taught a lesson, not only to Russia, but to the world, that no reliance is to be placed in fortifications, however skilfully designed or strongly put together. The researches of science have not yet been pushed to their utmost boundary, nor the arts of destruction reached their limit, and the more sanguinary war is in its effects, the sooner it must come to an end We trust therefore, to another long reign of peace, and that the temple of Janus will not be again opened in our time at least. It were curious to speculate upon what new discoveries at ten and twenty year's universal peace would be likely to bring forth. We have already seen tunnels carried not only under rivers, and through mountains, but suspended at almost fabulous heights in the air, over arms of the sea permitting the loftiest vessels to sail beneath —locomotion effected with such rapidity as to outstrip time itself, and thought conveyed by lightning and with lightning speed. Should the experiment of this mammoth ship, the *Great Eastern*, be as successful as is anticipated by its projectors, a voyage round the world will be effected with less difficulty, than a passage half a century since across the Atlantic in the best appointed vessels, with all appliances and means to boot. Humble as we are, and small as our territory is, yet with its excellent soil and genial climate, there is no saying what may be in store for it.

The following are the sentences pronounced by the Court upon prisoners convicted this Term :—

John McDonald *alias* Kier, (assault,) 24 months' imprisonment, and to give security to keep the peace.

Alexander Galbraith, (larceny,) 1 month and hard labor.

Alexander Forbes, (manslaughter) 3 months' and fine of £20.

John Williams, (assault,) fine of £5.

We shall take an opportunity of making some comments on these sentences when we reprint the judgments of the Court on the points reserved.

We beg to call the attention of our readers to the Milton Tea Party TO-MORROW. We trust, that the weather will continue propitious. We have heard that preparations are upon a scale to ensure gratification to those who may be of the party.

WM. MURPHY, Manager.
March 10, 1856.

The Art Union of Glasgow.

PATRON:
His Royal Highness the Prince Albert.
PRESIDENT
His Grace the Duke of Hamilton, Brandon, and Chatelherault.

The object of the Art Union of Glasgow is, briefly, to aid in extending amongst the Community a knowledge of the Fine Arts, by the purchase and dissemination amongst the Members of Meritorious Works.

A Subscription of ONE GUINEA constitutes Membership for One Year. The whole Subscriptions, after deducting the necessary expenses, are devoted to the purchase of Pictures, Drawings, Sculptures, Engravings, and other Works of Art. Each Member for the present year, for every Guinea subscribed, is entitled to the following privileges :

I.—To a Copy of each of the following beautiful Line Engravings on Steel ;—

THE FIRST BORN, after the Painting by W. COPE, Esq., R. A., Engraved by T. Vernon, Esq.

THE VILLA FOUNTAIN, after the Painting by W. L. Leitch, Esq. Engraved by W. Forrest, Esq.

II.—To one chance of obtaining, at the Annual General Meeting, in 1856, for every Guinea Subscrbed, a PAINTING, STATUETTE, or GROUPE in Parian; Fac-simile in Chromo-Lithograph, copied from First-class Painting, executed expressly for the Society ; or other Work of Art.

NOTE.—Subscribers for more than one Share have the following privileges :—

TWO SHARES.—Two Chances for the Prizes, and of each of the Engravings for the year, Two Prints or a Proof on India paper.

FIVE SHARES.—Five Chances for the Prizes, and of each of the Engravings for the year, Five Prints or a Proof before Letters.

TEN SHARES.—Ten chances for the Prizes, and of each of the Engravings for the year, Ten Prints or an Artist Proof.

Subscribers for this year can take a Print of a former year in place of this year's; but of former Engravings, there are no Proofs to be had. The following is the list of former Prints, issued by the Society :—viz. THE HERMIT—ITALIAN SHEPHERDS—PRINCE CHARLES EDWARD—HARVEST—MAY MORNING—WHITTINGTON—HAGAR and ISHMAEL—HEATHER BELLES—THE KEEPER'S DAUGHTER—THE RETURN FROM DEER-STALKING—and COMING OF AGE. There are a few Proofs before Letters of Deer-Stalking on hand.

Of Artists' Proof, and Proofs before Letters, *a very few will be printed*, and these will be delivered strictly in the order, that Subscribers names are received, a few of each being retained for Subscribers, names abroad. The Engravings being on Steel and in Line, no inferior impressions will be issued

The Committee most respectfully yet earnestly solicit those Gentlemen who are already Members of the Society to do what they can to increase the number of the Subscribers, and thus put the Society in a situation to advance still more than they have yet been able to do the cause of Art in the United Kingdom.

SUBSCRIPTIONS will be received at the Office of the Society, 20, ST. VINCENT PLACE, Glasgow ; by any of the Members of the Committee of Management; and by the Honorary Secretaries appointed thrroughout the the Country.

ROBERT A. KIDSTON.
Acting Secretary,

Mr. G. T. HASZARD, Honorary Secretary for CHARLOTTETOWN, PRINCE EDWARD ISLAND.

THE Committee of The Art Union of Glasgow have to have state to the Members of the Society and to the friends and lovers of Art, that to obviate the complaints of the delivery of the Prints for the year to the members, they have this year determined to issue in place of one Large Print which would take above two years to print, Two Prints of a smaller size, but which can be printed in such time, as will enable each Subscriber to receive them during the currency of the year, *each being of greater value than the amount of subscription.* These Plates are specimens of the very highest class of Art both in their subjects and in their execution, and may indeed be designated Gems of Art; they have also by adopting two plates for the present year, been able to make such arrangements as enable will them in all future years, to continue the giving the Engravings on payment of subscription, and at the same time secure to the Members works of the highest class.

The delay in issuing the plate for last year, (Coming of Age,) was impossible to avoid, so long time being required to print the large quantiy, that was wanted, and at the same time keep up the quality of the impressions, the latest of which they are happy to say, will be found to be most excellent in every respect; the Committee were determined that no inferior impressions should be issued, and in this they have been completely successful. For above a year, this plate has been printing night and day, and will still continue to be so, till every member has received his copy.

Having explained as to the delay that has taken place in delivering the prints of "Coming of Age" the Committee hope, that the Members will be satisfied with the explanation, and having *two such fine Engravings this year*, that they will continue their support to the Society, and that this year there will again be a large increase to the list of of subscribers.

t Having said so much regarding the Engravings hey will only shortly draw attention to the Prizes to e distributed among the Members at the annual meeting:—every care will be taken to secure Paintings of high merit, and arrangements are making to have a large number of a first rate work of Art in Chromo-Lithography; they are encouraged to spare no labour in attaining this, by the great popularity of the Fac-simile of Mr. Gilbert's Painting of "Spanish Peasants going to Market', which was issued last year, and they have no doubt but they will be able to bring forward a work of Art in this department which will not fail to be as popular as the last, and as high in character as a work of Art. Arrangements are also making to have fine specimens in Bronze, Parian, &c. As these arrangements are completed, the various Honorary Secretaries and Agents will be duly advised.

In conclusion, the Committee trust that as The Society is now highest on the list of such Institutions in the World, by the exertions of their friends they will still be enabled to keep this position, and the Committee are determined that no effort on their part will be wanting to insure this being attained.

ROBERT A. KIDSTON,
Acting Secretary.

Subscriptions will be received, and specimens can be seen at HASZARD & OWEN'S Bookstore.
