgage off new homes.

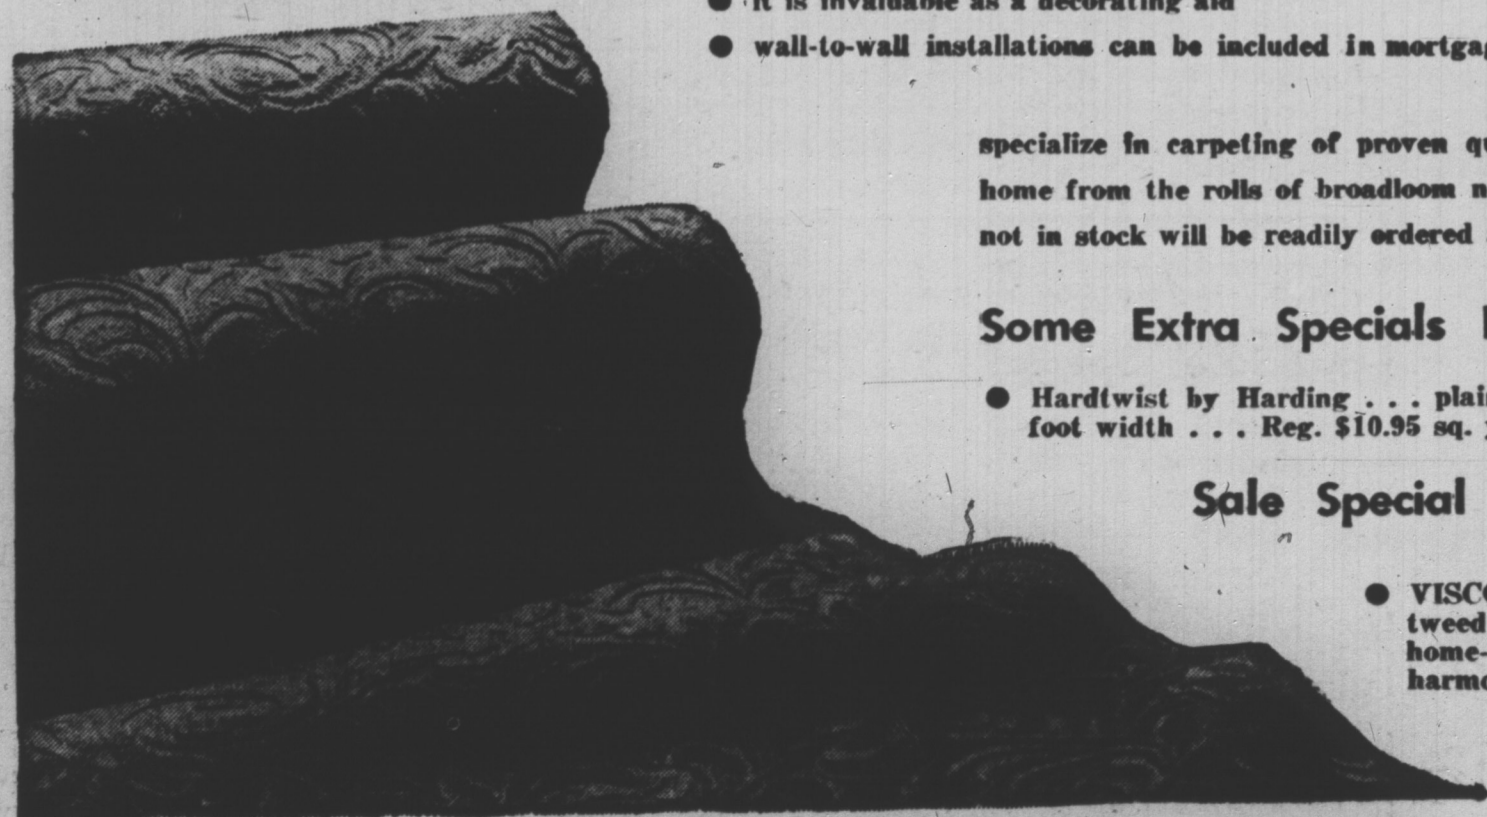

specialize in carpeting of proven quality . . . select carpeting for your home from the rolls of broadloom now in stock . . . patterns and colors not in stock will be readily ordered and quickly delivered . . .
