What is the matter with the Grits of the Island? Simply this, Mr. Laird is out of office, and there is no immediate likelihood of his securing a good remunerative job.

Attacks by the Russian peasantry upon estates of the nobles in the Odessa region are of frequent occurrence. Houses have been destroyed, personal effects and furniture demolished or stolen, and the proprietors and their families in some instances maltreated.

The Royal School of Art-Needlework at South Kensington, England, which was established partly for the purpose of restoring ornamental needlework to the high place it once held among decorative arts is thoroughly successful.

MARK LANGRAN, Esq., First Deputy Sheriff of New York City, recently said to a prominent newspaper reporter: "I had a very weak and painful back, and could find nothing to relieve it until I tried St. Jacobs Oil, less than four bottles of which cured me completely. I have recommended it highly."

The estimated expenditure of the city of Kingston for 1882 on behalf of the Public Schools is \$16,407.
