Mr. James Vickerson of North River was elected president of the P. E. Island Jersey Breeders Association at their annual meeting held on Saturday night at the Exhibition Association office. Mr Bruce MacDonald of North Wiltshire was elected vice-president and Dr. J. T. Lantz was re-elected secretary treasurer.

The opening function of Commencement Week at St. Dunstan's University will take place in the College Chapel on Tuesday evening, May 19th, at seven o'clock, when Dr. Charles T. Boyd, Ph.D., S.T.D., Rector of St. Dunstan's Church, Fredericton, N. B., will preach the Baccalaureate sermon. The Hon. James Sinclair, Minister of Fisheries is scheduled to spend two days on the Island visiting a number of fishing stations beginning on June 16, when he expects to arrive in Summerside, according to information received by Mr. Walthen Gaudet, Secretary of the P. E. Island Fisheries Federation.

Tentative arrangements call for a visit to Charlottetown by the Minister on June 17th where he will remain over-night, leaving on the morning of the 18th to resume his tour on the mainland. This will be the first visit of the Hon. Mr. Sinclair since his appointment as Minister of Fisheries.

Two Charlottetown men were instantly killed at Johnston's River yesterday afternoon when the plane in which had taken off from a private airfield stalled 60 feet up and plummetted to the earth in a nose dive. It caught fire almost immediately and was completely destroyed but the bodies of the two victims were removed in time.

The men were Joseph Gillan, 39, the pilot and Wendell Ferguson, 26, both of this city. They had taken off from the field only ashort time before and were doing circuits of the airstrip when the motor stalled.

—The 50th anniversary of the ordination to the priesthood of Rt. Rev. G. J. MacLellan, V.G., was observed yesterday morning when St. Paul's Church, Summerside, was filled to capacity by members of the parish who came to assist at his Solemn High Mass and to pay tribute to their beloved pastor who had labored among them for almost a quarter of a century.

Monsignor MacLellan was the celebrant of the Mass, with Rev. Joseph MacLeod acting as deacon, and Rev. Joseph LeClair as subdeacon.

Seated in the sanctuary was Sir William MacMillan, K.C.S.G., Master of the Fourth Degree Knights of Columbus for Prince Edward Island and Nova Scotia. An honor guard of 4th Degree Knights was in attendance.

An object, described as a silver-colored disc, and by some as a luminous object, was sighted from the Summerside-Borden area about sunset last evening and caused considerable interest. A spokesman at the Summerside air station later said it was considered likely it was a radio-sounding balloon used for weather observation. At a high altitude it would expand to about eight feet in diameter. Such balloons are not used at Summerside but are used at Moncton, N. B. and at places in the U. S. A.

The Summerside air station did not send up aircraft but did notify the Air Traffic Control Centre at Moncton, whose responsibility it is to investigate the unusual.

TUESDAY

Johnny Pruitt, the New York middleweight who was scheduled to meet Harry Poulton on June 8, has been called in as a substitute on a New York fight card around that date and will be unable to appear in Charlottetown, Ivan Docherty of the Boosters Club and Islanders executive was informed yesterday.

However, Pruitt's place may be taken by a more capable New York fighter in the person of Gil Edwards. Both Pruitt and Edwards are managed by Bobby Gleason and Edwards will be available for a fight early in June.

The following outline of provisional plans for insurance of fishermen's boats and gear was given recently in the House of Commons by Hon. James Sinclair, Minister of Fisheries:

"For the small boat owner in British Columbia and the five Atlantic coast provinces, we propose to offer by July 1, or as soon as the administrative details can be worked out, the opportunity to insure his boat and its fixed equipment up to a maximum value of $7,500 for a premium of 1% per annum of the appraised value. In cases of total loss, there will be an indemnity of 60% of the appraised value. In cases of serious damage—over 30% of the appraised value—there will be an indemnity of 85% of the amount by which the repair bills are in excess of the 30% minimum.

Hon. Alexander W. Matheson Minister of Health and Welfare, was chosen new leader of the Liberal Party at a caucus of its members of the Provincial Legislature yesterday afternoon. He will replace Premier J. Walter Jones who was appointed to the Canadian Senate.

Two ballots were necessary to decide the man to lead the Liberals. Nominated at the start were Mr. Matheson, Hon. Walter E. Darby, Hon. Dougald MacKinnon, Mr. William Hughes, Hon. E. P. Cullen and Mr. W. F. A. Stewart. On the first ballot Mr. Matheson received 9 votes, the same number as Mr. Darby, while Mr. Hughes polled four and Mr. Cullen two. There are 24 Liberal members in the 30-man Legislature.

For the second ballot the two lowest candidates dropped out to leave it a straight battle between the Attorney General and the Minister of Health. When the vote was counted it read Matheson 13, Darby 11.

It is expected that Senator Jones will present his resignation as Premier to the Administrator, Mr. Justice Mark R. MacGuigan, sometime this weekend and at the same time offer the name of Mr. Matheson as the new leader of the Government.
