HOUSE ENTERED—While Mr and Mrs. Jesse Huestis, Convent Street, Summerside, were at church last evening their home was broken into and ransacked. Entrance was gained by breaking a rear porch window. While drawers and cupboards got a good going through, the only articles reported stolen last night were a watch, an Eversharp pencil and a flashlight. A more complete check may indicate other articles missing. It is likely that the thief or thieves were more interested in money than in anything else as far as can be learned they did not get any.

ARMISTICE DAY PROGRAM—An Armistice Day program was observed on Friday morning at the Senior Assembly in the Summerside auditorium with the supervisor, Mr. Clarence Mercer presiding. After the singing of "O Canada" with Miss Geraldine Fowler at the piano and Mr. J. H. Leuty directing, the Last Post was sounded by Sgt. A. G. Gallant of the P. E. I. regiment, followed by a minute's silence. A tribute to the Fallen was read by Jackie Noonan and Reveille by Sgt. Gallant. The chorus "These Things Shall Be" with music composed by F. L. J. G. Masters, now living in Ontario, but during the war stationed with the R.A.F. in Summerside, was sung by the pupils of Grade VIII. Donald Gay read "In Flanders Fields". Mr. Francis McNeill introduced the guest speaker, Mr. Earl Cannon, president of No. 5 Branch of the Canadian Legion, whose theme was the Poppy, which represents sacrifice and remembrance. The speaker stated that the poppies had been made by the aged and disabled veterans at Vetract and that 2,000 branches of the Legion throughout Canada were distributing them. The proceeds of the sales will be placed in a Special Relief Fund for emergency in giving assistance to veterans and their families. After the singing of "O God our Help in Ages Past" Dickie Wedge, on behalf of the Students' Council of which he is treasurer, presented Mr. Cannon with a Memorial wreath, costing \$5. This wreath was displayed by Thane Baglote and was laid at the Cenotaph on Saturday morning by Barbara Taylor whose father, Lieut. Arnold D. Taylor, made the supreme sacrifice in World War II. The National Anthem brought the Assembly to a close.

Fill the old bus up with poultry and head for Kensington Tuesday. We will send you home (financially) happy.
There is an old saying in the poultry buying business:
As follows—
The only thing worse than not buying enough poultry is buying too much.
Meaning—
It would be nice if the bulk of your fowl and chicken were sold before turkeys, ducks and geese appear. Besides creating unnecessary competition, excessive receipts make depressed prices.

The heavy laden baskets which were carried in by Mrs. Ethel Murray and Miss Elaine Murray, were opened by Miss Jean McCarville and Elaine Hammill while Miss Annie Sherry read the accompanying verses and good wishes. The costly gifts which included linen, blankets, dishes, kitchen ware, electrical appliances and a large sum of money were neatly arranged in the table by Miss Aireda Sherry and Miss Marjorie MacFarlane. Miscouche Legion Remembrance Day Dinner

A large attendance and an interesting program marked the annual Remembrance Day dinner of the Miscouche Branch, Canadian Legion, Saturday evening in the Legion Home. Mr. P. C. Martin presided. Special speaker for the evening was Judge J. S. DesRoches who took as his subject "Our Heritage." This he said was composed of "our Christianity, our fine stock of Canadian people and Canada, our country." Judge DesRoches pointed out that these attributes were freely handed down to this generation and that in turn should be passed to the next generation enhanced and enriched. He said that this heritage has been preserved in two world wars and now the war clouds were once more ominously gathering to threaten a free world. "We must be aware," the speaker said, "that we cannot continue to enjoy privileges we now enjoy, unless we are prepared to work and fight for them." The following toast list was honoured: The Canadian Legion, E. E. S. L., Major J. S. Wright, E. D.; Women's help in wars, Mrs. Basil Kelly; His Majesty's forces, Group Captain H. G. Richards, O. B. E.; Ladies' organizations, Mr. J. F. Arnett; Our country, Mr. R. R. Bell; The Navy, Captain Basil Kelly. In responding to the toast to the forces GC Richards said, "We are at war. That fact is not always realized. Three destroyers are fighting in the east; elements of the Canadian brigade has arrived in Korea; a transport squadron is taking part in the air war. When we say we have still time to prepare we are deceiving ourselves. We are at war. It may not be in black and white but we are at war." Others who spoke were Rev. S. R. Prince, His Worship, Mayor Henry Wedge of Summerside, honorary president of the branch; Rev. M. Monaghan, Ray Farrell, president of the branch, A. H. Hubley and R. H. Phillips. After the dinner a dance was held for the members, invited guests and their ladies.—S.

