NICE Bologna Sausage at A. L. Bridges & Co.

D. C. MARTIN, M. P. P., has returned from St. John, N. B.

THE surveying steamer Gulnare arrived from Quebec yesterday afternoon.

AN apple, so deformed as to resemble a human face, is the sensation of the day in Halifax.

THE bark Ralph B. Peake, which has been at Pictou undergoing repairs, arrived here this forenoon.

THE steamer Alert sailed from Halifax on Wednesday afternoon, and arrived here at an early hour this morning.

A LARGE stock of glassware just arrived at R. K. Brace's. Glass tea setts only 45 cents. A $3 cruet at nearly half price.

THE members of No. 3 Company, 82nd Battalion, are requested to meet at the Drill Shed to-night, at 8 o'clock, to receive their drill pay.

NOTES by "George" on our first page are readable and well worth reading—particularly the paragraph respecting the encouragement of our home manufactures.

WE learn that Messrs. Hickey & Stewart have been obliged to build an extension to their factory premises in order to meet the demand for their manufacture of tobacco.

ONE hundred and nine weather predictions were issued for the maritime provinces during August, and of these 92 were fully and 10 partly verified. Only seven were not verified.

MR. J. A. LONGWORTH, the Deputy Prothonotary, was among the passengers on the steamer Worcester yesterday afternoon. He will spend a few weeks in Boston for the benefit of his health.

THE Scott Act cases were occupying the attention of the Stipendiary Magistrate as we went to press. Mr. F. Peters, counsel for the defendants, raised several objections, the principal one being that the Stipendiary, having instructed the police to lay the informations, could not sit as judge—in other words, he could not be both prosecutor and judge. Some three or four cases have so far been disposed of.

THE three-mile race at the Roller Rink last night was won by Newsom—time, 12 minutes. It was well contested until the third mile had been entered upon, when Brecken met with an accident to his skate and retired from the contest. A fair-sized audience were present and a good deal of enthusiasm was manifested. We learn that Brecken has entered a protest. The Band of the 82nd Battalion furnished good music.

ONE of the most notable of many instances of the value of advertizing is shown in the fact that on Tuesday evening last Messrs. Perkins & Sterns advertized their extraordinary sale in THE EXAMINER, and the next morning, and ever since the store has been overcrowded with customers, anxious to get bargains. So great is the rush that the buyers are being admitted in squads, the doors being, in the meantime, locked.

TO-MORROW, Saturday, Oct. 16., at half-past two o'clock, the auction sale of those beautifully situated Building Lots at the head of Queen Street will take place on the premises. The Brighton Brewery, the Farm in West Royalty and the Pasture Lots on the North River Road, known as the race course grounds, will also be offered immediately after the sale of the Building Lots. See advertisement and handbills with plan attached.—A. McNeill, auctioneer.

THE steamer Worcester, Capt. Allen, sailed for Boston at four o'clock last evening, with a general cargo and the following passengers:—Miss C. Macdonald, Miss M. Macdonald, Mr. Michael Sullivan, Master J. Sullivan, Miss McFadyen, Mrs. Hooper, Miss Buchanan, Miss C. Buchanan, Miss F. Buchanan, Mrs. J. Croak, Miss M Mooney, Mr. A. VanBuskirk, Miss Rayden, Miss J. McPhee, Mr. J. A. Longworth, Mrs. A. Anderson, Miss S. Dowie, Mr. Charles Morrison, Miss B. Morrison, Miss M. Buchanan, Miss S. McLeod, Mrs. W. Glevihill, Mr. William Arbing, Mr. M. Reid, Mrs. P. Trainor.

IT is said that a nice little scandal is brewing in official circles in Halifax. For some days past Inland Revenue Inspector Gordon has been there investigating charges preferred against District Inspector Borridale by Deputy Collector Dustan. Specifically these are: Dustan's removal from this office, to which he was appointed, and sending him to Charlottetown for a year, in violation of law. When Collector Grant left, this summer, Borridale took upon himself the Collector's duties, and degraded Dustan's rank. Borridale is looked upon as a "foreigner," as he was a captain in the British army before he was appointed.

WE have to acknowledge the receipt, from Mr. John Coombs, publisher, of a copy of the Memoir of Father Vincent de Paul, Religious of St. Paul, translated from the original French by Miss Pope, with a preface by the Rev. Dr. Cameron, Bishop of Arichat. The intrinsic merits of the work have already been mentioned by THE EXAMINER; and we shall now only quote the opening sentences of the preface:—

"The reply of Maximilian to the wealthy courtier who tendered him a goodly purse of gold for a title of nobility was worthy of that Emperor: 'I can enrich thee,' he said, 'but only thy own virtue can ennoble thee'. All true grandeur, excellence and dignity are the offspring of virtue."

A likeness of Father Vincent de Paul, obtained by means of the lately discovered process of photo-lithography, adorns the work, which is for sale at the book stores.

