Braves Beat Cardinals; Brooks Defeat Pirates

MILWAUKEE (AP) — Henry Aaron, whose 11th-inning homer ended the National League pennant race Monday night, celebrated Tuesday night with his first grand-slam homer as Milwaukee Braves whipped runnerup St. Louis Cardinals 6-1.

Aaron got the first grand-slam hit of his major league career in the first inning off starter Sam Jones. The drive in the right-field grandstand seats followed an infield single by Red Schoendienst, a single by Johnny Logan and a walk to Eldie Mathews.

The homer, Aaron's 44th of the season and the 110th of his major league career, brought defeat to Jones.

Warren Spahn hurled a five-hitter Tuesday night and posted his 21st victory of the season against 10 losses.

The Cardinals' only run came in the third inning when Stan Musial doubled and scored on a single by Del Ennis.

BROOKLYN (AP) — Young Danny McDevitt tossed a five-hit shutout Tuesday night as Brooklyn Dodgers, playing what in all probability was their final game in Ebbets Field, defeated Pittsburgh Pirates 2-0.

McDevitt fanned nine, walked only one and three of the Pirate hits were infield singles.

The Brooks backed him up with a run in the first on a walk, error and Elmer Valo's double, then added another in the third on Gino Cimoli's infield single, an infield out and Gil Hodges' single.

Both runs were off rooke Bennie Daniels, making his first major league appearance.

PHILADELPHI A(AP) — Curt Simmons shut out New York on four singles Tuesday night as Philadelphia Phillies closed the book on their season's series with the Giants with a 5-0 victory.

The Phillies chased starter and loser Curt Barclay with a pair of runs in each of the first two innings. They added the other off Ray Crone in the sixth.

WASHINGTON (AP)—Ted Williams smashed his 38th home run Tuesday night as Boston defeated Washington 2-1 behind the five-hit pitching of Frank Sullivan.

Williams slammed his home run in the fourth inning. It proved the decisive blow of the game. He later struck out and walked.

The Red Sox scored in the th inning when Sullivan singled and Jim Piersall singled.

Washington got its only run in the sixth on singles by Pete Runnels, Clint Courtney and Harmon Killebrew.

KANSAS CITY (AP)—Chicago White Sox, who lost their ultimate chance at the American League pennant following a Kansas City victory Monday, beat the Athletics 7-6 Tuesday.

Ron Jackson led the Chicago attack with four safeties.

Nellie Fox and Earl Battey, who hit a home run, contributed three each.

The Sox scored all of their runs in the first four innings as they hammered George Brunet, Wally Burnette and Harry Taylor.

The athletics scored three in the first two innings against Bill Fischer but Don Rudolph, rookie left-hander, came on to set them down on one run and four hits through the next six frame.

The Athletics had two homers, contributed by Billy Martin and Bob Cerv.

Yvon Durelle Will Try To K. O. Besmanoff Tonight

DETROIT (AP)—Yvon Durelle, British Empire light heavyweight champion who has scored five knockouts in his last seven starts, will go after another one tonight when he faces Willi Besmanoff in an over-the-weight 10-round bout.

The free-swinging French Canadian from Baie St. Anne, N.B. has been fighting professionally for seven years but it was a 10 round draw with Tony Anthony in the same Detroit Olympia ring that thrust him into title consideration.

Tonight's bout against Besmanoff, who comes from Munich, Germany, will be nationally televised and broadcast (ABC, 11p.m. ADT). It will be scored under Michigan's five-point must system.

The outcome of last Friday night's light heavyweight championship bout between Achie Moore and challenger Anthony had an important bearing on Durelle's future as a fighter.

"I would have given up hope if Anthony had been the winner," said the squat, rugged Durelle. "We tried to get a rematch with him after the draw but it was no use."

Moore, after knocking out Anthony in the seventh round, announced he would like to take on Durelle in a title bout within six weeks.

Durelle is an 11-5 favorite to whip Besmanoff, who began fighting in this country earlier this year after campaigning in Europe four years. Besmanoff, who has 36 wins in 51 fights, will have at least a 10-pound weight advantage over Durelle who is credited with 42 victories in 59 bouts although he says he has engaged in more than 100 professional bouts.