Record Attendance At Memorial Day Service

The largest crowd of people ever to be present at a Remembrance Day service assembled in Memorial Square, Summerside on Saturday morning to join in honoring the dead of two world wars. It seemed to be the general opinion that the program was one of the most appropriate and impressive ever held here.

The various units paraded to the square independently and formed up around the War Memorial. For fifteen minutes prior to eleven o'clock the chimes of Trinity United Church, which is located next the square played appropriate hymns. At eleven o'clock the two minutes silence was observed, broken only by the reading of "They Shall Grow Not Old" by Legion president, Mr. Earl G. Cannon, who presided.

This was followed by a firing party from C Squadron of the 17th Recce Regiment under the command of Sergeant-Major Emmett Trainor and the sounding of the Last Post and Reveille by Bugler Alban Gallant. The prayer and benediction were given by Legion chaplain, Rev. K. G. Sullivan, pastor of Trinity United Church. His Worship, Mayor Henry Wedge spoke briefly and said that "today the nation honors those who gave their lives for their country." He pointed out that the progress that Canada has made has been accomplished by sacrifice by many people of many generations. "Today it is our duty to be equal to the demands made on us at a time when the world is torn by strife." The address was given by Group Captain H. G. Richards, O. B. E., who said he would open with this quotation from a veterans' magazine, "Our heritage has always been freedom. We can not afford to relinquish it. Our armed forces shall safeguard that heritage provided we do our share to preserve it." GC Richards said that on this Remembrance Day the most important thought he could leave with the audience is the Boy Scout motto, "Be Prepared." The singing of "O Canada," "O God Our Help in Ages Past" and the National Anthem was by the Trinity male octette from the Church through the amplifying system. The first wreath was laid by Mrs. W. J. Sullivan representing mothers whose sons in service. Wreaths were then laid in the following order: Canadian Legion, R. C. A. F. Association, Ladies Auxiliary of the Canadian Legion, Brigadier G. G. K. Peake, C Squadron 17th Recce Regt., R. C. A. F. R. C. M. P., Dominion Government, Provincial Government, Chief Justice Thane A. Campbell, town of Summerside, various organizations and firms. Present on the stand were: Mr. Earl G. Cannon, Legion president, Dr. J. A. McPhee, honorary president of the Legion, Mr. G. Mulholland, president, R. C. A. F. Association, Chief Justice Thane A. Campbell, Hon. C. C. Baker, Minister of Agriculture, Hon. W. E. Darby, Attorney General, His Worship, Mayor Henry Wedge, Brigadier G. G. K. Peake, Group Captain H. G. Richards, O. B. E., members of the Legislature and Town Council. Following the service the parade marched off the square and by way of Spring and Notre Dame Streets to Summer Street where the salute was taken by Brigadier G. G. K. Peake in front of the Armouries. The parade was in the following order, R. C. M. P., pipes and drums, Legion color party, ex-service men, Royal Canadian Air Force, Air Cadets and was under the command of Squadron Leader A. H. Piroth. Later members of the Legion attended services at the war memorials at St. Eleanors and Travellers Rest and in the afternoon at Miscouche Catholic Church.—S.

Brig. Peake Is Speaker At S'ide Legion Banquet

Brigadier G. G. K. Peake, D.S.O., E.D., was the guest speaker on Saturday evening at the Canadian Legion Remembrance Day banquet held at Leo Coyne's Restaurant, Summerside.