THE Gospel Army meetings just now seem to be inspired with new life and interest after a slight season of depression. Several important changes have been made. On Monday last Captain Enoch Thorley, wife and daughter arrived here from England to take charge of the Charlottetown Corps. Capt. Bartlett goes to Pictou for a short but well earned rest, after which she will take charge of the work in Summerside. Capt. Thorley holds the position of Divisional Officer and will open up new stations in this and the other Maritime Provinces. It was announced last evening that the Rev. M. Baxter, President of the Army, had arrived in New York and would probably visit this Island before returning to England. Meetings of the Army every evening as usual. The childrens meeting every Saturday at 3 o'clock. The new officers have had many years experience in the work of the Gospel Army both in England and Scotland, they are all good singers, and have already introduced some new songs and music. The little girl is called the Singing Pilgrim and well deserves the name.—COM

QUEBEC ELECTIONS.

NOTHING DEFINITE YET.

Conservatives "Hold Their Own"

MONTREAL, Oct. 14.

Montreal, as before, returns two Liberals and one Conservative. Three Rivers elects a Liberal by 15 majority. In Browne, Mr. Lynch, Commissioner of Crown Lands, is elected by a largely increased majority.

Returns are coming in slowly. It is hard to give a definite opinion on the result; but so far, there are no Conservative losses from the last House.

[The wires are interrupted, which prevents receipt of further news.]

LATER.

HALIFAX, Oct. 15.

It is reported here that the Quebec Government have secured thirty-two seats; the Opposition twenty-eight. Five constituencies still to be heard from.

A Big Blow.

CHICAGO, Oct. 14.

A terrible gale has been prevailing here nearly all day, accompanied by driving rain. The wind reached a velocity of 50 miles an hour. Trees in the public parks were uprooted, signs and roofs blown away, and a number of buildings on the outskirts of the city demolished. The gale is very severe on the lakes, and much damage to shipping is anticipated.

CINCINNATI, Oct. 14.

A despatch from Fort Wayne, Ind., states that a terrible gale from the south passed over that city this afternoon, and at two o'clock raged in full force. The oddfellows' temple, Censwer's brewery, bottling works and express office, together with some of the principal business bnildings were unroofed. A fire broke out in the outskirts of the city this morning, and at 2 p. m. five frame dwellings were in flames with the gale spreading conflagration.

A Fearful Fire.

EASTPORT, Me., Oct. 14.

A fearful fire is raging. Five sardine factories and several dwellings are already burned. There are no prospects at present of getting control of the fire. The telegraph office was destroyed early in the conflagration.

PORTLAND, ME., Oct. 14.

Details of the Eastport fire are very meagre. Enough is known, however, to indicate that the loss will aggregrate hundreds of thousands of dollars. It is believed that almost the entire business section of the town has been burned. The fire department was almost powerless from lack of water.

Sensational Reports.

ST. LOUIS, Oct. 14.

A special from El Paso, Texas, says a report is in circulation there to the effect that the ex-President Gonzales, of Mexico, has been assassinated. Other startling rumors are afloat here to the effect that the Mexican Government is again struggling to suppress an insurrection movement. It is reported that over twenty persons have been shot by order of the Mexican Government. It is also reported that Romero Rubie, Minister of the Interior, has been kidnapped by insurgents.

Destructive Prairie Fires.

SHERMAN, Tex., Oct. 14.

Late advices from the Indian territory state that the most extensive and destructive fires ever known in that territory are sweeping over the prairies. Millions of acres of rich grazing lands are now barren charred wastes. Large numbers of cattle were burned to death and immense quantities of hay destroyed.

A Town Washed Away.

GALVESTON, Tex., Oct. 14.

The town of Sabine Pass, at the mouth of Sabine River, is reported entirely washed away by a terrific storm on Tuesday night. Over fifty lives are reported lost, out of a total population of 200.

The Freedom of the City.

LONDON, Oct. 14.

The corporation of London have unanimously adopted a resolution to confer the freedom of the city on Henry M. Stanley.

Killed.

BOSTON, Oct. 14.

John Murphy, of St. John, N. B., freight brakemen, was crushed between the cars last night and killed.

Weather Bulletin.

TORONTO, October 15—10 a.m.

THE PRESENT

IS A GOOD TIME TO BUY

Silver-Plated Ware.

Prices are Likely to Go Up.

The following is contained in a letter just received by us from a manufacturer:

"There is a regular boom in trade. Cannot send travellers out, have to keep them home to help to get out orders. Everyone crazy about goods. The whole west is in a ferment and prices are going to be higher, as it is utterly impossible to make the goods required."

The above state of the trade is in a great measure due to the fine exhibits of Silver Ware made at the Colonial Exhibition in London and the consequent popularity and demand for Canadian goods. We have a splendid show of

Sugar, Butter and Cream Dishes,

Cups and Mugs, Ice Pitchers, Pickle Dishes (colored and plain), Castors, Napkin Rings, Spoons, and all kinds of goods.
