

The Horse.

There is no question in the minds of all who have had experience in the matter but that hay and oats make the best feed for horses that are obliged to work regularly.

It is difficult in the present day to realise that wheat was at one time unknown in America; yet prior to the discovery of this continent by Columbus there was no cereal in America approaching in the nature of the wheat plant.

There is a romantic elopement reported from Niagara Falls—the parties being a Mr. Lawson, a custom house officer, and Miss Mary Saxe Colt, 19 years old and very pretty.

Evidence of the colossal swindles perpetrated by Jay Gould in connection with the Erie and other Railroads has been given before the Railroad Investigating Committee now in session in New York.

SEMINARY FOR YOUNG LADIES.

VISITOR: The Lord Bishop of Nova Scotia PRINCIPAL: The Rev. John Padfield.

THIS SCHOOL offers, at very moderate cost, the advantages of a comfortable and pleasant home together with a thorough and refined education.

The course of instruction is the same as that of the best Schools in England and is founded upon the University Examinations for Women.

The number of pupils is limited, rendering the School select, and while it possesses all the educational advantages of a large public school, each pupil is enabled to receive that individual care and oversight which is so important, and which cannot be given in a large establishment.

Mr. and Mrs. Padfield are assisted by a staff of four resident governesses, besides visiting masters.

Parisienne French is taught conversationally. There are two resident French Governesses.

References given to parents of pupils. For further particulars address the Principal. Sept. 19, 1878.

CATARRH.

Constitutional Catarrh Remedy CURES CATARRH.

Hear what a Reverend Gentleman says of the Constitutional Remedy.

T. J. B. HARDING, Esq., Brockville, Ont.—DEAR SIR—It is now two years since your "Constitutional Catarrh Remedy" was introduced to me. I have waited this long to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be "too good to be true."

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long. I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your agent came to Walkertown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite cured of that ailment, and have not used any since until of late I have taken some for a cold in my head.

A sense of duty to sufferers from that loathsome disease, Catarrh, prompts me to send you this Certificate, unsolicited, with leave to make what use of it you may see proper. Yours truly, W. HINDALL, Methodist Minister. Port Elgin, Ont., Aug. 24, 1878.

Ask for Littlefield's Constitutional Catarrh Remedy and take no other.