Attended by one of the largest turnouts of the Legion in many years, the banquet was one of the most successful ever held. Mr. Earl G. Cannon, president of the Summerside Branch of the Legion was a capable and efficient toastmaster. In his address to the Legionaires Brigadier Peake spoke of the great achievements of the men of the Legion in two wars and of the grim necessity for them to continue the fight in the future if the future of the west is to be assured. "The Canadian Legion," he said, "ever since its beginning, had fought for the rights of the fighting man and, not satisfied with that, it has worked for the soldiers' rehabilitation program. The Legion sold the idea to the Government and that was a great score for the Legion. Furthermore the Legion had obtained required improvements in pensions, veteran allowances, and treatment for aged veterans. This," he continued, "is an impressive record. It's the old Piccadilly-on-leave spirit." Turning to the present international situation he spoke of the call from General Cerear for total preparedness. Enumerating the numerous trouble spots in the world where a shooting war is in progress, Brigadier Peake stated that "at all these points we are actually fighting Russia.

In European countries the people are again living under the threat of being once more overrun by invading armies. "There is very little that is reassuring in any part of the world today if you want to look at it straight in the eye." Toasts Honored The toast to the Canadian Legion was responded to by Major Arthur H. Peake, president of the Prince Edward Island Command; His Majesty's Forces by Squadron Leader J. C. Brown, the Ladies' Comrade D. O. Stewart. President Cannon briefly reviewed the history of the Canadian Legion from its beginning to this, the 25th anniversary. "There had," he said, "been many organizations formed with a view of looking after the welfare of the returned men but all efforts to bring them together in one body had been unsuccessful until the plan formulated by Earl Haig and later organized by Sir Richard Turner resulted in what is known today as the Canadian Legion B. E. S. L. President Cannon said that over \$1,000 had been realized this year in Summerside by sale of wreaths and poppies, money which will be used in connection with the Emergency Relief Fund. Throughout the evening excellent entertainment was provided by the members of the Legion and was highlighted by the songs of Bonnie Richards and Charlie Deighan. Summerside Y's Men Hear Talk On Korea
The regular weekly meeting of the Summerside Y's Men's Club held in the Olympia Restaurant on Thursday evening was addressed by Mr. George A. Fitch, a Y.M.C.A. secretary who spoke on Korea where he had worked for 28 months after his liberation. In his opening remarks he said he brought greetings from the five Y's Men's Club in Korea. Mr. Fitch said that as a Y.M.C.A. worker he has had a life of adventure, excitement and often danger but that the two recent years spent in Korea have been more filled with interest and significance than any similar period in his life. Korea, he said, was called by its own people "The Land of Morning Calm." Now it is more a land of mourning with a great deal of devastation. He gave a brief outline of the history of this country until its liberation from the Japanese after World War Two and then "Russia dropped the iron curtain at the 38th parallel." He said that the United States has made many tragic mistakes in foreign affairs and he hoped that the campaign of slander now being carried on against the Korean president, Syngman Rhee, won't be as successful as a similar campaign conducted against Chiang Kai-Shek, both men of unimpeachable character and integrity. The speaker said that while only three per cent of the people are Christians yet Christianity is the only living religion in Korea and it has an influence far beyond its proportion in numbers. Many Koreans have been martyrs for their faith and for democracy and the people of this continent should be proud to help them in any way they can. The speaker was introduced by A. S. Hopkins, who presided at the meeting. Charles Linkletter, chairman of the committee in charge of the ticket sale for the show being sponsored by the club gave a report. Dr. H. E. Clark, chairman of the health committee of the club also gave a report. It was decided that the club would, again this year, conduct the personal solicitation in Summerside for the Christmas seal campaign of the Tuberculosis League. Guests at the meeting were Messrs. Milton Mellich, Murray Willett, T. Earle Hickey, J. Y. Enman, J. E. Murphy and two members of the European air forces now training at the Summerside, air station.—S.