"I will try to knock out Besmanoff," said Durelle. "A decisive victory would mean a lot toward the match with Moore."

Letourneau Says Move Up Durelle

QUEBEC (CP) — Gene Letourneau, national commissioner of the Canadian Boxing Federation, announced Tuesday he has recommended to the National Boxing Association that Yvon Durelle of Baie Ste. Anne, N.B., be rated second in the world light heavyweight category so he can have a shot at Archie Moore's title.

Letourneau, only Canadian on the NBA rating committee, said the fight would belong to Canada and should be held in Montreal or Toronto, "but the preference should go to Montreal."

Durelle, Canadian light heavyweight title holder, has said he hopes Moore meant it when he said he would give him a chance at the world championship.

The Canadian, who has a draw against Tony Anthony, is to fight German heavyweight Willi Besmanoff tonight at Detroit. Anthony was knocked out by Moore

SPORT ECHOES

Game Was A Thriller

The Summerside Midgets won the N.B.-P.E.I. Title at Chatham on Sunday in a game which for tension and thrills equalled any of the old games between the Summerside Intermediate Maritime Champs and their opponents. John Bethell, on the mound for our Midgets, is probably the best pitching prospect to be seen in these parts for a good many years. Only 15, he has the speed of a senior, and exceptional control.

Summerside has two fine young catchers in Dennis Arsenault and Gerald Gay. When Arsenault was found to be a month too old, there was gloom in the Summerside camp for Dennis had played a star game in that Summerside contest which was thrown out. Gay was sensational as a substitute. He is probably not as potent as Dennis with the willow, but as a defensive catcher, he's about the best around. Strange part about it, Gay might not have had a chance to show his wares, if it were not for the decision the Maritime Body made in not allowing any substitutes for the two boys declared ineligible. The local management were considering a boy named Richards but he was not on the original list so Gay got his chance. This uncompromising attitude on the part of the association authorities was a lucky break for Summerside.

One of the Chatham coaches gave as a reason for the above decision the fact that it was contrary to New Brunswick regulations. May we suggest that the Maritime Body get regulations of their own as quickly as possible so that no one will have to depend on the rules of any particular province. What would happen if two of the provinces had a regulation diametrically opposed to each other?

The Chatham people, and there were a tremendous crowd of them, were generally sportsmanlike in their conduct. Quite a number of them came up to congratulate the boys after the game. There was one stunt pulled we had never seen before. The Chatham band played enjoyable music before game and in the intervals between innings. But their bass drummer used instruments to disturb Bethell on the mound. In the later innings every time Bethell went into his wind-up the drummer played a flourish of drum beats. Bethell said after it bothered him a little, but not too much. To us it seemed a breach of courtesy to a visiting team.

It's a little different, we think, in the case of individuals. We saw a pitcher in Toronto who bent over almost double and then came up slowly before making his pitch. The crowd used to groan in unison as he was coming up. Whether it got his goat or not, we don't know, but he was batted out of the box. For a member of an organized band to attempt to distract a pitcher seems, to us at least, a different matter. We have seen many bands in attendance at baseball games, but have never seen that trick tried before.

The prospect of having the Summerside Aces in a league with Charlottetown, Moncton and Amherst sounds exciting and it might prove a success. Much will depend on the even balance of the teams, and we notice that they are predicting that this will be the case. We're not sure we understand the rule about imports. Will Summerside be restricted to getting one import from Charlottetown, or as many as they wish. In other words, does the term "Local" as far as we are concerned mean "Summerside" or "The Island?" If Charlottetown is to have only one team. The Aces, as good as they were last year, will need additional strength to compete on even terms.

Another important point, we think, is the price of admission. Most fans will realize that the price would have to be raised, but how much? The decision on this may make or break the scheme. If the admission price is jacked up too high, it could easily cause such poor attendance as to wreck the project.

We've had our knuckles gently but firmly rapped for panning some of our local athletes, but doggone if we're not still unrepentant. We feel a sports writer must knock a little to offset his boosting. When you spread the old syrupy goo about every athlete you mention, it must get a bit nauseating to the reading public. A writer who is continually shouting praises is like a fawning flatterer who everybody knows is not sincere. Praising all comers to the skies tends to cheapen your bouquets. It's like awarding victoria crosses to everyone in the army who keeps his rifle clean. The writer who cries "Goodie, Goodie" all the time gets about as much attention as "The boy who cried wolf."

