

# National League Race Tightens As Cards Score 5-2 Victory Over Giants

The hot National League race — only 4½ games separate the top and bottom teams — drew a trifle tighter Monday as St. Louis Cardinals ran up a 5-2 victory over New York Giants.

The victory left the Cards only 1½ games behind the idle Brooklyn Dodgers who lead the circuit. Cincinnati is in last place.

Nippy Jones doubled home three runs in the fifth inning to set up the game and enable the Cards to sweep the two-game series. Gerry Staley stopped the Giants with a six-hitter for his sixth victory.

It was the only National League game scheduled for Monday.

Boston's Red Sox won a heavy-hitting American League game from Detroit Tigers 9-7. The Sox made merry with seven runs in the third inning but they needed Ted Williams' two-run homer in the seventh to pull the game out of the fire.

Williams broke his batting slump with three hits in four times at bat. He now is batting .247. His homer, No. 8 for the season, was lined off Gene Bearden, Detroit lefthander who made only eight pitches before he was yanked.

Bearden walked Tom Wright on a 3-2 count before Williams crashed a one-ball-no-strike offering for what proved to be the game-winning runs.

The loss, however, was charged to Dizzy Trout, first of six Tiger hurlers to see action. Trout was yanked in Boston's third after four runs were scored.

Big Vic Raschl turned in his seventh victory against one defeat as he pitched New York Yankees, American League leaders, to a 2-0 triumph over Stubby Overmire and St. Louis Browns. Yogi Berra drove in both runs on a single and fly out in the ninth game.

The defeat was a heartbreaker for Overmire. The little southpaw and Raschl were locked in a scoreless duel going into the sixth inning when the world champions broke loose against the League's cellar team.

Hank Bauer dribbled the ball down the third base line. The Browns elected to let it roll and it stayed fair. Joe DiMaggio and Berra followed with singles to score Bauer. An error by Fred Marsh helped the champions get another run in the eighth.

Chicago's high-riding White Sox won their fifth straight American League game when Joe Dobson, Billy Pierce and Harry Dorish combined to limit Washington Senators to four hits. The Sox won the game 5-3. Dobson was credited with the victory, his third without loss.

## Sugar Ray Stops Marcel In 5th Round

PARIS, May 21 (AP)—Middleweight champion Ray Robinson stopped Kid Marcel of France in the fifth round of a non-title fight tonight. The New York negro toyed with his rival for four rounds and then tossed some hefty punches.

Marcel's handlers quickly threw in the towel.

The end came after 57 seconds of the fifth while Marcel, French middleweight champion, was still on his feet and apparently unhurt. Robinson obviously meant business, however, and Marcel's handlers decided to take no chances on their fighter getting hurt.

A slim crowd of about 6,000 was on hand in the Palais des Sports to see Robinson make his first appearance of his current European tour. The champion received only a symbolic one franc. His purse was donated to the French Cancer Fund.

Although the bout was listed as non-title 10-rounder, Sugar Ray could have lost his title had Marcel been able to knock him out. That came about when both fighters weighed in at 155½ pounds, well under the middleweight division's 160-pound limit.

## Baseball Standings

Cincinnati	14	18 438

Games Tuesday: Brooklyn-Pittsburgh (N); Philadelphia-Cincinnati (N); New York-Chicago; Boston-St. Louis (N).

Near mid-summer weather over the week-end gave those of the summer sporting fraternity a great opportunity to get in their first action of the season in tennis and golfing circles, and both the Charlottetown Tennis and Golf clubs were busy with activity. Although neither are scheduled to launch their scheduled activities until the 24th of May (Thursday), such perfect weather was more than enthusiasts could pass up and many made an early debut for the season over court and fairway.

At the Charlottetown Tennis Club, nestled in its picturesque setting at Victoria Park, club members combined work with pleasure there on Saturday afternoon. Making the most of the weather a large turnout of the club was seen at the courts that were readied for play after the club members had been busy during the week-end. The weather was ideal, the courts were well maintained and the members were in good luck. The club members were busy during the week-end. The weather was ideal, the courts were well maintained and the members were in good luck.

## JAYGEES TURN

(Continued from Page 1)

Christmas, New Year's and Good Friday would not be affected.

The second Halifax resolution stated that the Chamber approved the "decentralization of new industry, whether it be for war or peace, to the extent that it is efficient to the long-term stability of the Canada economy."

