

Millionaires Capture Maritime Hockey Title In 6-3 Win Over Halifax

SYDNEY, N. S., March 26 — (CP)—Sydney Millionaires started along the Allan Cup trial here Saturday when they downed Halifax St. Mary's 6-3 to win the Maritime senior hockey title. Sydney won the finals series 4-1. The moneyman now take on the winner of the Quebec-Sherbrooke series in the Allan Cup playdowns.

The big Millionaires had no trouble with the injury-ridden Halifax team in the final game. St. Mary's fought hard in the first two periods, to tie the score at two all. But in the final frame Sydney notched four counters to a lone reply for Halifax.

Ernie Yeadon, former junior goalie pinch-hitter for Jack Donlevy in the Halifax cage, turned in a brilliant exhibition. He proved tough to beat in the first two periods when Millionaires raced through the disorganized Halifax defence, and handled 34 shots during the game.

St. Mary's put on the pressure during the opening minutes of the third period, in an effort to stay in the series. But it was a case of

a tired, little team wearing down before relentless machine-like pressure of a heavier squad.

The game was watched by fewer than 2,000 disinterested fans. Only three penalties were handed out, one in each period.

Charlottetown hockey fans are still going to see another hockey match in Island Intermediate A Hockey League competition here at the Forum tonight, despite the fact that one and all thought the series would have been decided one way or the other when Crystals and Abbies clashed at Summerside on Saturday night in the final game of their home and home total goal extra series.

But that is not how it has worked out, and for the second Saturday night in a row over Summerside ice, something out of the ordinary has come up to have a game commenced there, only to be brought back here to decide the issue one way or another. Most everyone knows the situation concerning the first incident, when due to part of the Crystal rink's boards caving in, the first game of the finals between Crystals and Saints had to carry over part of an unplayed third period to the Forum where it was completed two days later, immediately prior to the start of the second and final contest.

Since then, a number of things happened. Saints withdrew from further competition after they defeated Crystals for the championship, which forced an extra series between Abbies and Summerside to decide which team would continue on in further intermediate playoff competition. The M. A. H. A. called for a home and home, total goal series, and it got underway at the Forum here on Thursday night, with the Abbies taking a close 5-4 victory over Crystals to hold a one-goal lead going into the final clash at the Western Capital on Saturday night.

Getting the game away fairly late, in order to accommodate the public who were working the early part of the evening, Abbies and Crystals came up with one of the closest and toughest battles to be witnessed at the Summerside Arena this season, to play scoreless hockey for over two and a half periods before Benny Grady notched up the only goal of the game to give Summerside a victory and send the series into a 5-5 deadlock. But by this time, the game had run so close to the Sunday deadline for play, that the ordinary overtime that would have been carried out, had to be abandoned, to still leave the series deadlocked.

Due to the fact that the present warm streets of weather has made the natural ice surface at the Summerside rink in poor playing condition, Mr. Walter Lawlor, vice-president of the M. A. H. A. has laid down that a sudden-death game will be played here tonight between the two teams to decide the series, which otherwise might have been played at the Western Capital except for the condition of the ice.

So that is the situation, and that is the reason why local fans, and no doubt a large representation of fandom from Summerside will still have another chance to see these two really closely matched teams cross sticks with one another here tonight, which, barring no other unforeseen circumstances arising, should see the final winner declared after what is expected to be another keenly contested session.

As far as can be learned now, the final winner of tonight's match will meet the Borden Nationals, winner of the Island Intermediate B title, in a playoff series for the right to represent the Province in Maritime Intermediate Playdowns, and is scheduled to open at Borden on Tuesday night, the second game to be played at the home of the other contestant later in the week, which, if it should be the Abbies, will be here on Thursday night.

The Department of Physical Fitness announced last night that the final playoff finals in boys and girls interscholastic hockey and Intermediate C competitions, will be run off at the Forum here tomorrow night to decide the Provincial

Q. S. S. Captures City School Hockey Title

The Queen Square School hockeyists captured the City interscholastic hockey championship by squeezing out a close 4-3 victory over Prince Street School at the Forum on Saturday night in a sudden death clash for the title. The teams had led for first place at the end of the regular schedule that forced the series into an extra game.

Fast skating Charles "Whiff" MacDonald led the Q. S. S. boys to the hairline victory, when he fired home the winning tally in the last nine seconds of the game. Coming up with one of the smartest games this season, both teams battled on even terms all the way that saw the game deadlocked at 2-2 at the end of the first period and after shooting one more apiece in the middle session to keep the score still deadlocked, played to a scoreless third period up to the 19:51 mark when MacDonald came through with the winning counter.

MacDonald also led the game on scoring honors with two to his credit while B. Burke and W. Burke garnered one each to account for the other Q. S. S. tallies while the goalkeepers for Prince Street were MacLure, B. Lewis and Hood who came up with a tally each.

The following are the lineups and summary:

P. S. S.—Goal, Huestis; defence, MacDougall, MacLure, Taylor; forwards, B. Lewis, Turner, MacFadyen, Leitch, Boswell, Carson, MacLeod, Whitehead, Hood.

S'side Crystals Defeat Abbies To Tie Series; Deciding Game Tonight

The Summerside Crystals won one of the hardest fought games of the season Saturday night from the Charlottetown Abegweits by the score of 1 to 0, tying the home and home series of the semifinals for the Island championship 5-all. Owing to the condition of the ice in Crystal rink, Walter Lawlor, vice-president of the M. A. H. A., has decided that a final sudden-death game will be played at the Charlottetown Forum tonight, the winner to enter the final series against Borden Nationals, intermediate "B" champions of Prince Edward Island.

The close checking and the heavy ice made for very strenuous hockey and notching up goals was a herculean task. The fact that Sprague in the Crystal nets gave one of his best performances, and that Hooper, cage guardian for the Abegweits, was the same old stumbling block to ambitious snipers, made it still harder for attackers. The puck jitter-bugged at most continuously and was very hard to carry, the players resorting to slapping the disc back and forth for brief but tiresome intervals.

The red lights blinked three times in all but the referees called two of the goals back. Late in the first period, the light flashed behind Sprague but referee Charlie Hogan ruled that Hennessey had slapped it in with his hand. In the second period the goal judge behind Hooper turned the switch when the puck hovered somewhere in the vicinity of the goal line. This time referee Jimmy Hogan ruled no goal.

At 11:58 in the final frame, Benny Grady tallied the only bona fide goal of the evening after he and his linemates, Layton Schurman and Garth Gay had buzzed around the Abbie net for some time. Crystals forced the play pretty much from then on in but failed to score again and the game ended with the teams deadlocked on the round. As it was drawing close to Sunday morning no overtime was played.

Lineups: Abegweits — Goal, Hooper; defence, Josey, Perry, Dalziel; forwards, McGregor, Sheppard, Le-

Clair, Hennessey, Fields, Carver, Stanley, Richard, Flynn.

Crystals — Goal, Sprague; defence, Shields, Davis, B. Gay; forwards, L. Schurman, B. Grady, G. Gay, S. Bernard, E. Trainer, S. Gallant, R. Bradshaw.
