Patriotic Concert at Kingsboro.

That the residents of Kingsboro school district, are truly loyal was clearly demonstrated by the large attendance at the concert and pie social given in the hall at that place, Thursday evening, March 15th, Whether actuated by a patriotic spirit or by a determination to excell all previous performances, those taking part in the concert certainly surpassed themselves. Where all performed their parts so well it is unfair to particularise, but reference may be made to the solos of Mrs. McDonald, Miss Jemimia Stewart and Mr Warren McDonald, which were grand. Rule Britannia was rendered in fine style, and we must not forget the "School Girls," who, attired in the red, white and blue, and each bearing a flag, sang and marched in such a manner as to evoke, not only the applause but the admiration of the whole assembly. To Miss Stewart, who trained these young ladies for the occasion, much credit is due. It will not do to pass unnoticed the performances of those taking part in the dialogues But the names of Messrs. Robertson, McGregor and McLean are too well known to those who have had the pleasure of attending concerts, previously held at Kingsboro to require further mention here. The acting of Miss Vesta Stewart, who appeared for the first time, was to say the least, good. The speech by the chairman, Mr. McLean, was all that a loyal British subject could wish. The singing of God Save the Queen brought the performance to a close. The pies were auctioned by Messrs. McLean and Theo. Robertson, the amount realized being in the vicinity of forty seven dollars. Ringing cheers were given, at the close for Roberts, Buller and our brave boys in South Africa.

Hazelbrook Notes.

"Bobs" is doing it. He can surely say, "I came, I saw, I conquered."

Our school is progressing rapidly under the tuition of Mr. Charles Lund, of Bethel, who proves himself to be a valuable and painstaking teacher.

Miss Hettie M. Ballem, of Charlottetown, spent Sunday with relatives in Hazelbrook.

The illness of Mrs. Martin Myers is regretfully announced, as is also the continued illness of Mrs. James Wood.

His many friends will be glad to learn that Mr. Michael McDonald is able to be out again.

Since our last writing a plank covering has been put over some of the ruts in Monaghan's hollow, which makes the road at least safe.

Mrs. John Judson, of Earnscliffe, is visiting friends and relatives here.

The "mat" fever has broken out again, and some of its victims are reported "dyeing."

Mr. Amos Jenkins, of Earnscliffe, paid us a visit last week.

The telephone wire connecting us with central is lying on the ground near here. This ought to be attended to at once, as sleighs are continually passing over it.

Our energetic horse buyer, Mr. George W. Wood, has a choice stable of horses, ready for shipment to Sydney.

THE EXAMINER still continues its welcome visits. We rejoice at the progress you are making for cleaner Government. Your paper is a credit to Canada for its manly advocacy of righteousness and against boodling. Our prayer is may you long be able to continne your work and fight the good fight.

BULLER.

Earnscliffe Notes.

Mr John McEachern, Cherry Valley, is very ill.

Miss Ella Robertson, of Marshfield, is visiting friends here.

Mr and Mrs Gilbert Court, of Suffolk paid us a pleasant visit last week.

Mr Daniel McRae, of Waterside, returned home from the Military School, Fredericton, on Saturday.

Mr. Robert McRae, formerly of Seal River, returned to the Island last week from his visit with friends in Liverpool, England.

Mr Frank Mutch, who raises some fine horses, recently sold his young Administrator-Right mare, Portage Girl, to Mr Oliver Mason for a snug sum.

Why would it be impossible for the Minto to get stuck in the ice if Sir Louis Davies were on board? Because there would then be wind enough to blow her through an iceberg.

The concert in aid of the hopital, held at Vernon River Bridge on Friday evening, was a decided success, the hall being crowded and the programme well rendered. About $40 in all was realized.

Mat-hooking is now the order of the day with many of our young ladies, and judging by the dazzling colors in some of those mats I conclude that my old woman expressed a popular feminine sentiment when she remarked that a young man's heart can be reached through his eyes as well as his stomach!