The resolution noted there are large resources of manpower and material available elsewhere in Canada than in the Central Provinces where industry is largely located.

A resolution submitted by the Chatham, Ont., and Trail, B.C. Junior Chambers was passed. It approved Federal Government plans for a constitutional amendment giving the Provinces powers of indirect retail sales taxation. It said that any increased taxation of Canadian citizens at the present time should be levied for defence purposes only.

The chamber voted down a resolution by the Edmonton Junior Chamber of Commerce that all public appeals by various health organizations be consolidated into one Canada-wide appeal.

A resolution by the Victoria Junior Chamber that divorce proceedings be first introduced in properly constituted family courts for a solution was opposed.

A resolution by the Halifax Junior Board of Trade seeking support of the Canadian Federation of Mayors and Municipalities to make daylight time uniform in all regions of Canada was opposed.

The players, Vaughan states.

"At Briggs Stadium this season," he continues, "the Tigers have already played an unprecedented number of overtime games. They, of necessity, are longer but there is still no reason why an ordinary contest shouldn't be run off in two hours at the most. Many of them haven't. As a matter of fact a check-up shows that the first 22 nine-inning games played in the A.L. this season required an average of two hours and 25 minutes. That's too long. The fan who pays the freight despises long games — and if he doesn't, his wife does," quotes Doug. "A game that ran over two hours once was unheard of, but now they are having three-hour struggles. The majority of them are boring even on TV."

Vaughan seems to agree with that theme and is willing to go even further. "Such instructions should not be limited to National League umpires," writes Doug. "The same holds true in the majority of games that have been played thus far this season in the American League — and it is high time that Will Harridge, A.L. prexy, also did something about it. Attendance in both the major leagues is undoubtedly being hurt by over-ambitious umpiring and the lack of hustle on the part of

## Abrams Edges Robinson For N. L. Batting Lead

NEW YORK, May 21 (AP)—Cal Abrams, a Brooklyn boy who finally won a regular outfield job with the Dodgers, streaked past teammate Jackie Robinson to take the National League batting lead with a .431 average.

Abrams beat off Tommy Brown, Don Thompson and Gene Hermanski for the starting job in left field. He just about nailed it down Sunday with six hits in a winning doubleheader at Cincinnati.

Counting Sunday's games, Abrams has 25 hits in 58 at bats for a .431 mark, 27 points better than Robinson's .404. Jackie, of course, has almost twice as many at bats.

Pe Wee Reese, the Dodger captain, boosted his average to a third place .374 with a 15-game batting streak.

Duke Snider, another Brooklyn slugger, took over the R.B.I. lead from Chicago's Andy Pafko with 31. Pittsburgh's Wally Westlake hit three homers to tie Brooklyn's Gil Hodges for the lead. Each has 11.

New York's Al Dark still is tops in runs scored, 29, but yielded the total hits lead to Richie Ashburn of Philadelphia with 47. Six players are tied with nine doubles and Frankie Baumholtz of Chicago leads with four triples. Sam Jethroe of Boston leads in stolen bases with six.

Among the pitchers, Preacher Roe of Brooklyn (5-0) still is out front.

## BUT ENEMY

(Continued from Page 1)

rean capital. Munsan is only 10 miles south of the 38th parallel.

Reuters News Agency said British, Australian and Canadian troops, driving north of Seoul, came under Communist machine-gun fire at one stage but brushed the Communists aside and continued their advance.

(Bill Boss, Canadian Press correspondent, reported from the west-central sector that Canadian troops moved up 5,000 yards through pouring rain without meeting opposition.)

The Communists, however, still are capable of hitting back with heavy new attacks in the east, some 65 miles northeast of Seoul, if they can regain balance.

AP correspondent William C. Barnard, on the east-central front, said "The Communist timetable was thrown out of whack" by the stalwart defences of the U. S. 2nd Division.

This division handed the Reds, "one of the most stunning defeats of the war," in repulsing a savage five-day onslaught.

Estimated Allied losses for the five days of the offensive through May 20 were 1,618 dead and wounded, compared with 58,000 Communist casualties, the Defence Department announced from Washington.

Reports from the west-central front said the new Allied counter-thrusts forced the Chinese to begin withdrawing north of the Hengchong River. U. S. and Republic of Korea troops advanced through the rain, hard on the heels of Red rear-guards.

