

FOLLOWING HIS arrival at Charlottetown's Airport last evening, noted North American authority on the rehabilitation of the disabled, Dr. Gustave Gingras of Montreal (left) is greeted by Dr. Todor Gencheff, chairman of P.E.I.'s Rehabilitation Council.

# Says Helping Disabled Links Divided World

Being a universal problem, rehabilitation of the disabled is one of the few things that still link the divided peoples of the world. Dr. Gustave Gingras, the Executive Director of Rehabilitation Institute of Montreal, said here last night.

## K. Of C. Makes Presentation To Rev. Francis Corcoran

In recognition of his many services to the organization while attached to the staff of St. Dunstan's Basilica Parish, the Charlottetown Council of the Knights of Columbus Tuesday night presented a suitable memento to Rev. Francis Corcoran who leaves here shortly to take his new duties as pastor of Cardigan Parish.

John Eldon Green made the presentation. Grand Knight Wilfred Driscoll was in the chair. Joe MacKenna, general chairman, reported that agreement had been reached in regard to the Council's regular activities in the coming year. Named to look the various phases of this work were:

Eugene MacDonald, Catholic activity; Mike Robinson, Council activity; R. L. Doyle, Fraternal activity; Leo B. Doiron, publicity; William J. P. Coughlan, Youth activity, and Percy Macdonald, membership insurance.

Reports heard from various chairmen indicated that several of the year's projects were now under way and several more emerging from the planning stage.

The usual Church Parade and Columbus Day Ball will feature Council activities planned for Columbus Day, October 12.

The financial statement read by J. J. Butler was adopted.

This was the first meeting held by the Council following the long summer recess.

## Flow Of Capital Into Canada Slowed Down Early This Year

OTTAWA (CP)—The flow of capital into Canada declined in the first half of 1958, reflecting a slower rise in the international debt.

Net imports of capital dropped to \$600,000,000 in the six months from the record \$855,000,000 in the similar period last year, the bureau of statistics reported Wednesday.

This was the capital imported to finance the deficit in international trade in goods and services. In recent years Canadians have been buying heavily in foreign markets, particularly machinery and construction materials for new factories, refineries, oil wells and mines. But in the first half of 1958, this buying eased as business activity declined.

For example, while exports of merchandise rose slightly to \$2,364,000,000 from \$2,317,000,000, imports eased to \$2,509,000,000 from \$2,836,000,000. So that the deficit in this field—the excess of imports over exports—dropped to \$145,000,000 from \$519,000,000.

Offsetting this to some extent was the continuing heavy deficit in tourist spending and interest and dividend payments.

Foreign tourist spending in Canada totalled \$108,000,000 compared with \$107,000,000 in January-June last year, but Canadian tourist spending in the United States and other countries rose to \$246,000,000 from \$242,000,000. On balance, there was a net drawing away of \$138,000,000 in tourist dollars from Canada, larger than the \$135,000,000 deficit last year.

Interest and dividend payments flowing into Canada in the six months rose to \$63,000,000 from \$62,000,000 while foreign drawings from Canada eased to \$256,000,000 from \$271,000,000. Here again the deficit was still heavy, totalling \$193,000,000 just slightly less than the \$209,000,000 a year ago.

Canada's net international debt at the end of 1956 rose to \$9,500,000,000 and probably increased to about \$11,000,000,000 by the end of 1957. The smaller rise in the first six months of 1958 boosts it to about \$11,600,000,000. Most of this reflects U.S. investment in Canada.

Of the net imports of \$600,000,000 in January-June, \$175,000,000 represented investment in foreign-controlled companies in Canada, a drop from the \$254,000,000 invested in this field last year.

Investment in Canadian-controlled companies abroad dropped to \$15,000,000 from \$42,000,000 a year ago.

Mrs. M.J. Lee, reported having attended the Provincial Convention as representative of the St. Pius X sub-division. She gave an interesting account of the meetings and stressed the need for prayers, among the members for religious vocations.

A discussion then took place about the annual fall dinner. It was decided to have a bazaar table or a White Elephant sale. Mrs. James Higgins volunteered to take charge of this booth.

## TO SPEAK

On-the-spot observations will form the background of a sermon entitled "The Battle for Russia's Soul" scheduled to be delivered Sunday morning in Charlottetown's Trinity United Church during the eleven o'clock service.

Speaker will be Rev. Dr. John Sutherland Bonnell, pastor of Fifth Avenue Presbyterian Church in New York City. Presently vacationing at his summer home near Georgetown, Dr. Bonnell earlier this year spent several weeks touring the Middle East and Russia in company with several other prominent American churchmen. The delegation was sent abroad by the International Council of Christians and Jews.

Dr. Bonnell's annual summer visit to his native Province will terminate this year on September 17th.

## City Hospital Nurses Alumnae Holds Meeting

Members of the Charlottetown Hospital Nurses Alumnae held their regular meeting last night at the MacInnis Cottage, Keppoch.

Despite the inclement weather a large number of nurses were in attendance.

The meeting was chaired by the president, Mrs. Wilbur MacInnis.

Reports were heard from the secretary-treasurer, and the various committee chairmen.

Business included the donation of a sum of money to the Charlottetown Hospital bazaar.