Two men coming from the city got their horses in the ice off Wright's point, a few days ago. They were travelling on the line of bushes from Pownal to Cherry Valley, and it was with the greatest difficulty that they succeeded in saving their teams. This part of the ice is dangerous every mild winter, and early every spring, and it is strange our supervisor allows the line of bushes to go over it, thus leading travellers into a trap.

Will somebody please solve this problem: A goes into a store in Charlottetown and buys an article for seven dollars; an hour later B goes into the same store, and, by what is known as "the beating down process" obtains an exactly similar article for six dollars. Now, to my mind, the problem is this: Does B cheat the merchant out of one dollar, or does the merchant appropriate a dollar of A's money for—well, missionary purposes.

TEACHERS' ASSOCIATION.—A meeting of the King's County Central Teachers' Institute will be held in Georgetown Friday evening 23rd., at 7.30, in the school house. Mr. G. J. McCormace, I. P. S., is expected to be present, and an enjoyable time is anticipated. All persons interested in educational matters are cordially invited to attend.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhœa. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalcuable. Be sure and ask for Mrs. Winslows Soothing Syrup.

MILBURN AND VICINITY.—Our school has a large attendance, and knowledge is being imparted to the pupils by Daniel McDougald. Marie mill s, under the able management of John Long are giving entire satisfaction. Rumor has it that a large bear is prowling around, but as yet searching parties have failed to locate him. Our veteran citizen, Mr. Wm. Moore, is quite vigorous and animated and can chop a day in the woods or trip the light fantastic toe with any of our fellows, despite the fact that he celebrated his 89th birthday last week. A new Post Office is to be opened shortly on Marsh Road, to be officially known as Morell East. Some time ago a number of Boers were to be found around here, but they have all disappeared, the last having been seen last Friday morning. Politics are a dead issue here at present the Grits been ashamed to appear in public.

The following extracts from the reports of the Secretary and Treasurer may be of general interest:

"Milk received at the factory from 1st of March to 10th of June 33,293 lbs; manufactured into butter 3.55 lbs per 100 lbs of milk.

"Average value to patrons per 100 lbs of milk 52¼ cents. From June 10th to October 28th 654,267 lbs of milk were manufactured into 32,367 lbs of cheese an average of 1048 lbs of milk to a pound of cheese. Average price obtained for cheese 9.99 cents per pound. Average value of milk to patrons per 100 lbs, 77 cents. Milk manufactured into butter from October 28th to the end of the year 86,671 lbs. 466 lbs of butter to 100 lbs of milk. Average value of milk to patrons 81 cents per 100 lbs.

"Six patrons furnished over twenty thousand pounds of milk during the season; the largest amount by Wm. McKenzie, Bay Fortune, 31,551 lbs. Five of these furnished 123,695 lbs from 46 cows at an average value of $20.36 per cow.

"The shareholders received a dividend for the season of 8 per cent, making a total dividend of 58.50 per cent, since the factory started in 1893."

DR. GAUTHIER ENDORSES

The statement that Mr. Major owed his life to . . . . DR. CHASE'S Kidney Liver Pills

Dr. J. T. A. Gauthier, of Valleyfield, Que., writes: "I, the undersigned, certify that the contents of this letter, in regard to the cure of Mr. Isadore Major, by the use of Dr. Chase's Kidney-Liver Pills, is correct."

Here is Mr. Major's letter: "After 20 years of suffering from backache and kidney disease I owe my life to Dr. A. W. Chase. I had tried an endless variety of remedies to no avail, and on the recommendation of a friend began the use of Dr. Chase's Kidney-Liver Pills. Two pills that night and two next morning gave great relief, and I continued their use until now I am completely cured. My friends are surprised and pleased to see me well again, for I spent hundreds of dollars in vain trying to get cured. Before using Dr. Chase's Kidney-Liver Pills my back ached so I could not put on my shoes and couldn't lift 20 lbs. My shoulders were sore, I had headaches and a bad taste in the mouth. These troubles are now entirely gone and what I say I am ready to prove. I have told my friends of my wonderful cure, and many have been greatly benefited by using these pills."

Dr. Chase's Kidney-Liver Pills are the greatest kidney cure the world has ever known. One pill a dose, 25c. a box at all dealers, or Edmanson, Bates & Co., Toronto.