FARM MACHINERY — NO. 90 Massey tractors, harrows, scufflers, manure spreaders, hay rakes, hay loaders, milking machines. Take livestock in trade on tractors. Craswell and Silliphant, Farm Equipment, Hunter River.

## Sport Echoes From Prince County

—When the Summerside Town Council purchased the Brennan property north of the High School and announced that it was to be made into a recreation centre, they really started something. Never, perhaps, in the history of the town has such enthusiasm for summer athletics been in evidence as is the case this spring. The Summerside Athletic Association after having been in a sort of coma for two years has come to life with a bang. It is promoting baseball, football, softball, volleyball tennis, boxing, horseshoes and next winter they will have control of hockey. It will pay special attention to the young boys and girls of the town. Healthful recreation and amusement will be provided for Summerside young folk from the time they enjoy the splashing and capering of a wading pool until they're old enough to play in intermediate baseball and softball teams.

The association has an ambitious program for this summer. It will naturally take a lot of deflated dollars to keep their program running at fullspeed and they are asking the citizens of the town to come to the assistance in a number of ways next Monday evening. The whole-heartedness of the response will be the measure of the service to our youth which the association can give. The officials of the organization expect full cooperation from the citizens in this plan for a full sports program which should do much to fight juvenile delinquency.

The canvass will start at 6 p. m. Monday, May 28, and will conclude about five hours later. The town has been zoned and each zone commander has a group of collectors to carry out the work quickly and efficiently.

It is hoped that a baseball game will be played on the new Recreation Centre diamond on Victoria Day, but as yet no teams have been named. If the game is played, the players participating will certainly have had very little practice. No teams have been formed in Summerside as yet.

Such smooth performers as Jimmie Grady, Bob St. Pierre, Johnny Finn, and Bobbie Timmins, will not be seen in action this year. These boys will be missed, but with the emphasis to be placed on younger players, Summerside, should have in a few years a lot of first class material and all home brews at that.

## Kryhoski Heads Batting Race In American League

CHICAGO, May 21 (AP)—Dick Kryhoski, Detroit first-sacker, held the American League batting lead through Sunday's games with a .403 mark. Last week's pace-setter, Washington's Gil Coan, slumped 52 points from .412 to a third-spot .360.

Kryhoski with 26 hits in 62 trips held a 10-point margin over Philadelphia's Ferris Fain who boomed 11 hits in 25 trips during the week, for a 14-point climb to .393.

Fain's specialized department with 44 hits and 14 doubles. Cleveland's Al Rosen became the new runs-batted-in leader with 27, while Philadelphia's Gus Zernial moved into a tie with Boston's Ted Williams for the home-run lead at seven each.

Another new leader was New York's Mickey Mantle, tops in runs scored with 25. Busby continued as No. 1 base stealer with 10, while Coan and Minoza led in triples at five.

New York's Eddie Lopat continued his phenomenal pitching pace with two more victories and a league-leading 7-0 record.

## Boost In Trade

(Continued from Page 1)

restricted list to widen the varieties which may be shipped.

The British West Indies have been particularly anxious to get U. K. agreement on an increase in dollars to buy more goods from Canada.

Canada has repeatedly pointed out that the B. W. I. area last year purchased \$30,000,000 worth of goods from Canada, while Canada bought about double that amount from the British colonies. This left a big balance in favor of the B. W. I.

## Graziano Scores 3rd Round Kayo Over Greco

(By Vic Morris, Jr.) MONTREAL, May 21 (CP)—Rocky Graziano tonight scored a third-round knockout over Montreal's Johnny Greco in his Canadian debut in the feature event of a fight card. Graziano was a 2 to 1 favorite to take the Canadian welterweight champion.

The knockout punch came at 1:56 of the third on a right to the chin. Greco weighed in at 153 and Graziano at 161 1-2.

The crowd was 6,165. The gross gate was \$23,421 of which Graziano collects 30 per cent and Greco 25 per cent.

The fight opened at a fast pace, Graziano working a steady barrage of rights and lefts to Greco's head while the Canadian rained body blows at his opponent.

Graziano had the edge in the opening round. He rocked Greco with a left hand set up and a right hand follow through.

In the second round, the swarthy Greco unleashed a terrific attack near the end of the round. Backing Graziano into the ropes with hard body punches, Greco took the upper hand. He was following up his advantage in the third when Graziano bounced off the ropes to flatten him with a straight right cross to the jaw.