Maritimer On Czech Team

PRAGUE (Reuters)—A top ranking Czechoslovakia hockey team Tuesday signed Maritimer Bill Horner for the coming season.

Horner, 31, of Dartmouth, N.S. works as a clerk in the Canadian Legation here.

He will play right-wing for the Spartak Sokolovo in Czechoslovakia's major-hockey loop.

"I haven't played for over a year now but have tried to keep in shape by skiing and skating," he said.

Horner practices for two to three hours a day. He planned to play in the season's opener today but said he'd sit the game out because he isn't in shape.

"I don't want to let them down" he said.

Horner said he thought the west erner would be welcome on Czech teams.

The Canadian's wife and daughter are with him in Prague.

A clerk at the Canadian Legation in Prague, Bill Horner worked in the Maritimes as a theatre manager, first in Halifax, and later in Saint John, N.B. He also did a five-year hitch in the RCMP, at Charlottetown, Ottawa and in the North.

His family lives in Dartmouth. Mrs. John S. Horner, his mother, said Tuesday night she hadn't heard her son would play for the European team though he sent for his hockey equipment sometime ago.

Horner's wife and daughter are with him in Prague.

POSTPONE BALL

QUEBEC (CP)—The Govenor-General's ball, scheduled for Tuesday night, has been postponed because of court mourning for King Haakon of Norway who died last week. The ball will now be held early next year.

Robinson And Basilio Will Probably Fight In June

By JACK HAND
Associated Press Staff Writer

NEW YORK (AP) — A Sugar Ray Robinson-Carmen Basilio rematch in June probably will emerge from the smoke screen of conflicting reports following Monday night's bitter 15-round brawl at Yankee Stadium.

Basilio, the battle-scarred new middleweight champ, said he was not decided whether to continue fighting as middleweight or welter and wouldnt' decide for about 10 days.

In the bitter disappointment of defeat, the 37-year-old Robinson said "I don't know whether I'll ever fight again."

Basilio, wearing a patch over his left eye and eight stitches on his battered brow, visited promoter Jim Norris in the hospital this morning. Norris, president of the International Boxing Club which is appealing a court order to dissolve, said he would like to stage the return bout.

Although the rematch contracts call for a fight in 90 days at a 30-30 percentage split, it is unlikely the two will meet before next summer in a New York or Chicago ball park.

LOST A BUNDLE

Harry Markson, managing director of the IBC, said the promotion "los a bundle" both at the gate and on theatre-TV. He said a net gate of about $600,000 was needed to break even.

Reporters and boxing men still were babbling about the fierce contest in which Robinson, crumbling in the middle rounds, staged a brilliant comeback down the stretch. Expert opinion followed along the lines of a quick ring side poll that showed a 2-1 vote in favor of Basilio.

On the matter of choosing between the welter and middle titles, Basilio has Fred Saddy, executive-secretary of the National Boxing Association, on his side. Saddy said Basilio has 10 days in which to make up his mind.

Julius Helfand, chairman of the New York State Athletic Commission, said the law is plain in New York that a man winning a title in a heavier weight class automatically vacates his championship in the lighter class.

Asked his reaction to the announcement that referee Al Berl voted for Robinson 9-6, Basilio said.

"I thought maybe the referee was watching a fight out in Sandurky."

MORE TOURISTS

OTTAWA (CP)—A total of 574,926 foreign vehicles entered Canada under visitors permits during August, including the Labor Day weekend, the bureau of statistics reported today. This was a nine-per-cent increase over entries in August, 1956, of 526,738 when the Labor Day flow was not included. January-August entries this year rose five per cent to 1,946,904 from 1,843,937 a year earlier.

Remember When

Whitlow Wyatt pitched a five-hit shutout over Boston to give the Brooklyn Dodgers the National League pennant 16 years ago today, their first league championship in 21 years. Wyatt also pitched the Dodgers' only victory in the 1941 world series, which they lost to New York Yankees four games to one. Since then the Brooklyns have played six world series against the Yankees, their only world championship win coming in 1955.