Following the adjournment of the meeting a social evening was enjoyed and a lunch of corn served by the following members of the lunch committee: Mrs. J. E. Corrigan, Mrs. Brendon Hennessey, Mrs. William Coughlan, Mrs. Wilfred Discoll, Mrs. Jack Ready and Mrs. James McTague.

**JUMPS RED LIGHT**  
NUERNBURG, Germany (Reuters)—Red traffic lights held up a Polish tourist bus Tuesday just long enough for one of the passengers to make his bid for political freedom. Former jazz band leader Joseph Neyd jumped off just as the lights were turning green. The bus drove away.

Falls, Gander, Bishop Falls, Botwood, Windsor, Norris Arm and possibly Lewisporte in east central Newfoundland.

The company now supplies power to the Grand Falls area but it buys the electricity from the Anglo-Newfoundland Development Company—a pulp and paper plant which purchases power from the transport department to supply Gander. Agreements with A. N. D. and the government will cease when the new plant goes into operation.

Mr. Ainsworth said the plant opening may be delayed because of the current shipping boycott here which has held up delivery of some heavy plant equipment.

**Nfld. Hydro Project Is Nearing End**  
ST. JOHN'S (CP)—One of the biggest hydro development projects undertaken in Newfoundland is nearing completion.

General Manager A. V. Ainsworth of the Newfoundland Light and Power Company said "barring delays" the new \$5,000,000 plant at Ratting Brook, near Grand Falls, will go into operation in November.

It will supply power to Grand Falls, Gander, Bishop Falls, Botwood, Windsor, Norris Arm and possibly Lewisporte in east central Newfoundland.

The company now supplies power to the Grand Falls area but it buys the electricity from the Anglo-Newfoundland Development Company—a pulp and paper plant which purchases power from the transport department to supply Gander. ## Former Argyle Shore Lady Dies Near Alberton

ALBERTON—Mrs. Alexander McNevin, a former resident of Argyle Shore, passed away at the home of her daughter, Mrs. Edgar Williams, near Alberton on Tuesday.

The former Christine Fisher was born at Clyde River in December, 1868. Some sixty years ago she was married to Mr. McNevin and went to make her home in Argyle Shore. For the last three and a half years she has lived with Mr. and Mrs. Williams.

All through life she had been a faithful member of the Free Church of Scotland, and a good member of the community in which she lived. She had always enjoyed good health until recently. During the last five years she gradually suffered the loss of her eyesight.

Mr. McNevin predeceased his wife twenty-one years ago, she is survived by the following sons and daughters:

Donald in Arlington, Mass.; Charles in Brookline, Mass.; Mrs. Edgar Williams (Margaret) of South Kildare; Neil in Somerville, Mass.; John of Boston; Alexander of Charlottetown and Mrs. Harry McPhee in Richmond, California. Another daughter, Mary Jane died in 1932. There are twelve grandchildren and five great-grandchildren.

The funeral will be today (Thursday) with a brief service at the Williams home at 10 a.m. followed by service in the Free Church of Scotland at DeSable at 2.30 p.m. Interment will be in the Argyle Shore cemetery.

## C.W.I. In N.S. Elects Officers

AMHERST (CP)—Mrs. U.J. Pineau of New Glasgow Wednesday was elected president of the Nova Scotia Catholic Women's League at their annual convention here.

Other officers included first vice-president, Mrs. Frances LeBlanc of Yarmouth and secretary Mrs. D.W. Campbell of Sydney.

Reports showed 77 sub-divisions of the 4,700-member league raised \$76,892 during the year ending April 30, 1958.

**FLARE AT FAIR**

**THE PRESERVING KETTLE**  
by Frances Beaton  
OF GENERAL FOODS KITCHEN

What's autumn without grapes? And what jelly cupboard is complete without Grape Jelly? Why not make your own, using this successful recipe?

**GRAPE JELLY**  
4 cups juice (about 3 quarts ripe Concord grapes)  
7 cups (3 lbs.) sugar  
1/2 bottle Certo fruit pectin

First, prepare the juice. Stem about 3 quarts fully ripe grapes. Crush thoroughly. Add 1/2 cup water; bring to a boil. Simmer, covered, 10 minutes. Place in jelly cloth or bag and squeeze out juice. Measure 4 cups into a very large saucpan.

Now make the jelly. Add sugar to juice in saucpan, and mix well. Place over high heat. Bring to a boil, stirring constantly. Stir in Certo at once. Then bring to a full rolling boil. Boil hard 1 minute, stirring constantly. Remove from heat, skim off foam with metal spoon. Pour quickly into glasses. Cover at once with 1/2 inch hot paraffin. Makes about 10 medium glasses.

What is pectin? It's the jelly substance found in all fruits in varying amounts. Certo is pectin extracted from fruits rich in natural substance, then refined, concentrated and performance-controlled. Your jam and jelly set exactly right when you use Certo and follow the tested Certo recipes.

Preserving Pointer. Never open a jar after sealing, to fill the space which may appear at the top. If the sealer is completely airtight and has been properly and sufficiently processed, the food will keep perfectly. Breaking the seal and adding more fruit may easily cause spoilage and waste the whole jar!

This is my last column for the year. What fun it's been visiting with you! I know that you and your family will truly enjoy all the good things you've been able to preserve so successfully by following these tested Certo recipes.