Greco went down for the full count. It looked like the end of the comeback trail for Greco who three years ago was a main bout in New York. He didn't seem to have the punch to hurt the heavier Graziano. There were no knockdowns until Greco hit the canvas.

Graziano, the heavy favorite, was 14-5 to K.O. Greco when he entered the ring. The Canadian Press score card had Graziano winning the first round, Greco the second and the Canadian again leading in the third.

In preliminary fights, Claude Fortin, 133, of Montreal, earned a six-round decision over Keith Paris, 133 1-2 of Halifax.

Roy Wouters, 161 1-2, of Montreal scored a third-round technical knockout over Ossie Farrell, 167 1-2, of Halifax.

The bout was stopped at 1:13 of the fifth when Farrell refused to mix it up and the crowd booed the bout.

## Maxim Says He Plans To Kayo Charles Next Time

CHICAGO, May 21 (AP)—After losing three decisions to Edward Charles since 1942, Joey Maxim has decided the way to beat the heavyweight champion in their May 30 title bout here is to knock him out.

"I'm going to knock him out, or get knocked out," the lightweight champion Maxim told sports writers today.

"I'll use my right just as much as my left; I'll work Charles into position with my left and rely on crossing my right to his chin to score a knockout," he said.

Just like that. Ray Arce, trainer for Charles who outpointed Maxim in two 1942 10-rounders and a 1949 15-rounder, said in rebuttal that Edward plans to keep on winning the same old way.

## Bratton Has Broken Jaw Patched Up

NEW YORK, May 21 (AP)—Johnny Bratton, who lost his National Boxing Association welterweight crown to Kid Gavilan Friday, had his broken jaw wired today. Tomorrow he'll have a cast put on his right hand. He broke two knuckles as well as his jaw in the losing fight.

## SNAP SHOT FINISHING

## Bowling Activity Continued For Ch'town Blind

Charlottetown's blind bowlers met again yesterday afternoon at the Rollaway Club alleys to play their four games of regulation candlepin bowling. Members of the Rollaway Club staff assisted these enthusiastic sightless bowlers and the scores made were as follows:

Miss Ida Alchorn... 55 61 54 65  
Mr. Russell Jenkins 64 63 39 63  
Mr. H. I. Warren... 39 31 29 30

One spare was attained by Miss Ida Alchorn.

## Rex Layne And Marciano To Fight July 18

NEW YORK, May 21 (AP)—Heavyweights Rex Layne and Rocky Marciano will get together in Yankee Stadium July 18.

Al Weill, matchmaker for the International Boxing Club, today announced he had closed for the 10-rounder.

The bout brings together the fifth-ranking heavyweight of the world in the 23-year old Layne from Lewiston, Utah, and the ninth-ranked heavy in the 26-year-old Marciano from Brockton, Mass.

Each boasts a sensational knockout record, although Layne has fought better fighters. Both have had plenty of set-ups, too.

Marciano has won all 34 of his pro bouts, 29 of them by knockouts. Layne has won 31 bouts, lost one and drawn two. He has scored 22 kayos. The stocky youngster moved into the limelight by upsetting Jersey Joe Walcott.

## Ike Williams Three Pounds Over Limit

NEW YORK, May 21 (AP)—Lightweight champion Ike Williams stepped on the scales at his Pompton Lakes, N. J., training camp and weighed 138 pounds, three over the poundage he must make Friday night.

He meets Jimmy Carter in a 15-round title scrap at the Garden.

## Sport Briefs

PHILADELPHIA, May 21 (AP)—The Dumont television network today purchased for \$475,000 the exclusive rights to televise, broadcast and film world championship games of the National Pro Football League for the next five years.

OWEN SOUND, May 21 (CP)—The City of Owen Sound will honor the Owen Sound Mercury's 1951 Allan Cup hockey champions at a dinner, presentation and dance tomorrow night. The Mercury won the Allan Cup by defeating Fort Frances Canadians.

NEW YORK, May 21 (AP)—The largest field ever to try for the United States open golf championship—1,480—has entered the 1951 tournament, the U. S. Golf Association announced today. The event will be held June 14-16 at Oakland Hills, Birmingham, Mich.

TOKYO, May 21 (Reuters)—Dado Marino, world flyweight boxing champion from Hawaii, defeated the Japanese champion, Yoshio Shirai, on points in a 10-round non-title bout tonight.

LONDON, May 21 (CP)—British exports to Canada in April were worth £14,200,000 compared with a £9,500,000 average for the first three months of 1951.
